## Part 1 – Prophecy, Bankster Cabal Wars & The Zionist Plan

### The Bible foretells and warns

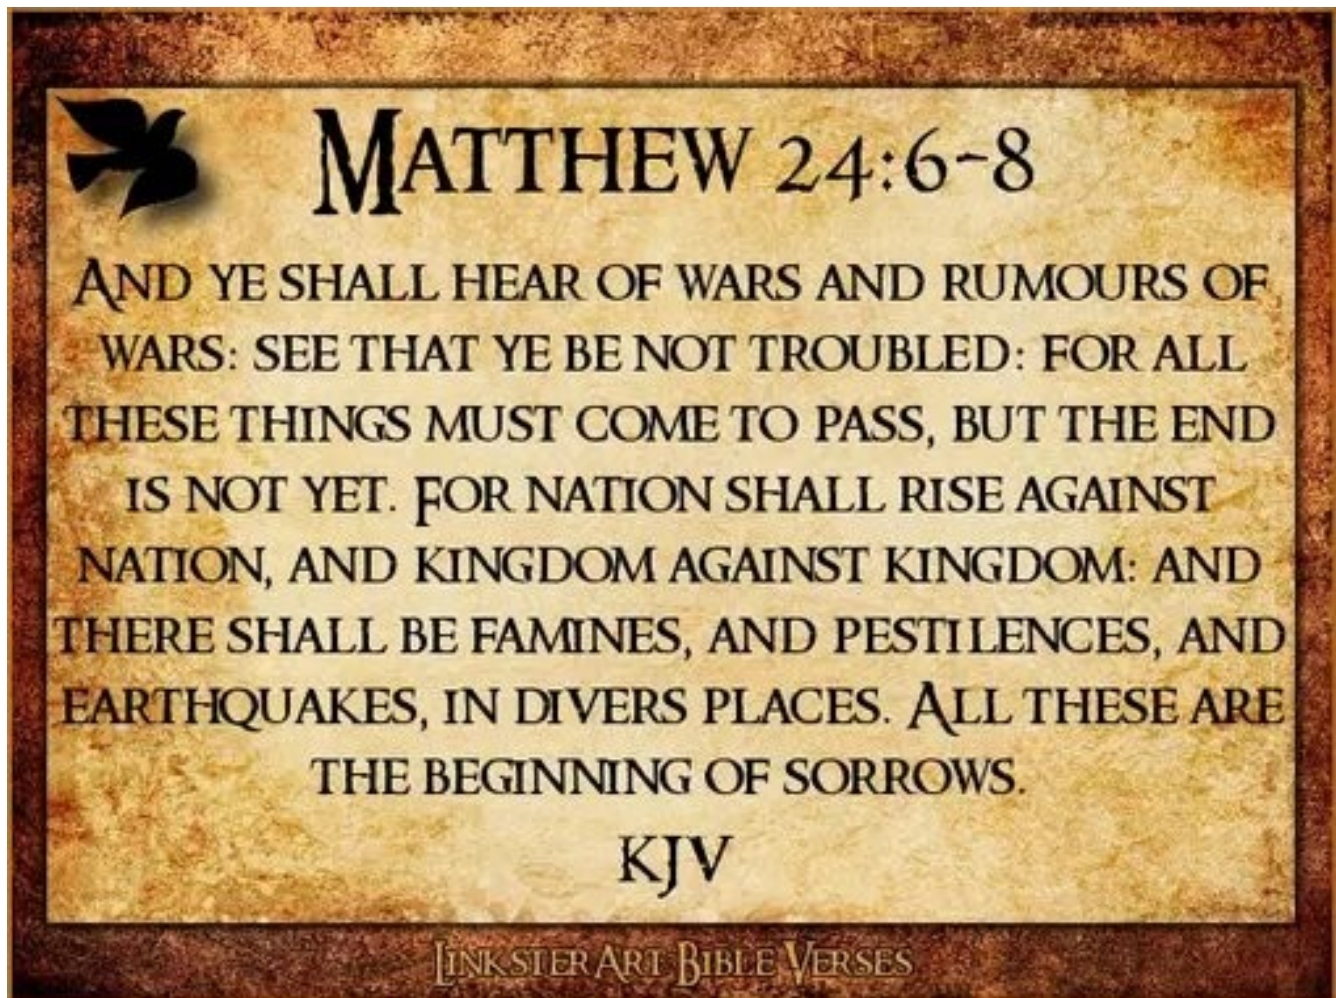

The [Bible](#) ([Old Testament](#) & [New Testament](#)) is unequalled in its combined readership, wisdom, and prophecy.

There is no other book that has better illustrated and revealed the nature of man, our collective humanity, the [trials and tribulations](#) of war and life itself, and the constant battle between good and evil.

Endless wisdom and solace can be found therein – even for atheists or those who believe in other religions than Christianity.

Here are but **a few passages** that may help us to comprehend the world's current predicament, particularly in light of the recent events in Israel and Palestine and the coming years leading to 2030.

When his disciples asked **Jesus** what would be the signs of his coming to earth during the **end time** he stated several events. He first warned them to watch, so that they would not be fooled. [Jesus then stated the following.](#)

We shall hear of wars and “**rumours of war.**” Today, this can be interpreted as what the [controlled mainstream media](#) would like us to believe. In other words, it is a **means to divide peoples and pit them against one another.**

There shall be **famines** is quite fitting also, since there does seem to be an **attack on farmers, growers and land owners.** In recent times we’ve seen this in the [Netherlands](#), as the [WEF-loving Dutch government](#) is hell bent on doing everything they can to seize Dutch farmers’ land. The use of [geoengineering](#) also serves as an assault on our land and crops. Billionaires such as [Bill Gates](#) and his American peers are also buying farmland from real growers so they can substitute real produce and livestock with [lab-grown meat](#) and [synthetic](#) foods.

**Pestilences** can easily refer to the so-called [Covid-19 Pandemic](#) and [whatever ones they have on deck for us plebs](#); these would likely come about by the [unelected oligarchical elites](#) who run the [World Health Organization \(WHO\)](#) along with [Big Pharma](#).

By “**Kingdom against Kingdom**,” Jesus implied the *Kingdom of God* (good) versus the *Kingdom of Satan* (evil).

In **Ephesians**, the **Apostle Paul** warned the entire world **who the real enemy is**:

The complete passage, **Ephesians 6:10-13**, reads as follows:

**“Finally, my brethren, be strong in the Lord, and in the power of his might. 11 Put on the whole armour of God, that ye may be able to stand against the wiles of the devil. 12 For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. 13 Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.”**

**Paul** tells Christians to suit up for battle with the **Armour of God** since the enemy is *evil itself*; he wants his readers to know that *spiritual warfare* is real.

More specifically, by “**we wrestle not against flesh and blood**” (soldiers of a particular nation or tribe) and “**against principalities**” (the **devil/Lucifer/fallen angels**) and “**spiritual wickedness in high places**”, Paul tells us who we are truly dealing with with the latter two.

The latter of the two refers to the **cult-like belief system espoused by those in “high places” who yield real power and control in our society.**

Largely hidden and operating from the darkest shadowy corners, these evil ones – who are of flesh and blood but who fully worship **Lucifer** instead of the real Lord and Saviour, Jesus Christ, are **hell bent on destroying everything that is wholesome and of God’s creative will.**

Part 2 of this series will dive into this in greater depth and detail in order for us to better understand the true nature of such evil.

## **The Synagogue of Satan, an initial look**

### **What is the Synagogue of Satan?**

[Monte Judah](#) from [Lion & Lamb Ministries](#) helps to [answer this question](#). This ministry is a Messianic Jewish movement that promotes Yeshua (Jesus) as the Messiah and the [Torah](#) as the constitution for their believers.

For those unfamiliar, [Messianic Judaism](#) or [Messianic Jews](#) are those who recognise Yeshua (Jesus) as the Messiah of the Jewish people and an integral part to their Jewish faith. [Jonathan Cahn](#), a popular American author, is an example of a Messianic Jew who is also a rabbi.

<https://www.youtube.com/watch?v=ps4XdEGFQ38>

While answering the question, Monte Judah cites two passages from the **Book of Revelation** from the New Testament:

**“Revelation 2 - 9:** "I know your tribulation and your poverty by those who are rich and the blasphemy of those who say they are Jews and are not but the synagogue of Satan."

**Revelation 3 - 9:** "Behold I will cause those of the synagogue of Satan who say that they are Jews and are not but lie behold I will make them to come and bow down at your feet that I have loved you."

Monte Judah sees these passages as an **“end time message from the Messiah” (Jesus)**, telling the Believers to get ready for the [Great Tribulation](#).

“So, we’re talking about a group of end-believers on the brink of the Great Tribulation **who say they are Jews, but are not really,**” emphasises Monta Judah while expanding on these.

He goes on to explain that **Paul is defining these Jews as being of the “synagogue of Satan,” or “assembly of Satan,”** as the apostle puts it.

He adds that **Satan is always up there accusing the brethren**, and that it is a **well-known fact that many of his so-called Jewish brothers are “not Jewish at all.”**

“Some of my Jewish-believing brethren...have decided to be **critical and accusatory** of all other brethren,” Monte Judah further admits, **hinting that some “false” Jews play these kinds of games of shaming and disfavouing Messianic Jews when they are not aligned and onboard with their own doctrine.**

Monte sadly notes that many in the movement assert their Jewish identity even though they “are not Jewish at all,” specifically discrediting Monte Judah or his Lion & Lamb Ministry, [Eddie Chumney](#), [Rico Cortez](#), and other independent messianic teachers and groups such as [Messianic Alliance](#), [Hebrew Roots Network](#), and [Hebrew Nation](#). “These people will literally almost stone you and throw you out of their synagogue,” he further says, eluding to their vile ways.

Monte Judah, however, is encouraged for this is all prophesised in the Bible and that **restoration and reconciliation** will one day take place.

There could perhaps be no better illustration about what Monte Judah eluded to than the **stern disapproval that Jewish American author of the 1984 book [Life of an American Jew in Racist Marxist Israel](#) Jack Bernstein** had to say on the matter:

I am well aware of the tactics of you, my Zionist brethren, use to quiet anyone who attempts to expose any of your subversive acts. If the person is a Gentile, you cry, "You're anti-semitic" which is nothing more than a smokescreen to hide your actions. But, if a Jew is the person doing the exposing, you resort to other tactics.

First, you ignore the charges, hoping the information will not be given widespread distribution.

If the information starts reaching too many people, you ridicule the information and the persons giving the information.

If that doesn't work, your next step is character assassination. If the author or speaker hasn't been involved in sufficient scandal you are adept at fabricating scandal against the person or persons.

If none of these are effective, you are known to resort to physical attacks. But, NEVER do you try to prove the information wrong.

—Jack Bernstein

“The Life of an American Jew in Racist Marxist Israel,”

The American author of Jewish heritage had returned to Israel only to be disenfranchised with what it was really about. The following introduction for [his book via Goodreads](#) speaks volumes [with some **emphasis added**]:

“Unlike **most American Jews, whose support for Israel is limited to words and money**, Jack Bernstein actually "returned" to the "Jewish homeland" not as a tourist, or for a summer visit but to live and die in Israel as a committed builder of the Jewish nation. As he explains here in this punchy and persuasive booklet, his idealism soon turned to disillusionment. He takes the reader on a guided tour of Israel's history, institutions and values. **He exposes Israel's sham and hypocrisy, revealing its oppressive, racist, militaristic, and parasitic character.**

**Bernstein speaks above all to the deceived and misguided American people, whose money, toil and blood sustain the Zionist state. As long as the US continues to support Israel, he prophetically warns, there will be no end to war in the Middle East, strife between Jews and non-Jews, and the brutal oppression of Palestinians.”**

by JACK BERNSTEIN  
as told to Len Martin

Book cover for the 1984 edition of [\*The Life of an American Jew in Racist, Marxist Israel\*](#) by Jack Bernstein.

The last sentence of those introductory remarks has certainly proved true, as history has painfully demonstrated.

“Jack Bernstein, an American Jew emigrated from the U.S. to Israel following the Six-Day War in 1967. After six and one half years living there, now married, and much wiser, he moved back to America. Bernstein reveals the corruption, graft, persecutions and dangers forced upon all who claim to be "Jews", but not "Zionist Jews", who moved to Israel. Bernstein now "challenges" the Zionist Jew to deny or prove him wrong in his report of their subversive actions,” reads the introduction of his 2000 book – [My Farewell to Israel the Thorn in the Mideast](#).

“...Judaism is a religion; but Zionism is a political movement started mainly by East European (Ashkenazi) Jews who for centuries have been the main force behind communism/socialism. The ultimate goal of the Zionists is one-world government under the control of the Zionists and the Zionist-oriented Jewish international bankers.” – Jack Bernstein

From the passages above, Bernstein makes a clear distinction between *Jews versus Zionist Jews*.

Furthermore, he states that [Zionism](#) stems from [Ashkenazi Jews](#) who were a **driving force behind communism** – which likely motivated him to put the infamous [hammer & sickle](#) symbol on the cover of his two books.

Some [believe](#) that Bernstein was assassinated by [Mossad](#), the national Israeli intelligence service.

## Zionism & Zionist Aspirations

### What is Zionism?

**Zionism's** general definition, according to the [Jewish Virtual Library](#), means the national movement for the return of the Jewish people to their homeland and the resumption of Jewish sovereignty in the Land of Israel.

The term was coined in 1890 by [Nathan Birnbaum](#), as was [Political Zionism](#), though the latter was a movement characterised by [Theodor Herzl](#) with the goal of obtaining a **charter in Palestine**, which called for the intensification of rural settlement in the region.

Simply put, **Zionism** calls for **the creation of a Jewish homeland in the territory which includes the Land of [Canaan](#), the [Promised Land](#), and the [Holy Land](#) (Land of Israel and [Palestine](#)).**

Apart from its **nationalistic movement**, Zionism is a complex notion that stretches back to biblical times, as many Jews were exiled due to Roman dominance in the region two millennia ago.

Going back even earlier, the [Israelites](#) were exiled to both Egypt and Babylon and longed for their return to the [Promised Land](#).

### **A bit more History...**

As is described in the two MyJewishLearning.com web pages referenced above ([Zionism 101](#) and [European Jewry: The Beginning](#)), it was in **Eastern Europe** where the largest population of Jewish communities dwelled.

The first article focuses largely on Jewish communities during the period approaching the end of the 19<sup>th</sup> century; while the second article rewinds history back to the **Middle Ages** [with **emphasis added**]:

“In the ninth century, **some of these [Jewish] merchants were involved in long-distance trade encompassing the whole of Eurasia**. From the **Frankish kingdom they exported swords, slaves, and furs to the Muslim world: then, following the Silk Road to India and China and returning via Khazaria and the Slavic lands, they brought back spices and perfumes to Europe**. A Muslim document refers to these great dealers as **radhaniya** (from the river Rhone or a region near Baghdad).”

The Frankish kingdom, or [Francia](#) basically refers to the post-Roman barbarian kingdom in Western Europe that was ruled by the [Frankish](#) (German) [Merovingian](#) and [Carolingian](#) dynasties during the Early Middle Ages.

The latter part of the quotation from above refers to **Khazaria** which denotes the area that includes the western tip of Russia, southern Ukraine, Crimea, and Kazakhstan.

The [Khazars](#) were a Turkic people that helped forge a formidable commercial empire due to Khazaria acting as a bridge on the western marches of the [Silk Road](#), **controlling the key commercial crossroads between China, the Middle East, and Kevian Rus (Ukraine and Western Russia)**.

With the geographical advantage along the Silk Road, **the Khazars gained a reputation for levying onerous taxes on merchants** seeking to cross the East-West divide in order to sell their goods.

**Map showing trade routes of the Khazarian, Kievan Rus and other regions at various crossroads of the Silk Road, 8th–11th centuries. Source: [Wikipedia](#).**

As MyJewishLearning notes from another [article](#), it is believed that **the Khazars converted to Judaism in the 8<sup>th</sup> century**; and, at the very least, **a Jewish presence in Kyiv (Kiev, Ukraine) was firmly established by the 10<sup>th</sup> century**.

Writers from [Veterans Today](#) provide a historical overview into what they refer to as the [Incredibly Evil Khazarian Mafia](#).

The article goes on to describe in great detail how the **Khazarian Mafia** has evolved, over the centuries, as a large international crime syndicate. This author has contacted its writer with questions and for comment, but has not received a response.

Perhaps serving as a complement to the MyJewishLearning [article](#), the [Veterans Today authors](#) provide a *reason* for which the Khazars converted to Judaism [with some **emphasis added**]:

**“100-800 AD – an incredibly Evil Society Emerges in Khazaria:**

**Khazarians develop into a nation ruled by an evil king, who had ancient Babylonian black arts, occult oligarchs serving as his court. During this time, Khazarians became known to surrounding countries as thieves, murderers, road bandits, and for assuming the identities of those travelers they murdered as a normal occupational practice and way of life.**

**800 AD – The Ultimatum is delivered by Russia and other surrounding nations:**

**The leaders of the surrounding nations, especially Russia, have had so many years of complaints by their citizens that, as a group, they deliver an ultimatum to the Khazarian king. They send a communique to the Khazarian king that he must choose one of the three Abrahamic religions for his people, make it his official state religion and require all Khazarian citizens to practice it, and socialize all Khazarian children to practice that faith.**

**The Khazarian king was given a choice between Islam, Christianity, and Judaism. The Khazarian king chose Judaism and promised to stay within the requirements laid out by the surrounding confederacy of nations led by the Russian czar. Despite his agreement and promise, the Khazarian king and his inner circle of oligarchs kept practicing ancient Babylonian black magic, also known as Secret Satanism. This Secret Satanism involved occult ceremonies featuring child sacrifice, after “bleeding them out”, drinking their blood, and eating their hearts.”**

The term “evil” was chosen by the authors of the article since the Khazarian king and his oligarchs appeared to practise the [ancient art of Babylonian black magic](#) which they refer to as “Secret Satanism.”

Such allegations are scarcely found in historical textbooks, but nevertheless carry some merit.

The Old Testament from the Bible references such dark arts and practices occurring in Babylon and elsewhere in ancient times.

## **American Zionism**

The current President of the United States, Joe Biden, [repeatedly said](#) one [needn't be a Jew to be a Zionist](#).

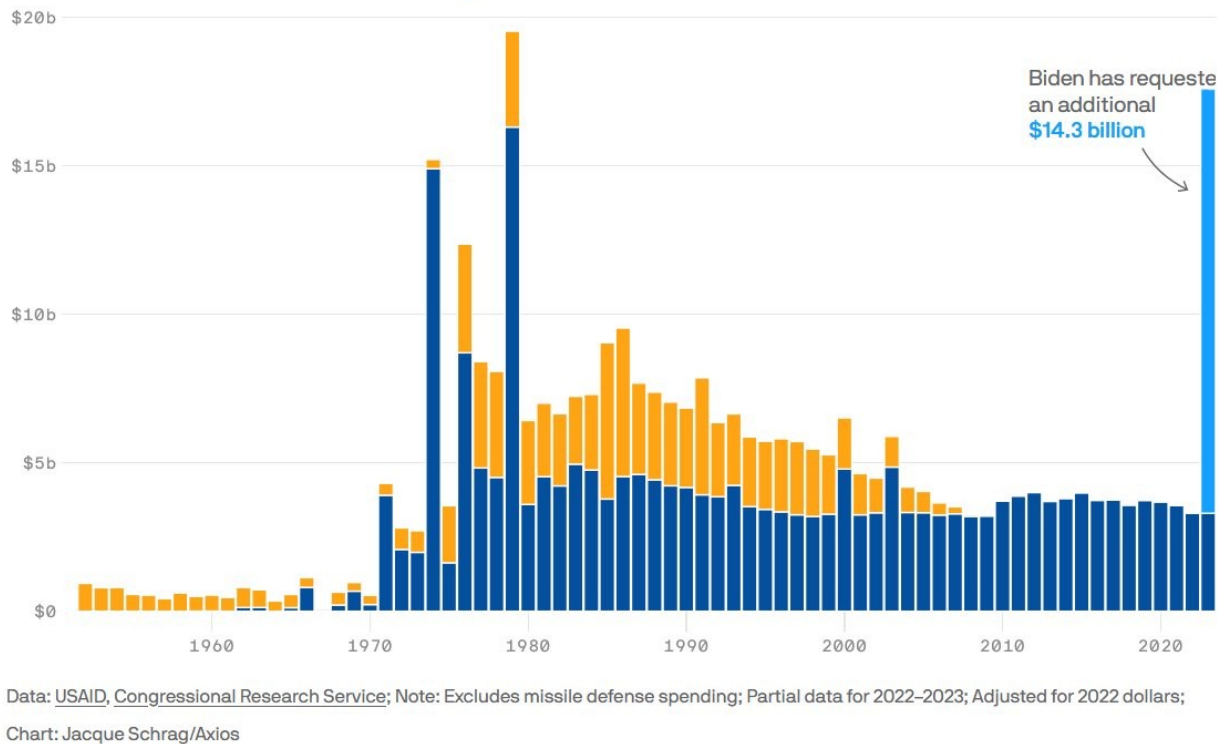

“You know I use to say early on when I was a kid, I'd say, when I was a young senator I say if I were a Jew I'd be a Zionist. I am a Zionist. You don't have to be a Jew to be a Zionist.”

Just last month (on October 18, 2023) [Biden once more repeated the phrase](#) during a visit to Israel to assure Prime Minister Benjamin Netanyahu of his administration's unswerving support.

Such a statement coming from the country's most prominent politician helps to explain the country's stance and support towards the Zionist ambition.

In fact, [over the last 75 years](#) the U.S. Government [has provided more aid to Israel than any other country](#) with the lion's share going to [military weaponry even though the country has a higher per capita GDP than the U.K., France, and Japan](#).

## U.S. economic and military aid to Israel, 1951–2023

**U.S. economic and military aid to Israel, 1951–2023. Source: [Axios](#).**

Moreover, the amount of military support that the U.S. funnelled to Israel in the past several decades is symptomatic of the influence the young Middle-Eastern nation holds in the halls of power of the world's superpower.

Though Jews make up just 2% of the U.S. population, over [7% of the new Congress is Jewish](#) (10% in the Senate and 7% in the House of Representatives).

Outside of [Congress](#), and [according to the Jewish Telegraphic Agency](#), the Biden Administration has Jewish persons in key posts, not the least of which are [Anthony Blinken](#) – the current [Secretary of State](#), and [David S. Cohen](#) – the current [Deputy Director of the Central Intelligence Agency \(CIA\)](#).

Other notables include:

- [Janet Yellen](#), [Treasury secretary](#) (and former [Chair of the Federal Reserve](#) from 2014 to 2018);
- [Merrick Garland](#), the [Attorney General](#);
- [Avril Haines](#), the [Director of National Intelligence \(DNI\)](#);
- [Ronald Klain](#), [White House Chief of Staff](#);
- [Alejandro Mayorkas](#), [Secretary of Homeland Security](#) – who has been [sharply criticised](#) for his failure to protect the U.S. Border;
- [Anne Neuberger](#), [Deputy National Security Advisor](#) for Cyber and Emerging Technology.

“You can count on Congress to be a friend,” [said Ritchie Torres](#), a member of the House of Representatives from New York who [describes himself as a pro-Israel progressive](#).

In a November 6, 2023, article titled [In Israeli-Palestinian battle to sway Congress, only one side wins](#), [Abigail Hauslohner](#), a national security reporter for the Washington Post, asserts that the Capitol itself has become a front in this **battle of narratives**, further stating that **“in Congress, only one side holds majority sway among those who control the funding of American foreign policy.”**

The author expands on the idea by saying that it’s a reflection of the **“decades-long influence of a powerful lobby”** and that **Pro-Israel lobbyist groups and individuals contributed nearly [\\$31 million](#) to American congressional candidates during last year’s election cycle**, according to data from [OpenSecrets.org](#) – a nonpartisan and independent nonprofit organisation that tracks money in U.S. politics.

The Washington Post reporter adds the following:

“Torres, among the top 20 recipients in the House and Senate, received well over a quarter-million dollars from pro-Israel lobbyists during that election. His single biggest donor was the American Israel Public Affairs Committee (AIPAC), the Open Secrets data shows.”

Over a [quarter-million dollars](#) for one candidate alone speaks volumes.

Money talks; and to think that it can’t buy influence and votes (in Congress) is to be naive at best.

In this case, Torres’ single biggest donor was the [American Israel Public Affairs Committee](#), more commonly known as **AIPAC** which [describes itself](#) as **the largest pro-Israel PAC (Political Action Committee) in America**.

<https://www.youtube.com/watch?v=t-SA9dQRtNg>

AIPAC’s website says that **98 percent of candidates it backed won their elections**, and that it “helped defeat” 13 candidates “who would have undermined the U.S.-Israel relationship,” as Hauslohner confirms in her [piece](#).

Regardless of whether those representatives view themselves as Zionists or not, their penchant or leanings towards pro-Israeli policies, including war-related ones, cannot be readily dismissed.

In the United States, the [Anti-Defamation League \(ADL\)](#) is another pro-Israel organisation that holds a tremendous amount of power, influence, and sway about narratives surrounding Israel’s policies.

Over the years, the **ADL has gained a [reputation](#) for going after those who are critical of Israel and their policies**.

Even **Haaretz**, one of [70 Jewish publications](#) from the [Jewish Telegraph Agency](#), [criticised](#) the ADL's CEO [Jonathan Greenblatt](#) for his outfit's "**crazily irresponsible crusade against anti-Zionism.**"

The Haaretz piece further blasted the CEO for [equating anti-zionism as anti-semitism](#) and labelling anti-Zionist groups, including [Jewish Voice for Peace](#), as "extremists."

[Jewish Currents](#) is another group that [criticised](#) the ADL's Israel advocacy as well as its CEO for undermining civil rights and civil liberties, even returning to the [1967 Arab-Israel War](#) period [with **emphasis added** and original link included]:

"The Black Panther Party, for example, [condemned](#) Israel in 1968 as an "imperialist, expansionist power" and said that "**Zionism in Palestine and fascism here in America**" stems from the same cause: "**US imperialism.**"

The ADL itself appears quite clear in their stance on "anti-Zionism," as outlined in their chapter [Myth: Anti-Zionism or Criticism of Israel is Never Antisemitic](#) which includes the following [video](#):

<https://www.youtube.com/watch?v=MKWES9J0QTW>

## **Jews Against Zionism**

Apart from groups mentioned in the previous section such as [Jewish Voice for Peace](#), others exist such as [True Torah Jews](#) based in New York that are against [Zionism](#).

## **Jews For Zionism**

Like for almost any other issue, there are also many Jews and organisations that hold pro-Zionist views and aspirations.

On a *global* level, the [World Zionist Organization](#) is one of them.

Many other organisations exist on the *national* level – too many to list in this post, but what follows are a few worth mentioning.

In the **United States**, the [Zionist Organization of America \(ZOA\)](#) was founded over a century ago in 1897, playing a [key role](#) in the Jewish state's re-establishment.

Unlike other Zionist organisations, **the ZOA is more [critical of Joe Biden's appointees](#) which it deems "Hostile-to-Israel."** In a [November 9, 2023 press release](#), they also heavily criticised **Benjamin Netanyahu for "caving in to Biden's pressure for daily humanitarian pauses** which their National President, [Morton A. Klein](#) (whom they regard as "one of the leading Jewish activists in the United States"), deems will endanger "Israel, Jews, [the] U.S." and will "help Hamas." Here are a few notable excerpt from the [press release](#) showcasing the scathing verbiage [with original emphasis and links]:

“Zionist Organization of America (ZOA) President Morton A. Klein released the following statement:

It is disgraceful and frighteningly dangerous that Israeli Prime Minister Benjamin Netanyahu **reportedly** caved in to President Biden’s unconscionable pro-Hamas pressure (exerted during a **call** on Monday and at other times) to begin daily four-hour so-called “humanitarian pauses” today that endanger the IDF soldiers, Israel and Jews and America. Shamefully, this makes a joke of PM Netanyahu’s fervent pledge that there would no cessation of this war until Hamas released every Israeli hostage. Yet, despicably, Biden is still complaining that he wants even longer pauses. **Pauses should not even be considered unless EVERY hostage is freed first and Hamas is destroyed...**

Further, agreeing to a pause sends the **dangerous message** that worldwide violent demonstrations, anti-Israel propaganda and antisemitism works in changing policy which harms Israel and helps Hamas. This will encourage more antisemitism, more pressure and more demonstrations. Israel should be standing doubly strong now instead of caving in to pressure and undermining Israel’s war against Hamas.”

Wikipedia also lists **American Zionists** which includes the likes of billionaire casino mogul **Sheldon Adelson**, **Charles Bronfman**, **Robert Kraft**, **Alan Dershowitz**, **Jack Parsons**, and the aforementioned President Joe Biden and Anthony Blinken, among many others.

In **Canada**, there is the **Canadian Jewish Congress** and the **Canadian Zionist Federation (CZF)**, an umbrella organization of Zionist groups in Canada associated with the World Zionist Organization.

The CZF’s page on **Zionism** provides a **historical and detailed view on the movement**. Here are a few **excerpts** which help us understand **the settling of European Jews in the land of Palestine just after World War I when the British had conquered it:**

“The Zionist Movement, the generator of modern Jewish nationalism, emerged in the late nineteenth century in Russia and Eastern Europe. In the 1880s the first national Jewish settlers arrived in Palestine, where they lived under Ottoman rule and established close to 50 villages (moshavot). By the beginning of World War I, around 85,000 Jews lived in Palestine, about two-thirds of them new immigrants.

Towards the end of the war, Palestine was conquered by Britain. Immigration to Palestine continued under the British mandate, though with restrictions and in face of growing Arab rejection, and by the end of World War II the Jewish community (Yishuv) numbered close to half a million.”

They also make a distinction between **“Modern Zionism”** and **“Practical Zionism”** [with some **emphasis added**]:

**“Modern Zionism** was officially established as a **political organization** by Theodor Herzl in 1897. A Jewish journalist and political activist from Austria, Herzl believed that the Jewish population couldn’t survive if it didn’t have a nation of its own. In 1897, Herzl organized the First Zionist Congress, which met in Basel, Switzerland. He also formed and became the first president of the World Zionist Organization.

**Practical Zionism** – the **core idea** of Practical Zionism was **the creation of a gradual process through which Jews, via immigration and settlement, would gain a large enough foothold in Palestine that world powers would have no choice but to grant them approval to establish a Jewish national home** (Berlin, 1996).”

Canada’s **role** in the in the drafting of the [United Nations’ Partition Plan for Palestine in 1947](#) ([U.N. Resolution 181](#)) should also be noted – particularly with regards to its [14<sup>th</sup> Prime Minister’s](#) role in the partition plan [with some **emphasis added**]:

**“Lester B. Pearson**, then a senior Canadian diplomat and later the Under-Secretary of State for External Affairs, **became the chairman of the UN sub-committee responsible for drawing up a detailed plan of partition**. He played a pivotal role in securing a compromise in support of partition at the UN General Assembly in November 1947. Some historians have credited Pearson’s efforts with securing the positive vote in favour of partition at the UN (Bercuson 1985). **In fact, “Zionists so appreciated Pearson’s and Rand’s role that they called the Under-Secretary of State the ‘Balfour of Canada’ and they established the Ivan C. Rand Chair of Law at the Hebrew University in Jerusalem”** (Hillmer 1981, 166)”

***Map showing the United Nations' Partition Plan for Israel and Palestine in 1947. Source: Encyclopædia Britannica.***

If one were to look at the territorial gains made in Palestine over the last several decades (as shown in maps in this post), one could certainly argue that **Practical Zionism has indeed been effective in its pursuit.**

The quote from above also mentioned **Rand**, referring to Supreme Court of Canada Justice [Ivan C. Rand](#) who had also been instrumental to the Israeli cause.

Though Canada is often seen as a [neutral party and “peacemaker”](#) in international conflicts, Umm Kulthum from the [Yellowhead Institute](#) recently noted in his [brief](#) titled [A Brief History of Canada’s Role in the Colonization of Palestine](#) that that has been far from being the case.

Kulthum explains that the brief offers **an overview of some of the key roles Canada has played in the *colonization* of Palestine** from the Partition and **Nakba**, to the emergence of Peacekeeping, and direct involvement in invasions, and that Canadians should confront the realities of their ongoing involvement. Here are some notable excerpts [with some **emphasis added** and original links preserved]:

**“Canada’s role in the Nakba and the ongoing occupation of Palestine by the State of Israel has been erased from Canadian consciousness.**

Looking back on this history, we can see that **Pearson’s efforts were ultimately in the service of neutralizing Palestinian resistance (and resistance of their allies).**

Since 2003, and well before then, Canada has been one of Israel’s [loudest cheerleaders](#) on the international stage, even as Canadians disagree; **it [supplies tens of millions in arms](#) to Israel that it knows full well will be used to displace and kill Palestinians; and even commits [personnel to assist Israel](#).”**

For those unfamiliar, [Nakba](#) – which means *catastrophe* or *disaster* in Arabic, refers to **the flight and expulsion of [around 700,000 Palestinians](#) from the homeland which occurred between 1947 and 1948 due to the [1948 Arab–Israeli War](#).**

Kulthum also states that **Canada actively supports, funds, and actively participates in the oppression of Palestinians** and **“treats the incarceration and bombing of over two million Palestinians in Gaza with little concern, condemnation, or humanitarianism.”**

## **Are the Rothschilds Zionists?**

Even though records from their own [family history](#) show that they have **German origins**, seemingly from [Ashkenazi](#) Jewish descent, the **Rothschilds** have nevertheless been instrumental in the establishment of the modern [State of Israel](#) which was [created in 1948](#).

They have no stated claim to be of *Middle-Eastern* Jewish origin from the ancient [Land of Israel](#) or [Judah](#), and thus are not descendants of the peoples who lived there.

Yet for well over a century, they have endeavoured to establish a state to call home.

While some may be criticised for calling either the Rothschilds or their stately ambition a *Zionist* one, that is precisely what they have stated. The [Edmond de Rothschild Foundation website](#) confirms their long-held **Zionist ambitions** along with their role in the affair:

## **“140 Years of pioneering spirit**

**From the end of the 19th century till today, the Rothschild family has been one of the pillars on which the Zionist vision and the State of Israel are based. The aspiration to establish and develop an advanced state – which will not only be the home of the Jewish people but will be a model for a moral and inclusive society – has been leading the family for 140 years, since Baron Abraham Benjamin Edmond James de Rothschild – “the Known Benefactor – Hanadiv” operated in the Land of Israel.”**

It would really be at the turn of the 20<sup>th</sup> century after World War I where the elite banking family’s Zionist ambitions would start to bear fruit.

## **The Balfour Declaration & the Modern State of Israel**

During the first World War there was a battalion of Zionist volunteers called the [Jewish Legion](#) under an infantry regiment of the British Army.

Then British Foreign Secretary [Arthur Balfour](#) sent the [Balfour Declaration of 1917 to Baron Rothschild](#) ([Lionel Walter Rothschild](#), 2nd Baron Rothschild), the unofficial leader of the British Jewish community, stating that Britain would use its “best endeavours” to **facilitate “the establishment in Palestine of a national home for the Jewish people.”**

Foreign Office,

November 2nd, 1917.

Dear Lord Rothschild,

I have much pleasure in conveying to you, on behalf of His Majesty's Government, the following declaration of sympathy with Jewish Zionist aspirations which has been submitted to, and approved by, the Cabinet

"His Majesty's Government view with favour the establishment in Palestine of a national home for the Jewish people, and will use their best endeavours to facilitate the achievement of this object, it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine, or the rights and political status enjoyed by Jews in any other country"

I should be grateful if you would bring this declaration to the knowledge of the Zionist Federation.

Y. in  
Arthur Balfour

Though the Balfour Declaration – which underwent [five revisions](#) – was deemed unsuccessful amidst [competing powers’ interests](#), after the Second World War, the modern state of [Israel](#) came about. Decades prior, the British had secured control over the region referred to as [Mandatory Palestine](#) which had been ceded by the [Ottomans](#) after their dissolution post-WWI.

“...it being clearly understood that nothing shall be done which may prejudice the civil and religious rights of existing non-Jewish communities in Palestine,” reads part of the declaration.

In contrast to the sentiment expressed in the passage above from the declaration, many have argued that what has transpired over the past several decades in Palestine and towards the Palestinian people has been far from diplomatic, particularly with the [incremental expansion of Israel over Palestinian territory](#) since [1948](#) and the [incessant conflict](#).

On the [centennial of the Balfour Declaration](#), the President of the [Palestinian National Authority](#) – [Mahmoud Abbas](#) – asked for an apology for the infamous document, but was [rejected by the British Government](#).

## “Greater Israel”: The Zionist Plan for the Middle East (Oded Yinon Plan)

“Did Netanyahu and his vast military and intelligence apparatus (Mossad et al) have foreknowledge of the Hamas attack which has resulted in countless deaths of Israelis and Palestinians?”

Was a carefully formulated Israeli plan to wage an all out war against Palestinians envisaged prior to the launching by Hamas of “Operation Al-Aqsa Storm”?”

“This was not a failure of Israeli Intelligence, as conveyed by the media. Quite the opposite,” replies [Prof. Emeritus Michel Chossudovsky](#) in an updated article titled [“Greater Israel”: The Zionist Plan for the Middle East](#) which revisits the infamous **Oded Yinon Plan**.

**“Evidence and testimony suggest that the Netanyahu government was aware of Hamas' actions which led the deaths of hundreds of Israelis and Palestinians. And “they let it happen,”** contends the same author in a [related article](#), also reaffirming the assertion in an [interview](#) on the matter.

This same article provides additional evidence which corroborates the claim that Israel *willingly* let the Hamas attack happen; it comes from an [update](#) by independent Israeli journalist [Efrat Feningson](#) who previously served in the [Israeli Defense Forces \(IDF\)](#) and [stated](#) that **“It is impossible that Israel did not know what was coming.”** Feningson offered [several other reasons](#) why she believes that the Netanyahu government allowed the brutal attack on its territory.

### Was Hamas created by Israel and Netanyahu?

There exists a significant amount of evidence that supports the claim that [Benjamin Netanyahu](#) was initially involved in **the creation of the Islamic Resistance Movement, better known as [Hamas](#) back in 1987 in Gaza.**

The main idea for the creation of Hamas by Israel was to *counter* secular nationalists of the [Palestine Liberation Organization \(PLO\)](#) led by [Yasser Arafat](#).

Back on January 24, 2009, journalist Andrew Higgins from the Wall Street Journal [wrote](#) the following [with **emphasis added in red**] in his article [How Israel Helped to Spawn Hamas](#):

Instead of trying to curb Gaza's Islamists from the outset, says Mr. Cohen, Israel for years tolerated and, in some cases, encouraged them as a counterweight to the secular nationalists of the Palestine Liberation Organization and its dominant faction, Yasser Arafat's Fatah. Israel cooperated with a crippled, half-blind cleric named Sheikh Ahmed Yassin, even as he was laying the foundations for what would become Hamas. Sheikh Yassin continues to inspire militants today; during the recent war in Gaza, Hamas fighters confronted Israeli troops with "Yassins," primitive rocket-propelled grenades named in honor of the cleric.

[View Slideshow](#)

Last Saturday, after 22 days of war, Israel announced a halt to the offensive. The assault was aimed at stopping Hamas rockets from falling on Israel. Prime Minister Ehud Olmert hailed a "determined and successful military operation." More than 1,200 Palestinians had died. Thirteen Israelis were also killed.

Hamas responded the next day by

Also in [2009](#), [U.S. Congressman Ron Paul also said that Hamas was created by Israel](#) (alternate video links [here](#) and [here](#)):

**"if you look at history you'll find out that Hamas was encouraged and really started by Israel because they wanted Hamas to counter Yassir Arafat."**

<https://www.youtube.com/watch?v=27esxkQtTc>

And on July 30, 2014, in an article titled [How Israel helped create Hamas](#), Ishaan Tharoor from The Washington Post wrote the following [with original links included and some **emphasis added**]:

"All signs [indicate](#) that the government of Israeli Prime Minister Benjamin Netanyahu is prepared to wage a protracted battle in the battered Gaza Strip as it [seeks to crush](#) the capabilities of the Islamist militant group Hamas. The ongoing conflict has already exacted a bloody toll, with the Palestinian death count approaching the [total](#) of Israel's 2008-2009 bombing campaign and ground offensive in Gaza, which led to the deaths of at least 1,383 Palestinians over three weeks.

**It also obscures Hamas's curious history. To a certain degree, the Islamist organization whose militant wing has rained rockets on Israel the past few weeks has the Jewish state**

**to thank for its existence. Hamas launched in 1988 in Gaza** at the time of the first intifada, or uprising, with a charter now infamous for its anti-Semitism and [its refusal](#) to accept the existence of the Israeli state. **But for more than a decade prior, Israeli authorities actively enabled its rise.**"

"Those who want to thwart the establishment of a Palestinian state should support the strengthening of Hamas and the transfer of money to Hamas," [stated Netanyahu](#) in 2019 when addressing members of the [Knesset](#) (the Israeli Parliament).

These historical refreshers can offer some additional nuance and context for this, reoccurring, current Israeli-Gaza conflict.

**[Tweet](#) (archived [here](#)) posted by Benjamin Netanyahu on Dec. 28, 2022 (a day before he [resumed](#) his duties as the Prime Minister of Israel).**

The above [tweet](#) from Netanyahu can be translated into English as follows:

**"These are the basic lines of the national government that I [Netanyahu] lead: The Jewish people have an exclusive and indisputable right to all areas of the Land of Israel. The government will encourage and expand settlement in all parts of the Land of Israel – in the Galilee, the Negev, the Golan, Judea and Samaria."**

It's obvious for anyone to see that **Netanyahu seeks to appropriate all of the land in Gaza (and the West Bank)** and displace over 2.2 million people from their homeland who dwell in this open air prison.

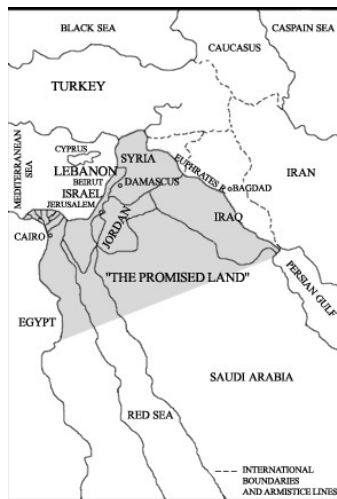

Returning to the **“Greater Israel”: The Zionist Plan for the Middle East** article which outlines Netanyahu’s commitment to the “Greater Israel” and the “Promised Land” project, Chossudovsky notes:

**“Under the Biden administration, despite rhetorical shifts in the political narrative, Washington remains supportive of Israel plans to annex the entire Jordan River valley as well the illegal settlements in the West Bank.”**

He also stresses that the Greater Israel design is **not strictly a Zionist project, but is also an integral part of U.S. foreign policy (undoubtedly backed by the war-lusting Neocons) as a means to “Balkanize” the Middle East.**

In other words, **the United States is assisting Israel to materialise the ambitious project of restoring the “Promised Land.”**

More specifically, **Greater Israel** would create a number of proxy states that **would include parts of Lebanon, Syria, the Sinai, as well as part of Iraq and Saudi Arabia.**

**Map showing ‘Greater Israel’ as the area of the Jewish State stretching: “From the Brook of Egypt to the Euphrates,” according to Theodore Herzl or “The Promised Land [that] extends from the River of Egypt up to the Euphrates [which] includes parts of Syria and Lebanon,” according to Rabbi Fischmann. Image source: Centre for Research on Globalization (GlobalResearch.ca).**

Chossudovsky then **outlines** an introductory backdrop for “The Greater Israel Project” prefacing it as **“the cornerstone of powerful Zionist factions within the current Netanyahu government, the Likud party, as well as within the Israeli military and intelligence establishment.”**

He also states that the project consists in “weakening and eventually fracturing neighbouring Arab states as part of a **US-Israeli expansionist project, with the support of NATO and Saudi Arabia,**” and also in **confronting Iran**.

## **The Yinon Plan**

The article mentions **The Yinon Plan** (translated as **The Zionist Plan for The Middle East** by Oded Yinon Israëi Shahak – an Israeli journalist who was formerly attached to the **Foreign Ministry of Israel** – from his original “A Strategy for Israel in the Nineteen Eighties” from 1982 which referred to **a continuation of Britain’s colonial design in the Middle East as an Israeli strategic plan to ensure Israeli regional superiority**.

The article further notes:

“Israeli strategists viewed **Iraq** as their biggest strategic challenge from an Arab state. This is why Iraq was outlined as the centerpiece to the balkanization of the Middle East and the Arab World. In Iraq, on the basis of the concepts of the Yinon Plan, Israeli strategists have called for the division of Iraq into a Kurdish state and two Arab states, one for Shiite Muslims and the other for Sunni Muslims. The first step towards establishing this was a war between Iraq and **Iran**, which the Yinon Plan discusses.

The Atlantic, in 2008, and the U.S. military’s Armed Forces Journal, in 2006, both published widely circulated maps that closely followed the outline of the Yinon Plan. Aside from a divided Iraq, which the Biden Plan also calls for, the Yinon Plan calls for a divided **Lebanon, Egypt, and Syria**. The partitioning of **Iran, Turkey, Somalia, and Pakistan** also all fall into line with these views. The Yinon Plan also calls for dissolution in North Africa and forecasts it as starting from Egypt and then spilling over into **Sudan, Libya**, and the rest of the region.”

Coincidentally, **Iraq, Syria, Lebanon, Libya, Somalia, Sudan, and Iran** were among the countries that the United States were planning are going to war with, as **had been revealed** from an active U.S. General to retired **General Wesley Clark** in the days following the **September 11, 2011 attacks** (which many also consider a false flag).

## **The Deadly Cost of War**

The amount of destruction and devastation caused by the United States and its powerful military on the nations of **Iraq, Libya, Syria, Somalia, and Sudan** (among **other countries** such as **Afghanistan**) have been undeniably significant.

As shown in the image above, **Iraq** suffered the greatest numbers of victims with other estimates as high as half a million children whereby then U.S. Secretary of State [Madeleine Albright](#) stating [“the price, we think, the price was worth it.”](#)

One has to wonder, therefore, whether part of these [very costly military endeavours](#) were actually for a “war on terror” and the protection of the United States, or to help Israel in its Zionist aspirations.

In contemplating the latter, we must further examine **the powerful forces that have long been ruling from the shadows and what their ultimate plans are.**

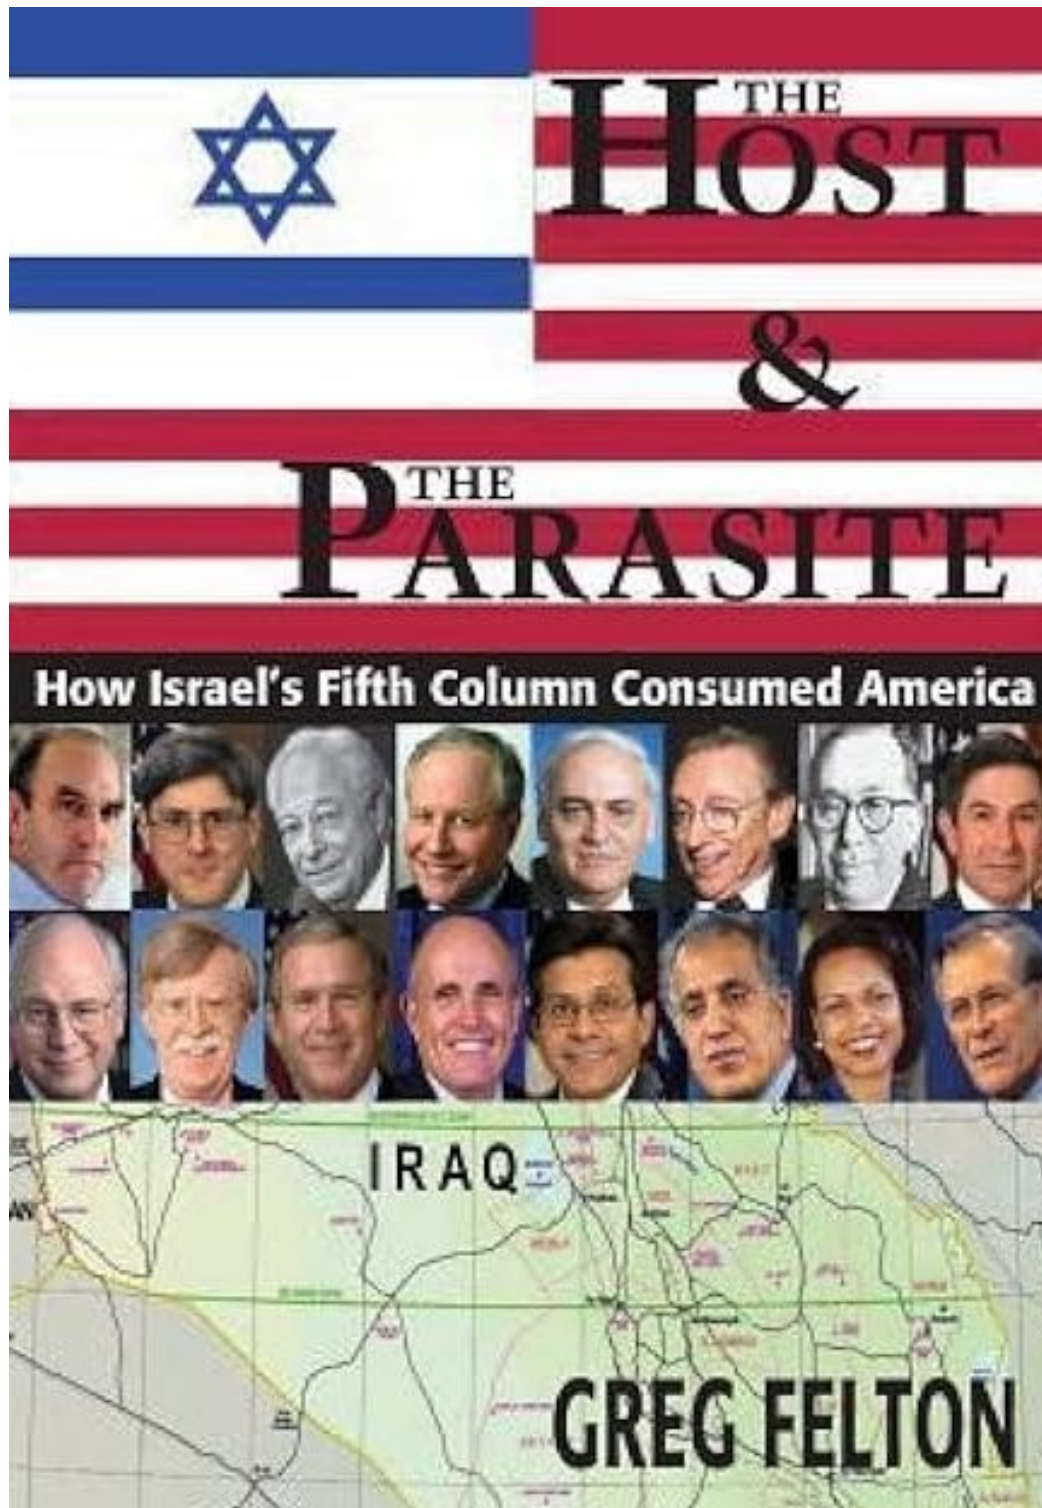

## **The Host and the Parasite – Has Israel taken over the U.S. Government?**

**“[Israeli Prime Minister Ariel] Sharon** reportedly yelled at [his foreign Minister Shimon] Peres, saying **“don’t worry about American pressure, we the Jewish people control America.”** – October 3, 2001, source: [Media Monitors Network](#)

It is not without [controversy](#) that the appearance by Canadian author **Greg Felton**, a Vancouver-based journalist and teacher, for a February 2008 talk at the **Vancouver Public Library (VPL)** took place.

Prior to the event, there was apprehension among members of the Jewish community for the topics that Felton would be discussing; for, they were deemed highly critical of Israel and perceived as antisemitic. But there were also [supporters](#).

Felton's 2007 book, [The Host and The Parasite: How Israel's Fifth Column Consumed America](#) certainly helped to fuel the angst felt by Jewish Canadians and others.

*Book cover for [The Host and The Parasite: How Israel's Fifth Column Consumed America](#), by Greg Felton. Image source: Goodreads.com.*

An editorial featured in the [Jewish Independent](#) on the very next day called Felton “truth-challenged,” but in the end remarked that “debate and discussion is possible, even among the most adversarial opponents.”

Though the Vancouver Public Library nearly cancelled the event, it nonetheless took place.

At the start of the talk City Librarian [Paul Whitney](#) from the VPL mentioned the regret felt by members of the Jewish community, but said that **“it remains the library’s belief that we must stand by the principle of freedom of expression.”**

The talk largely focused on **how U.S. foreign policy is largely commanded by Israeli interests**, as per Felton’s research and sentiments on the matter.

The [entire talk](#) is around 55 minutes (with a Q & A at the end). Felton’s monologue lasts about 30 minutes which is split into three parts below along with **key excerpts** for each:

### **Part 1:**

<https://www.youtube.com/watch?v=C1RxC1KDOg8>

Key excerpts:

- “The United States is fundamentally different than it was in the 1950s and 1960s, or even the 1970s.”
- “September the 11<sup>th</sup> knocked down a couple buildings [which] led to the passage of the USA Patriot Act and from there people might argue we went into a spiral to the abyss of statism, torture, imperial overreach, and all other sorts of things you can associate with undemocratic activity.”
- On October 3, 2001 – 24 days after September the 11<sup>th</sup> happened the Department of Justice handed Congress a document, [repeating] the Department of Justice handed Congress a document [which] is called the USA Patriot Act and Congress was told to pass it. Now Congress is a legislative body. It’s the body that makes laws. But here we have a Congress that is told to follow a diktat from the Executive which is kind of weird.”
- “The Patriot Act was entered into the House [of Representatives] October 23<sup>rd</sup> and signed by [George W.] Bush on October 26<sup>th</sup>. Now for legislation that is an absurdly fast scenario.”
- “But that document did something very strange and very sad because it legislated the Republic out of existence.”
- “That document killed the Republic and turned the United States into a proto-fascist empire.”
- “We have to explain why a Congress would commit political suicide. Why would Congress do this?”
- “My book takes a perspective that Congress was incapable of defending the Constitution – which of course the Patriot Act utterly destroys.”

- “...The third group [are] what are called Jewish Zionists: Norman [inaudible], Irving Kristol, Charles Krauthammer, Paul Wolfowitz, Richard Perle, a whole list of individuals who George H. W. Bush would collectively call the crazies.”

## **Part 2:**

<https://www.youtube.com/watch?v=tclPNuurEjk>

Key excerpts:

- “And then 1967 happened. Israel provoked a war in the Middle East and managed to seize control of the Suez [Canal]. The[y] occupied East Jerusalem, the Golan Heights, Suez, the West Bank, Gaza Strip.”
- “It is still an illegal occupation of much of that territory today.”
- “But the fact that Israel did it meant that Israel is no longer some after thought in U.S. policy – which was oil-based. Strictly speaking, the U.S. wanted the Middle East for oil, that’s all it cared about.”
- “But Israel now is [a] major player. Israeli Jews could now look upon Israel with pride, as they conquered territory. They can now espouse support for Israel and the United States. And so did Lyndon Johnson.”
- “So, by the time 1973 comes around, we have three groups of people: evangelical Christians, Jewish Zionists, and Strauss [inaudible] Neoconservatives.”
- “[What President Jimmy] Carter failed to understand, though, is that with respect to the Middle East, he was not there to represent the United States; he was there to represent, well, Israel.”
- “Because soon after he was elected – now I’m talking about 1977 March in Clinton, Massachusetts, he delivered a speech where he spoke honestly, intelligently, I think, about the need for a Palestinian homeland.”
- “Well, the Israel lobby basically had a collective heart attack. They assailed him. They slandered him, libelled him, they attacked vigorously. And Carter tried to backpedal out of this.”
- “So, what happened with the election in 1980 was that the Zionist – both Christian and Jewish, and the Neocons came to power and their front man was Ronald Reagan.”
- “And for the 1980s we have a transition period. A transition period between the role of oil as the dominant influence and cause of U.S. policy in the Middle East, and that of supporting Israel to the detriment of oil and to the detriment of the United States.”
- “Now, in 1991 [U.S. Secretary of Defense] Dick Cheney had acknowledged that there was never there was no more threat of nuclear weapons, excuse-me of weapons of mass destruction from Saddam Hussein. Colin Powell said the same thing in 2000.”

## **Part 3:**

<https://www.youtube.com/watch?v=WfnoevvP7nk>

## Key excerpts:

- “So did [U.S. National Security Advisor] Condoleezza Rice the next year [in 2001]. In fact, Dick Cheney twice in ten years, Powell twice, Rice once within the last seven years had admitted that Saddam Hussein had no useful weapons of mass destruction and posed no threat to the U.S. or Israel.”
- “Within months of the last of those announcements, the U.S. policy flip-flopped 180 degrees. All of a sudden weapons of mass destruction which were dismissed as nonsense, which were openly acknowledged to be non-existent were now asserted to be facts. Why would the U.S. do this? What caused the United States to have such a complete change of understanding, as no new information had come forward to change the previous assessments which were correct and have shown to be correct.”
- “Well, the only interest party, the only country interested in bombing Iraq was Israel for two reasons, or three reasons, actually. Iran, Iraq has a lot of oil. Israel needs oil. Iraq has a lot of water. The Tigris and the Euphrates [rivers] are within the ambit of what is called the maximal Zionist claim on Middle Eastern land from the mouth of the Euphrates.”
- “It’s also the case that Saddam Hussein was one of the few Arab leaders courageous enough to stand up and defend the Palestinians against the repression and the sadism of the Israeli state.”
- “The occupation to this day is illegal, but it’s hard to find any outlet in the media willing to say this.”
- “So, Saddam Hussein was a political problem and also the head of a country that was the capital of the Arab world, culturally speaking. Baghdad was a great center of learning. And Hussein had a good army. But armies in the Middle East are not something Israel wants on its doorstep. Israel wants to have complete military superiority over the region.”
- “And so, we had a provocation to bomb Iraq. It wasn’t just [George] Bush though. Throughout the 1990s, Iraq was starved under more illegal no-fly zones and sanctions regimes which did nothing but starve Iraqi children and older people.”
- “Iran has never posed a threat to anyone militarily speaking.”
- “Hussein, I mean Hussein was an American ally for all intents and purposes. He attacked Iran after being goaded by the U.S. The Iran-Iraq war started because the U.S. pushed Hussein to attack Iran around the [inaudible] waterway in the south. And then Saddam Hussein took the American bait and invaded Kuwait – an excuse for George W. Bush, H.W. Bush, to put military into Saudi Arabia to secure oil.”
- “Now, if you want to ask why on earth would [the] U.S. want to attack Iraq, you’ve got me, because Iraq posed no threat to the United States. It was not in the interest of the United States to bomb Iraq. Why else do it?”
- “Again, we have to understand that the United States government, especially since Clinton, has been populated by people who owe more of an allegiance to Israel than to the United States itself.”
- “To this day [in 2008] there are people in the American government who are citizens of Israel. And to have a dual citizen formative policy really brings questions of duplicity, treason, the very sort of concerns that Jews had before 1967. But these don’t matter anymore.”

- “It is impossible to believe that a republic could commit suicide by passing the Patriot Act. But it makes more sense to believe that Israel with [the] United States Congress is not in control of itself.”
- “The people [in Congress] making policy would rather serve Israel, than serve their own public. I mean, why else would George W. Bush veto a bill for 30 billion dollars for child insurance, yet write a blank check to bomb Arabs into oblivion? Why terrorise and torture people for no good purpose?”
- “It’s important to realise that if we’re gonna have a discussion on what happened on September the 11<sup>th</sup> and other such things, we have to look at who benefited from it.”
- “The Patriot Act in my view represents the culminating act of the fascist coup d’état that happened in 1980.”
- “To this day [2008] the United States has something called the Strategic Oil Reserve Agreement with Israel under which it will guarantee [to] supply Israel with oil in the event of a crisis – even to the extent of denying oil to its own people.”
- “The United States has been humiliated, abused, disgraced internationally and domestically as it moves to support Israel in whatever it does. And it is impossible to think that this is being done willingly.”
- “The only thing that we can conclude is that the United States has been under Israeli occupation to all intents and purposes.”
- “The only way to understand the last 38 years is that it’s a culmination of a number of things that happened in the United States that I articulate here in my book that shows how the United States slowly and quite clearly allowed itself to be occupied and humiliated by a lobby that had at its primary interest the interest of another government.”
- “Because a lot of people will argue that, well, the United States is the strongest country in the world; nobody can push the United States around. Well, if you look at the people who run the United States, the Military-Industrial Complex is a very good example; the interplay between them and the Israel lobby is very very close.”
- “And it makes no sense for the United States to murder Arabs en masse.”
- “It makes no sense for the United States to repudiate its own principles and declare war on its own citizens.”
- “The other way we can make sense of this is that the people in Washington [D.C.] are serving another government – that we have essentially a treasonous government.”
- “...and we look at the events of September the 11<sup>th</sup> and how that happened, and the people who were responsible for it, we end up with conclusions that the United States has been dominated by interest groups to put the interests of America behind that of Israel.”

## **A Central Banking Cabal**

Who *really* runs the world?

Early in humanity during primitive times, the strongest tribes were the ones who vied for power and dominance.

Fiefdom and kingdoms ensued which needed funding to keep dominance. **Taxes** were usually levied on landowners and peasants.

From ancient and medieval times, such entities had some kind of **treasury** to fund projects, wars, and the like. Though many kinds of money have existed over the centuries, **gold** and **silver** have long been seen as stable standards of wealth.

As it became somewhat cumbersome and unsafe to trade and transact using these heavy monetary metals, **systems of paper money** – such as those designed and used by the Chinese during the Song and Yuan dynasties – simplified accounting and trade mechanisms greatly.

Merchants from the affluent cities of [Florence](#), [Venice](#) and [Genoa](#) were some of the first to use these kinds of systems in Europe as early as the 15<sup>th</sup> century.

Loans were provided by **powerful and rich families such as the [Medicis](#)** who exerted a tremendous amount of influence and control not only over governments, but also on the [Catholic Church](#) itself who, at the time, was a very [powerful institution](#) in neighbouring Rome.

This section attempts to showcase **how *central banking and financing wars* are intricately interwoven or joined at the hip**, so to speak; for, history testifies to endless accounts which confirm their symbiotic relationship.

As there are too many such instances in history to gloss over, this section will **examine some key central banks along with who established and/or owned them, and which wars they help to foment finance**.

### Hidden History: All Wars are Banker Wars

“ The common enemy of all humankind are private central banks issuing the public currency as a loan at interest. ”

### The Bank of England

The **Bank of England** was one of the first central banks in the world (after Genoa) and was created in 1694 [by Royal Charter](#) for the [purpose](#) of **raising funds to allow the English government to wage war** against France.

[Charles Montagu](#) was one of the bank's key architects, **devising a system of guaranteed government loans** thus initiating never-ending **national debt**. It was Scottish [William Paterson](#), however, who would be its founding member and [first Director](#).

Following the wishes of her husband, [King William III](#), [Queen Mary II](#) pressed for the project to move forward, despite her [Privy Council's](#) objections which would [have quashed the Bank Act](#).

The **£1,200,000** was subscribed in just over a week with **8%** set as the **interest charge**, spearheading a new era in British banking. This amount, adjusted for inflation, would be the equivalent of **£192,341,385** in today's currency.

Though not members of the original issue of The Bank of England, the **Rothschilds** (see section below *The Rothschilds & Other Banking Dynasties*) **provided funds to the Duke of Wellington to finance his troops with gold coin in 1814 and 1815**, leading up to the **Battle of Waterloo**, [establishing the Rothschilds as a powerful financial player](#).

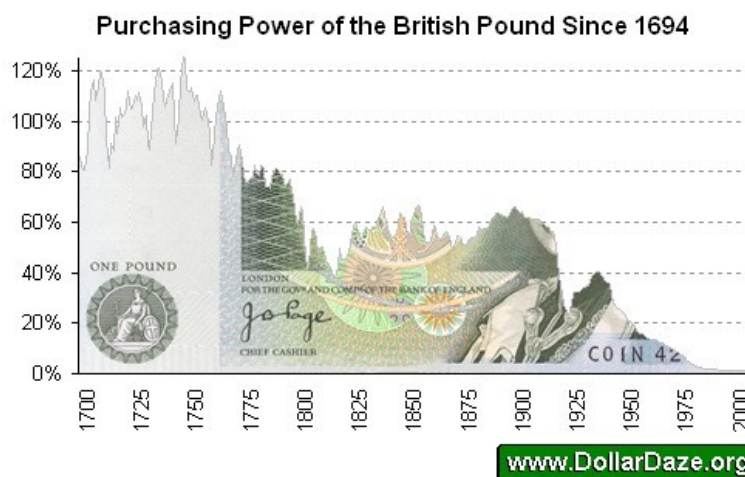

**“the Bank of England could not match the capability of the Rothschild’s dynasty as (sic) this point in history. Their international network were second to none...Rothschilds is again powerful enough to assist national governments and provide the resources that the country’s own national bank could not.”**

The above quote is from [Intriguing History](#). And by “international network,” they were referring to the Rothschild’s sophisticated communication system whereby they would learn of key events such as the victor in the Battle of Waterloo, ahead of others.

Two decades later, in **1825**, a run on the bank [of England] was in the cards upon which [the Rothschilds obliged with 150,000 gold sovereigns](#) to replenish its reserves, narrowly avoiding suspending payments and customer withdrawals.

On an interesting side note, though not a European Union (EU) member, **The Bank of England is a member of the European Central Bank (ECB)**. And, coincidentally, **the ECB’s headquarters are in Frankfurt am Main, Germany** – the same location where [Mayer Amschel Rothschild commenced his banking empire](#).

After the establishment of the Bank of England, many **additional loans ensued** in the next few hundred years, **largely debasing the currency**. The Bank of England was [nationalised in 1946](#).

**Image Source: The Market Oracle – [Sinking Fiat Currencies](#), Jun 27, 2008 (archived).**

As most other countries have followed this central banking model, they have tragically suffered the same fate, largely impoverishing their citizens.

### Purchasing Power of the US Dollar Since 1774

### Purchasing Power of the Swiss Franc Since 1913

### Purchasing Power of the Canadian Dollar Since 1913

In order to add context and better understand some of the charts from above which show the **debasement of some Western currencies**, we will primarily focus on that of the United States since the U.S. dollar is the world's reserve currency.

### The United States' Central Bank[s]

The United States has had **three central banks** over the course of its relatively short history.

Prior to the current **Federal Reserve** which was established in 1913, there were two others: **The First Bank of the United States (1791 to 1811)** that had received a charter for 20 years, and **The Second Bank of the United States: 1816 to 1836** headquartered in Philadelphia that had also received a 20 year charter.

There was **an attempt to renew the charter for the Second Bank** which was a very contentious issue during the **general election of 1832** that led to an all-out **clash** between the **banking interests** and **Andrew Jackson** in what was fittingly referred to as the **Bank War**.

#### Andrew Jackson (1829 – 1837)

*"If congress has the right under the Constitution to issue paper money, it was given them to use themselves, not to be delegated to individuals or corporations."*

*"You [the international bankers] are a den of vipers. I intend to rout you out, and by the Eternal God I will rout you out. If the people only understood the rank injustice of our money and banking system, there would be a revolution before morning."*

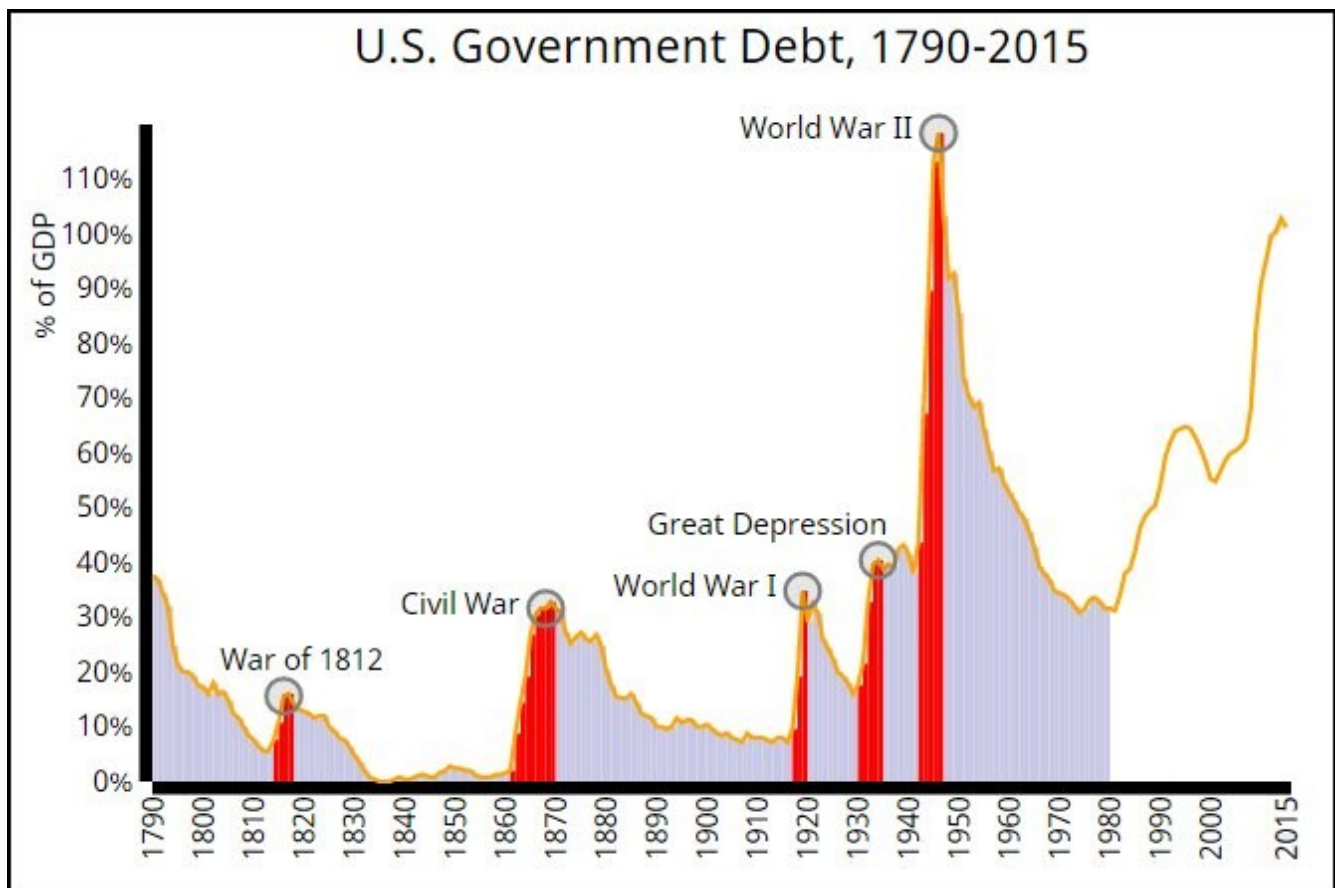

*"The bank, Mr. Van Buren, is trying to kill me."*

In the end Jackson got his way; for, the second charter was not renewed.

The debt that had been accumulated with the **War of 1812** proved too monstrous and frightening to repeat as yet another folly to the young, developing, nation.

The following chart from a 2016 article titled **The History of U.S. Government Spending, Revenue, and Debt (1790-2015)** perfectly illustrates **the extent to which a plight of debt can prove highly destructive to a nation**.

**Debt rose sharply** from the onset of the **War of 1812** (see first red area on the left), but would surpass itself sharply with the next three wars with the **Civil War** and **WWI** exceeding over **35% of GDP**, and **WWII** an **astounding 110% of GDP**.

Let the reader observe how **debt (as a % of GDP)** had actually decreased from nearly 20% to a more modest level around 1% after the non-renewal of the private Second Bank paving the way for better economic times.

In fact, **by January 8, 1835, President Andrew Jackson had paid off the *entire* national debt – the only time in U.S. history that has been accomplished.**

The debt level remained pretty stable in the following years leading up to the **American Civil War (1861 to 1865)**; after which it blew up significantly.

## The American Civil War

*Incidents of the war. A harvest of death, Gettysburg, PA. Dead Federal soldiers on battlefield by Alexander Gardner, dated between 4 July 1863 and 7 July 1863. Photo source: [Wikipedia](#). For more photographs from the American Civil War, click [here](#).*

[Did Bankers Foment the “Civil War”?](#) was published back in July of 2020 by [Paul Craig Roberts](#), former [Assistant Secretary of the Treasury for Economic Policy](#) and former associate editor at [The Wall Street Journal](#), in which he [forwarded assertions](#) that **President Lincoln** had instigated an “unconstitutional war” as an act of aggression against the south (due to high tariffs imposed on them) preventing it from seceding, rather than it being a war about slavery.

While the assertion, at prima facie, may seem a bit over the top (probably due to [incomplete](#) or [inaccurate](#) teachings on its [history](#)), it appears to carry merit when one examines some of the facts and resources referenced.

**“I have no purpose, directly or indirectly, to interfere with the institution of slavery in the States where it exists. I believe I have no lawful right to do so, and I have no inclination to do so. – President Abraham Lincoln at his [Inaugural Address on March 4, 1861](#)”**

Firstly, as can be observed from Lincoln's quote at his Inaugural Address, he *wasn't* concerned with **slavery**, nor did he seem to think it was a problem at the time.

Also from same address, when referring to the [13<sup>th</sup> Amendment](#) (passed by Congress on March 2, 1861 – also called the [Corwin Amendment](#)), Lincoln further stated that he had **“no objection to its being made express and irrevocable,”** meaning that **he had no intention of doing anything that would abolish or interfere with the institution of slavery.**

The [original 13<sup>th</sup> Amendment](#) reads as follows:

“No amendment shall be made to the Constitution which will authorize or give to Congress the power to abolish or interfere, within any State, with the domestic institutions thereof, including that of persons held to labor or service by the laws of said State.”

As the Corwin Amendment was passed *two days before* Lincoln's Inaugural Address, it appears quite evident that **Lincoln wanted the South to stay in the union, pay their [tariffs](#) and the federal government would steer clear of slavery** (which as a *state* issue, rather than a national one anyhow).

Put differently, the original 13<sup>th</sup> Amendment was one of several measures considered by Congress in an ultimately unsuccessful attempt to attract the seceding states back into the Union and in an attempt to entice border slave states (Missouri, Kentucky, West Virginia, Delaware, Maryland) to stay.

But this original 13 Amendment was never ratified (by the required number of states prior to 1865).

It was only from **January 31, 1865** did the [13th Amendment to the Constitution](#) banish slavery across the United States of America.

Prolific writer Paul Craig Roberts [further posits](#) that there existed a deeper underlying and unbeknownst cause of the war. In doing so, he refers to a thesis put forth by the lawyer and author John Remington Graham who wrote [A Constitutional History of Succession](#) (Pelican Publishing, October 31, 2002) stating that:

**“bankers spent a decade fomenting hatred between North and South in order to provoke a war that would greatly increase federal debt, which the banks could acquire and use as reserves to support the issuance of money and credit.”**

**“Federal debt would become the reserve basis (like gold) for the expansion of the money supply. This power would give bankers control of the government,”** Roberts further adds.

“Graham is factually correct about **the huge increase in US national debt caused by the war. In 1860 US national debt stood at a mere \$65 million. By war’s end, US national debt was \$2.7 billion – 41.5 times larger,**” Roberts additionally notes.

Considering [inflation-adjusted](#) figures for 2023, the **1860** debt of \$65 million would be about **[\\$2.4 billion today](#)** while the **1865** debt of \$2.7 billion would now be equivalent to almost **[\\$51 billion](#)**.

In an [article](#) of the same name, author [Charles Burns](#) presents the viewpoint of American [abolitionist](#) and [legal theorist Lysander Spooner](#) who penned a scathing critique – **[Part IV THE CONSTITUTION OF NO AUTHORITY \(from No Treason\)](#)** in which he sharply criticised both the American experiment and its Constitution, contending that it served as an illegal and immoral means to indebt and enslave Americans.

It is quite worthwhile to consider the testimony of someone who lived during the time of the American Civil War such as with Lysander Spooner, even if he was considered an anarchist back in the day (and may still be considered as such).

Spooner [wrote](#) *No Treason* in the years following the war (1867 to 1870). Here are a few **selected passages** from this long essay [with **emphasis added**]:

**“In Europe, the nominal rulers, the emperors and kings and parliaments, are anything but the real rulers of their respective countries. They are little or nothing else than mere tools, employed by the wealthy to rob, enslave, and (if need be) murder those who have less wealth, or none at all.**

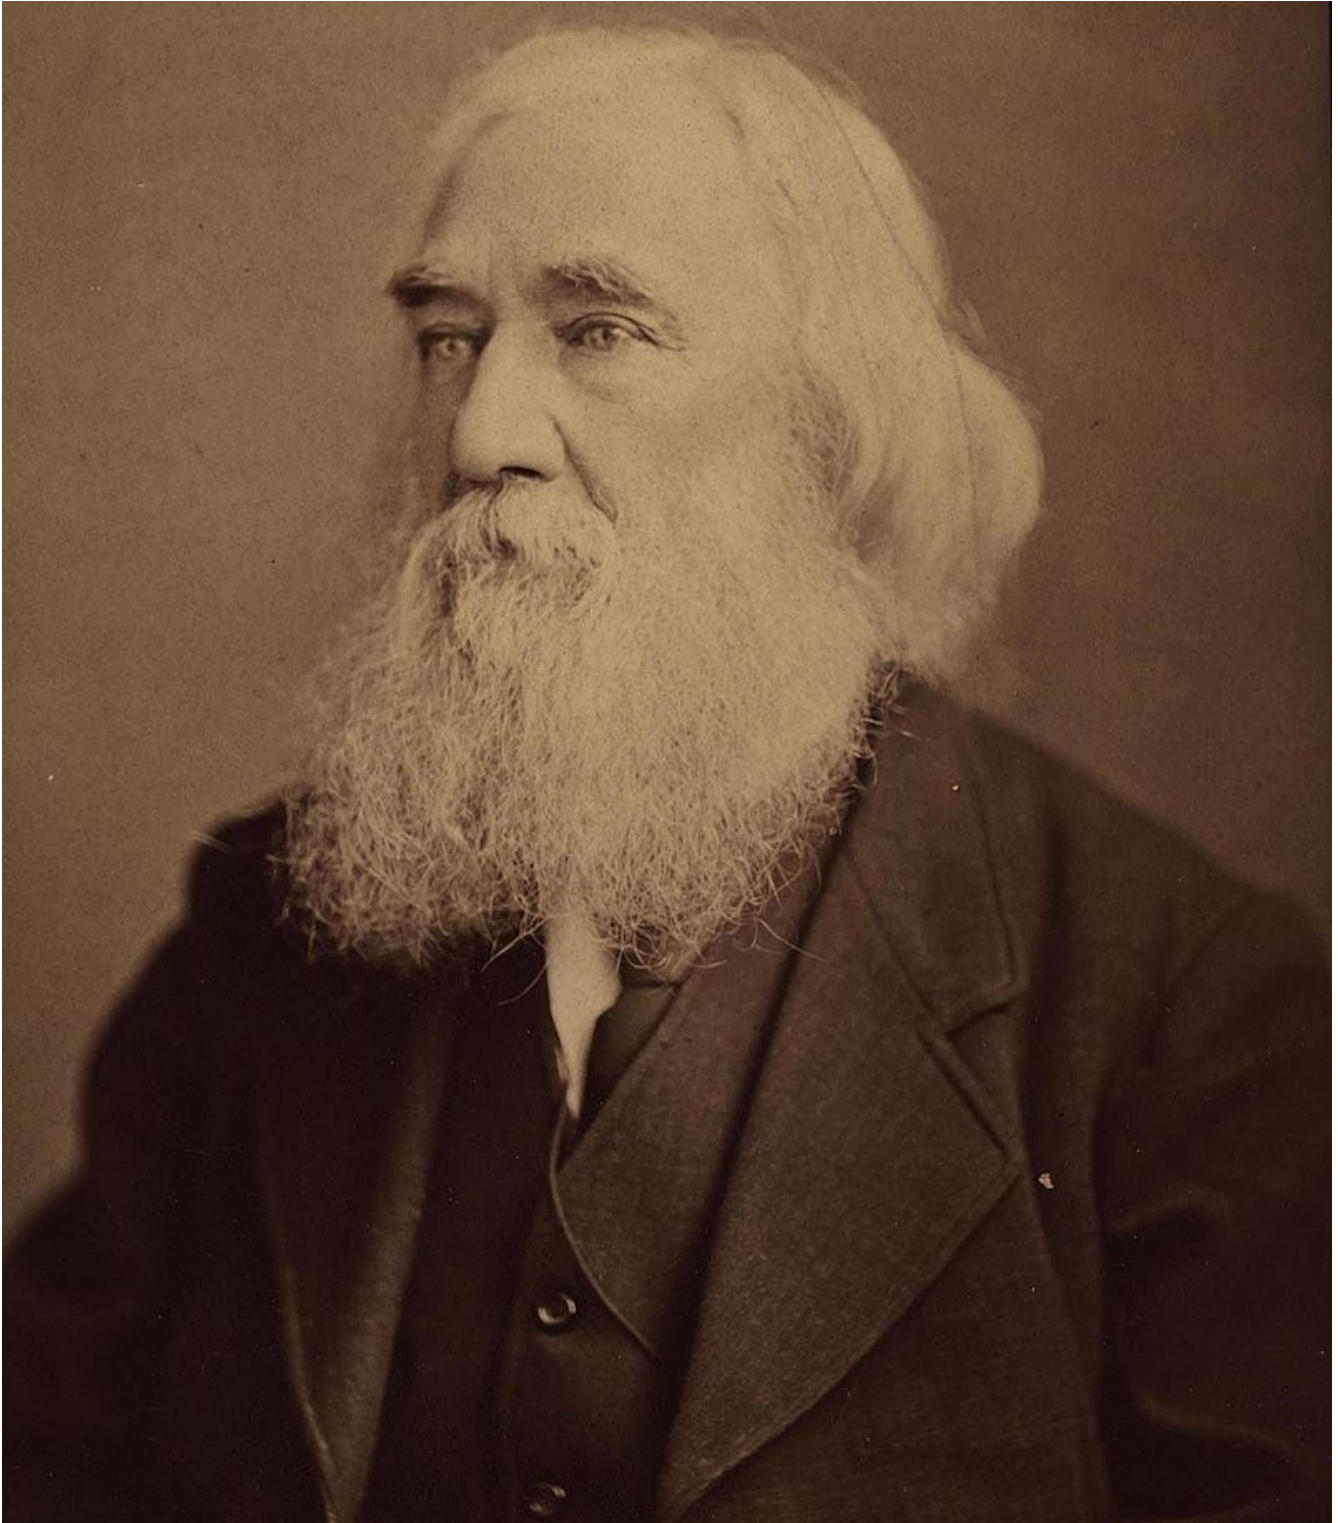

The **Rothschilds, and that class of money-lenders of whom they are the representatives and agents** – men who never think of lending a shilling to their next-door neighbors, for purposes of honest industry, unless upon the most ample security, and at the highest rate of interest – **stand ready, at all times, to lend money in unlimited amounts to those robbers and murderers, who call themselves governments, to be expended in shooting down those who do not submit quietly to being robbed and enslaved.**

...

**These money-lenders, the Rothschilds, for example, say to themselves: If we lend a hundred millions sterling to the queen and parliament of England, it will enable them to murder twenty, fifty, or a hundred thousand people in England, Ireland, or India; and the terror inspired by such wholesale slaughter, will enable them to keep the whole people of those countries in subjection for twenty, or perhaps fifty, years to come; to control all their trade and industry; and to extort from them large amounts of money, under the name of taxes; and from the wealth thus extorted from them, they (the queen and parliament) can afford to pay us a higher rate of interest for our money than we can get in any other way.”**

Spooner is correct in that not only does there exist a wholesale slaughter of “expendable” souls (at least in *their* eyes), but it consistently does take decades for countries – meaning their citizens, or *us* – to pay off huge war debts to the lenders.

**Wars are, therefore indeed, *banker wars*.**

*Lysander Spooner (1808 – 1887). Image source: [Wikipedia](#).*

[Lysander Spooner](#)'s *lesson for the ages* is a rather astute and an ominously foretelling one:

“The **lesson** taught by all these facts is this: **As long as mankind continue to pay “National Debts,”** so-called – that is, **so long as they are such dupes and cowards as to pay for being cheated, plundered, enslaved, and murdered – so long there will be enough to lend the money for those purposes;** and with that money a plenty of tools, called soldiers, can be hired to keep them in subjection. **But when they refuse any longer to pay for being thus cheated, plundered, enslaved, and murdered, they will cease to have cheats, and usurpers, and robbers, and murderers and blood-money loan-mongers for masters.”**

It's incredible how this lesson still resonates today. A **lesson**, mind you, **that sadly has yet to be learned.**

For, the **usurious** system of *central banking* that has enslaved humanity for the better part of the last two centuries (if not more) and which has funnelled our sons and daughters to war fronts for the slaughter tragically remains the uncontested norm.

We've indeed been duped, manipulated, hoodwinked, and conned into this **interminable debt-based form of financial slavery** – at the profit of an [international banking cabal](#) run by rich families, their private banks and leviathanic corporations who control governments and monarchs across the globe.

Moreover, Spooner says “when they [*meaning “we”*] **refuse** any longer to pay for being thus cheated, plundered, enslaved, and murdered, they [*“we”*] **will cease to have cheats, and usurpers, and robbers, and murderers and blood-money loan-mongers for masters.”**

Most people are too ignorant, insouciant, or foolish to concede that these plundering usurpers *are* our real masters.

**Can a world without such parasites not only be imaginable, but also become a *reality*?**

Of course it can; but, for that to happen, the undertaking of waking up millions of zombified sheep will require nothing short of an emancipatory, perhaps divinely-inspired, intellectual and physical revolution.

## **Two World Wars**

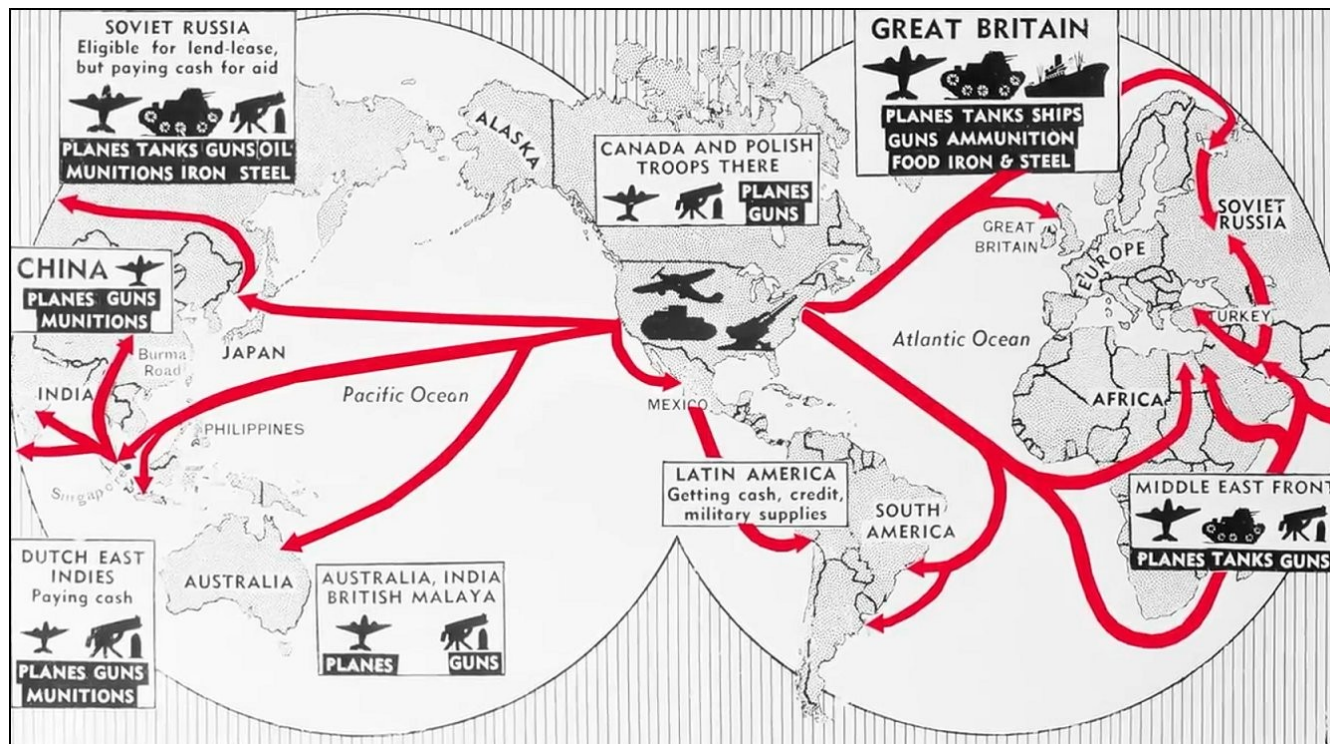

Apart from the **Great Depression** which once more plunged the United States into a level of Debt nearing 40% of GDP, the two world wars added to the economic malaise of the republic.

Both wars were fuelled by numerous factors, too many to explicitly pin on merely banking and profiteering interests.

During the **Second World War** [U.S. Debt](#) skyrocketed to over **112% of GDP**. In dollar terms, it was roughly **\$258 billion** at the time, or the equivalent of about **\$4.4 trillion** in today's dollars.

Take a moment to fathom just how gigantesque \$4.4 trillion is.

It's not so much that the United States had to borrow money, but rather that it fed the Allied Forces with gargantuan amounts of [arms and provisions](#). This was accomplished by the signing of the [Lend-Lease Act of 1941](#) by [President Roosevelt](#) whereby more than **\$50 billion (at the time)** [was appropriated](#) war's end.

*Image capture taken from the [History.com's What Was the Lend-Lease Act?](#) (with the original image sourced from the [National Constitution Center](#) (archived)).*

The [15<sup>th</sup> Annual Report \(1<sup>st</sup> of April 1944—31<sup>st</sup> March 1945\)](#) of the Bank for International Settlements **outlined the ramifications of Lend-Lease**, not least of which included **steep increases in money supplies** (see table 'Notes in Circulation' on p. 67) as well as **mammoth levels of national incomes allocated to the war effort**:

**Percentage  
of National Income devoted  
to War Expenditure.**

Country	1939	1940	1941	1942	1943	1944
	Percentages					
United Kingdom . .	15	39	49	53	54	54
U.S.S.R. . . . . .	22	27	35	45	48	44
Canada . . . . .	2	10	19	40	54	52
New Zealand . . .	2	9	23	50	54	49
Australia . . . . .	2	12	25	43	48	44
United States . . .	2	3	11	35	46	46

According to these figures, the highest percentage for 1939 was in respect of spending for defence purposes by the U.S.S.R.; in the following years, however, the proportion which war expenditure in the United Kingdom bore to the national income was exceeded by no other nation, although equalled in 1943 by Canada and New Zealand.

*Page 27 of the BIS' 15<sup>th</sup> Annual Report (1<sup>st</sup> of April 1944—31<sup>st</sup> March 1945) showing very high percentages of National Income devoted to War Expenditures from 1939 to 1944.*

It is [reported](#) that it took until 2006 for Britain to settle debts from WWII.

Though some of the proceeds of Lend-Lease were to be reimbursed, a lot of it was [given as aid](#) (free of charge) which was deemed "essential for the defense of the United States."

Ultimately, it would be **the American taxpayer (and their descendents) who would foot the \$50+ billion bill** since the appropriation of funds by Congress would have been obtained through the [issuance of bonds via the Treasury](#) that are sold to the Federal Reserve who [creates the currency out of thin air](#).

As the government needs to repay the debt to the banks along with interest (and a **6% dividend** to the Fed's stockholders), the [national debt increases](#) further, diluting the value of the currency and thus impoverishing citizens.

Apart from the [70 to 85 million souls](#) that perished from the Second World War, the economic slaughter of citizens around the world that reverberated in the decades following it remains incalculable.

**Quotes by American Presidents**

Years ago, under the pen name *Grandson Of Liberty*, I wrote [Restoring the Lost Republic \(of the United States of America\)](#) which focused on the illegal and unconstitutional Federal Reserve, Internal Revenue Service (IRS), and Income Tax. At the end that short work, I provided some quotes by American Presidents that are quite telling about how destructive credit can be to nations. Here are some of those quotes.

**George Washington (1789 – 1797)**

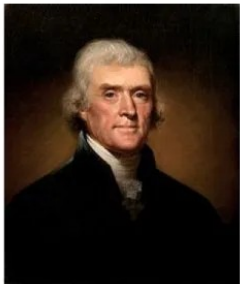

*“But if in the pursuit of the means we should unfortunately stumble again on unfunded paper money or any similar species of fraud, we shall assuredly give a fatal stab to our national credit in its infancy. Paper money will invariably operate in the body of politics as spirit liquors on the human body. They prey on the vitals and ultimately destroy them. Paper money has had the effect in your state that it will ever have, to ruin commerce, oppress the honest, and open the door to every species of fraud and injustice.”*

**John Adams (1797 – 1801)**

*“All of the perplexities, confusion, and distress in America arises, not from the defects of the Constitution or Confederation, not from want of honor or virtue, so much as from downright ignorance of the nature of coin, credit, and circulation.”*

**Thomas Jefferson (1801 – 1809)**

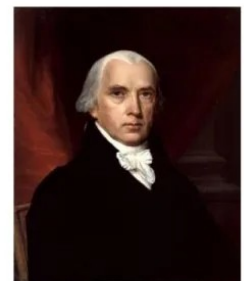

*“If the American people ever allow private banks to control the issuance of their currency, then by deflation, the banks and corporations that will grow up around the banks will deprive the people of all their property until their children wake-up homeless on the continent their fathers conquered. The issuing power should be taken away from the banks and restored to the people, to whom it properly belongs.”*

*“I believe that banking institutions are more dangerous to our liberties than standing armies.”*

*“The modern theory of the perpetuation of debt has drenched the earth with blood, and crushed its inhabitants under burdens ever accumulating.”*

**James Madison (1809 – 1817)**

*“History records that the money changers have used every form of abuse, intrigue, deceit, and violent means possible to maintain their control over governments by controlling money and its issuance.”*

Apart from the aforementioned quote by Andrew Jackson and the ones immediately above, more quotes from American Presidents will be presented further below in order to provide additional clarity and historical context surrounding the criminal nature of the banking cartel.

### Documentary – All Wars are Bankers’ Wars

To conclude this section, I would invite the reader to watch the following documentary film called [All Wars Are Bankers’ Wars](#) (alternative video link [here](#)) by [Michael Rivero](#); for, it is highly accurate (with the exception of some unsubstantiated quotes) and presents the concept in a manner simplified enough to **illustrate how malevolently-orchestrated wars are used as a means to enrich elite interests, at the destructive and costly expense of nations and their peoples.**

<https://www.youtube.com/watch?v=BrKf9nYeXT0>

### The Rothschilds & Other Banking Dynasties

The quote from above is often cited (and usually with the *wrong* portrait), but did [Mayer Amschel Rothschild](#) (1744-1812) really say it?

It is difficult to prove with absolute certainty. However, [Charles Gustav Binderup](#) did [quote the infamous Rothschild banker during a speech](#) on the floor of the House of Representative while serving in the 75<sup>th</sup> Congress.

From the same source just cited, American greats such as **Benjamin Franklin**, **Thomas Jefferson**, and **Andrew Jackson** had some choice words regarding the **Rothschilds** and **the issuance of currency by private bankers**:

When **Benjamin Franklin** was asked how he could account for all the new found prosperity, in the Colonies he replied *“That is simple. **In the Colonies we issue our own money. It is called Colonial Script. We issue it in proper proportion to the demands of trade and industry to make the products pass easily from the producers to the consumers. In this manner, creating for ourselves our own paper money, we control its purchasing power, and we have no interest to pay to no one.”***

From the same [source](#) cited above, Franklin also stated the following about the Rothschilds and the English [in the red rectangular boxes]:

#### A FEW QUOTATIONS OF NOTABLE LEADERS

Benjamin Franklin, on being asked in Great Britain how he accounted for the prosperous condition of the Colonies, said:

That is simple. It is only because in the Colonies we issue our own money. It is called colonial scrip, and we issue it in the proper proportion to the demand of trade and industry.

It was not very long until this information was brought to the Rothschilds' bank, and they saw that here was a nation that was ready to be exploited; here was a nation that had been setting up an example that they could issue their own money in place of the money coming through the banks. So the Rothschild Bank caused a bill to be introduced in the English Parliament which provided that no colony of England could issue their own money. They had to use English money. Consequently the Colonies were compelled to discard their scrip and mortgage themselves to the Bank of England in order to get money. For the first time in the history of the United States our money began to be based on debt.

Benjamin Franklin stated that in 1 year from that date the streets of the Colonies were filled with the unemployed, because when England exchanged with them, she gave the Colonies only half as many

#### NATIONAL ECONOMY AND THE BANKING SYSTEM

units of payment in borrowed money from the Rothschild Bank as they had in scrip. In other words, their circulating medium was reduced 50 percent, and everyone became unemployed. The poor-houses became filled, according to Benjamin Franklin's own statement.

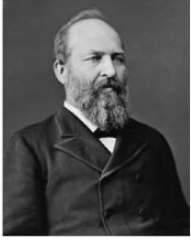

Mr. Franklin went further than that. He said that this was the original cause of the Revolutionary War. In his own language:

The Colonies would gladly have borne the little tax on tea and other matters had it not been that England took away from the Colonies their money, which created unemployment and dissatisfaction.

Of course, these are statements that are almost never taught in History classes across America – which is by design, it must be added.

The same text follows with the previously mentioned quote by **Thomas Jefferson** about the threat that banking institutions pose on liberty. His sentiment was right back then and is still right to this very day.

And the following quote by **James A. Garfield** expresses the same kind of sentiment:

James A. Garfield (1881)

*“Whoever controls the volume of money in our country is absolute master of all industry and commerce...and when you realize that the entire system is very easily controlled, one way or another, by a few powerful men at the top, you will not have to be told how periods of inflation and depression originate.”*

The following excerpt from page (100) of this same work, titled [NATIONAL ECONOMY AND THE BANKING SYSTEM](#) published by former U.S. Senator [Robert Latham Owen](#) from 1939, encapsulates the **brazenly arrogant sentiment of the Rothschilds money lenders**:

**From a letter written by the Rothschild Bros. of London, England, to a New York firm of bankers, June 25, 1863:**

**The few who can understand the system (check money and credits) will either be so interested in its profits, or so dependent on its favors, that there will be no opposition from that class, while on the other hand, the great body of the**

**100 NATIONAL ECONOMY AND THE BANKING SYSTEM**

**people mentally incapable of comprehending the tremendous advantage that capital derives from the system, will bear its burdens without complaint, and perhaps without even suspecting that the system is inimical to their interests.**

It shows a letter written by the Rothschild Bros. Of London to a New York firm of bankers from 1863 in which they distinguish between two classes:

- **those in the know** (who understand the credit system) who profit from the system, and
- the **plebs, or people “mentally incapable” of comprehending the system** who are doomed to **“bear its burdens without complaint”** and are not suspecting of its **“inimical”** (i.e., harmful and malevolent) nature.

Sadly, it could be argued that the vast majority of people today remain in the latter category; for, most don't even know that **the U.S. Federal Reserve is a *private corporation*** that has nothing to do with the government, but is merely a lender to it.

**“War is profitable. The Rothschild family have funded the losers and the winners of all wars since the Napoleonic Wars of 1803 to 1815. They fund both sides so that whichever side wins, they profit. In 1815, Napoleon Bonaparte is campaigning against Wellington. Jacob Rothschild, in Paris, funds Napoleon while Nathan Rothschild, in London, funds Wellington. Soon, the family decides that it is more profitable if Britain wins the war as the British royal family is indebted to the Rothschild family: thus, Jacob limits the funds to Napoleon's army.”**

The passage above comes from author Giorgio Spagnol in his piece [BANKSTERS AND WARMONGERS](#).

Spagnol also provides a *more accurate* account among the various tales of how the Rothschilds heftily profited from the outcome of the [Battle of Waterloo](#) in 1815:

“Knowing that Britain is winning the war, Nathan starts selling off his British bonds in lump sums. Other traders conclude that France must be winning and Britain losing. They also dump their British bonds in large sums. As a result, the price of the bond plummets and becomes very low. Once Nathan sees that the other traders have sold all their bonds, he begins buying them back at ridiculously low prices. When the news reaches the ordinary citizens that Britain has won the war, the value of the British bond rises so high that Nathan makes a huge profit.”

Interestingly, the **Waterloo profiteering account** was dramatised in Boris Karlov’s **1934 film [The House of Rothschild](#)** (at the [01:20:31](#) mark).

<https://www.youtube.com/watch?v=kE9U5j-rITA&t=1h20m31s>

Such kinds of fourberie, including provoking panics or financial crashes, were not reserved to Rothschilds alone and certainly continue to this day.

In this particular case though, it was orchestrated by one of the wealthiest and shrewdest Rothschilds of them all, namely [Nathan Mayer Rothschild](#) (1777-1836).

“**Buy on the sound of cannons, sell on the sound of trumpets,**” is [thought](#) to be the maxim that Nathan Mayer Rothschild coined (pardon the pun) in his day.

Such immoral treachery, some would argue, is never detached from this bankster mindset, no matter which nation they presume to serve and assist.

For instance, descendents of [Mayer Amschel Rothschild](#) – who was born in **Frankfurt** (Germany) and [later became the personal banker of the German royals](#) – would later *betray* **Germany who was becoming an industrial powerhouse prior to World War I**.

First though, it is important to distinguish between members of this elite banking family, for their names often get confused.

In an 1810 partnership agreement, Mayer Amschel created [Mayer Amschel Rothschild & Sohne](#) which gave each of his **five sons** a stake in the enterprise who were each assigned to posts across Europe in order to establish banking houses.

The following image, taken from an [official source](#), helps to illustrate and distinguish the sons and their new operational centers:

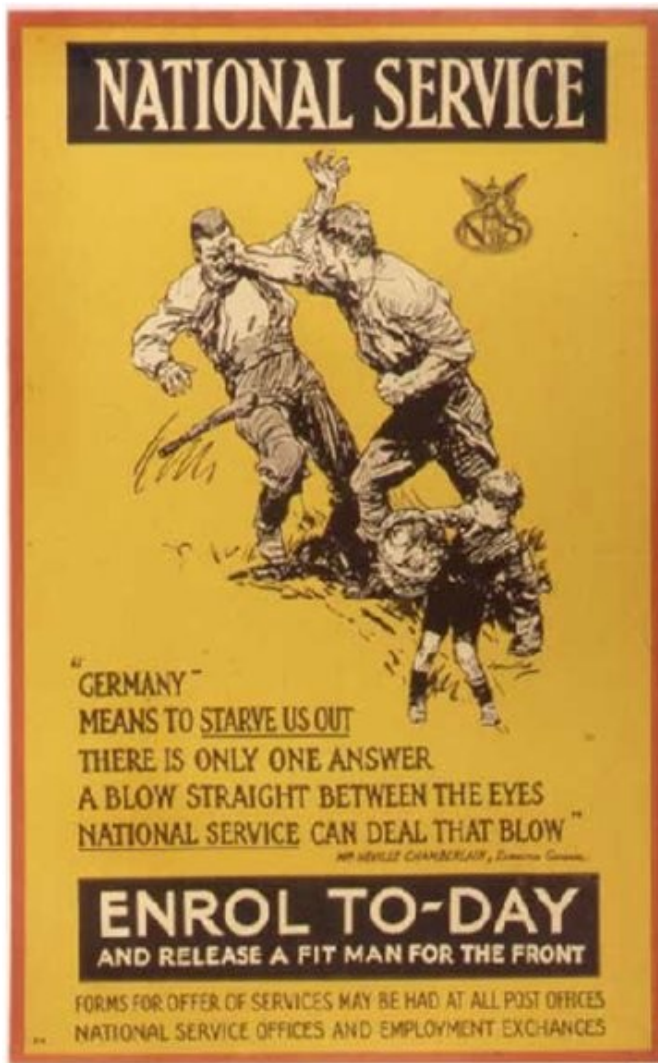

Screenshot of the video [The Rothschild Family and Waddesdon](#) (at the 3:17 mark) showing the five sons of Mayer Amschel Rothschild. Source: [Waddesdon Manor](#) YouTube channel.

The [five sons](#) are:

1. The eldest son **Amschel** (or **Anselm**) **Mayer** (previously Meyer) Rothschild (1773-1855) – not to be confused with his father *Mayer Amschel* – remained in [Frankfurt, Germany](#) ([M A Rothschild, Frankfurt](#)).
2. **Salomon Mayer** Rothschild (1774-1855) was sent to [Vienna, Austria](#) in 1817 ([S M von Rothschild](#)).
3. **Nathan Mayer** Rothschild (1777-1836) was sent to [London, England](#) in 1798 ([N M Rothschild & Sons](#)).
4. **Carl** (previously **Callmann**) Rothschild (1788-1855) was sent to [Naples, Italy](#) in 1821 ([C M de Rothschild & Figli, Naples](#)).
5. **James** (previously **Jacob**) **Mayer de** Rothschild (1792-1868) was sent to [Paris, France](#) ([de Rothschild Frères, Paris](#)).

Getting back to **Germany**, the country wasn't initially involved in [World War I](#), as it had been started between Austria-Hungary and Serbia. Yet, the emerging industrial powerhouse was [seen as an economic threat to Great Britain](#).

*Propaganda posters from WWI depicting Germany as a threat. Source: [Georgetown University library](#).*

Armaments companies financed by Rothschild-controlled banks in Germany, France, England, and Austria, bankrolled all the factions.

After the war, the Treaty of Versailles (June 28, 1919) signed at the French château deprived Germany of **13.5% of its territory** and imposed aggressively unreasonable reparations to be paid – **132 billion gold marks** (more than **\$500 billion today**) which took **92 years to pay off** (with the last payment being made on October 3, 2010).

### The Rothschilds, London, & The U.S. Federal Reserve

Who owns the Fed (the Federal Reserve central bank in the United States)?

A large part of the masses do not know that the United States central bank called the Federal Reserve is actually a *private corporation*.

There are many reasons for this. Firstly, the bank was [designed and created](#) to make it appear as though it was government-related. And the bank's internet address ends with **.gov** which, falsely and deceptively, conveys that it is a *government* organisation even though it is not.

The **U.S. Federal Reserve**, or **Fed** for short became the country's *third* central bank – after the [First Bank of the United States](#) (1791 to 1811) and the [Second Bank of the United States](#) (1816 to 1841) – when it was officially created through the [Federal Reserve Act](#) passed by Congress on **December 23, 1913**.

Despite President Andrew Jackson's warnings and strong stance against the country adopting another destructive private central bank (see quote above), **the *third* bank (the Federal Reserve) was nevertheless structured and capitalised primarily by European elite bankers.**

**Through their interlocking- and cross-ownership stratagem, they maintain *complete* control of the central bank's operations who is the [primary lender to the United States Government](#).**

What complicates matters additionally is that **the ownership of the shares of the Federal Reserve has changed and shifted since its inception.**

As a *private* corporation, **it is difficult to obtain the complete current ownership of the Federal Reserve due to its secretive nature.** This may seem odd to the layperson, as it is commonly believed that this is an institution that [purportedly] serves the interests of the American people.

Nevertheless, back in [2001](#), [Save-a-Patriot Fellowship](#) published a document that answers [who owns the Federal Reserve](#) (alternate links [here](#), [here](#), [here](#), and [this version](#) contains some background information) which includes a **series of charts outlining the labyrinthine web of [interlocking](#) and cross-ownership entities which unmasks the enigmatic entity, arguably one of the most powerful organisations in the world.**

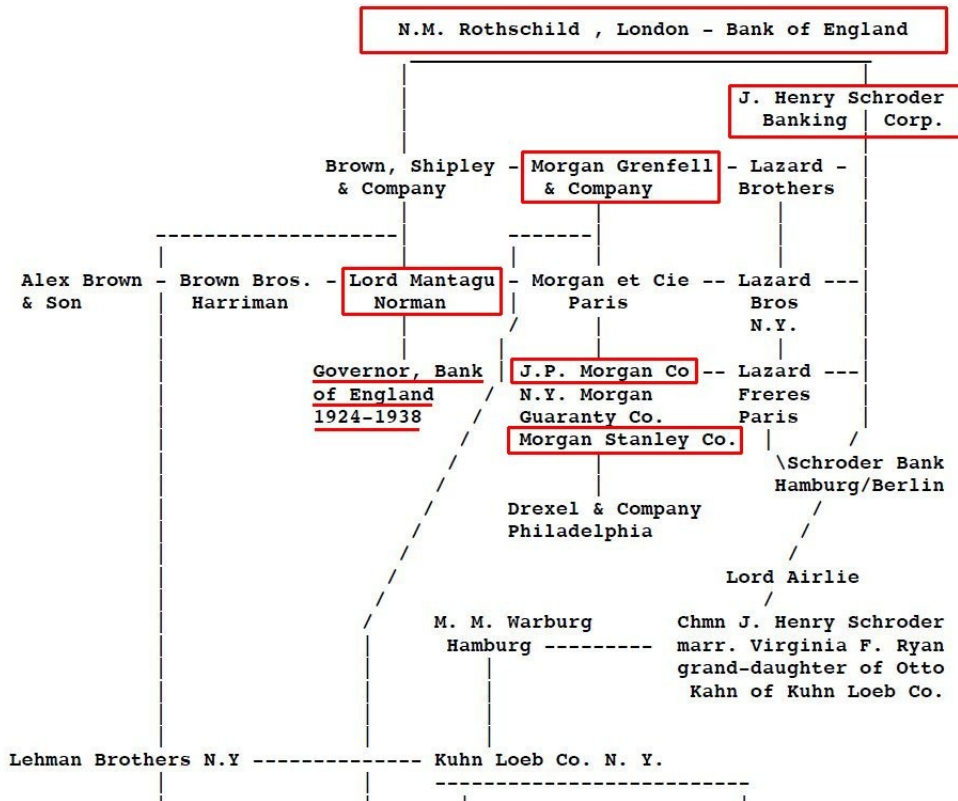

Their charts were partially produced from the [original parties that set up the Federal Reserve](#) and from “more recent” **data** based on **an August 1976 document titled ‘[Federal Reserve Directors: A Study of Corporate and Banking Influence : Staff Report for the Committee on Banking, Currency and Housing, House of Representatives, Ninety-Fourth Congress, Second Session](#)’** (PDF available via the [St. Louis Fed](#), also archived [here](#)).

It should be noted that since the charts were based on **data prior to 1976**, several entities therein have either gone bankrupt, become defunct, or changed names. Nevertheless, even though names have changed and acquisitions and mergers have occurred since, many of the original entities still in existence can be cross-checked with prior owners. The enterprise is one best suited for a forensic analyst or auditor, but can still be undertaken by ambitious and willing persons such as those from [Save-a-Patriot Fellowship](#). [John Titus](#), are you up to the task?

So, let us dive in *just below the surface* to see what the data reveals.

Atop the list of **Chart 1** figures none other than [N.M. Rothschild](#) (of [London](#) – **Bank of England** fame) even though the name of the infamous banking family doesn't even appear in the aforementioned study document:

**Chart 1** (as partially shown above) nevertheless shows *connections* to [London](#), the Rothschilds, and the **Bank of England** via various persons and financial entities:

- [Montagu Norman](#), [Director of the Bank of England from 1907](#), Deputy Governor from 1918, and Governor from 1920 until 1944.
  - [Lord Montagu Norman](#)'s paternal grandfather [George Warde Norman](#) (1793–1882), was a director of the Bank of England from 1821 to 1872.
- **[Morgan, Grenfell & Co.](#)**, was a leading **London-based investment bank founded in 1838 as George Peabody & Company**.
  - [George Peabody](#) took [Junius Spencer Morgan](#) (father of [John Pierpoint "J.P." Morgan](#)) as a business partner in 1854.
  - On the death of Junius in **1890 Pierpont became the senior partner of the London firm** (source: [Morgan Grenfell 1838-1988: The Biography of a Merchant Bank](#) on p. 51).
  - Morgan reorganized in 1895 and became **J.P. Morgan and Company** (source: [Morgan: American financier](#) by Jean Strouse).

- By **1910** all the firm's Morgan family partners were resident in the US and to reflect this the London partnership was restructured with **J. P. Morgan & Co.** in the US assuming a 50% ownership of the London business which was reconstituted as Morgan Grenfell & Co. in recognition of the senior London-based partner, Edward Grenfell (source: [Morgan Grenfell 1838-1988: The Biography of a Merchant Bank](#) on p. 62).
- In **August 1914**, [Henry P. Davison](#), a Morgan partner, travelled to London and made a deal with the Bank of England to make J.P. Morgan & Co. the sole underwriter of war bonds for Great Britain and France. The **Bank of England** became a **fiscal agent of J.P. Morgan & Co. and vice versa**.
- In 1990 it was acquired to become [Deutsche Bank](#).
- **J.P. Morgan & Co.** was founded well before the creation of the Fed.
  - A [National Archives' Money Trust Diagram from February 25, 1913](#) shows **its extensive affiliations with the [National City Bank](#)** (the bank for [Standard Oil](#) at the time, *now called [Citibank](#)*), **[First National Bank](#) (of New York), [Guaranty Trust Co.](#), and [Bankers Trust Co.](#)**, and ownership in large corporations such as the **[United States Steel Corporation](#)**.
  - A few years after the [Wall Street Crash of 1929](#), the [Glass-Steagall Act](#) forced the outfit to separate its investment banking from its commercial banking operations which spawned **[Morgan Stanley](#)** from 1935.
  - In 2000, Chase Manhattan Bank merged with J.P. Morgan & Co. to become **[JPMorgan Chase & Co](#)** (source: [The History of JPMorgan Chase & Co. 200 Years of Leadership in Banking](#)).
  - As of now (2023), **JPMorgan Chase & Co. is the [largest bank in the U.S.](#) with over \$3.8 trillion in assets** (*Morgan Stanley is #6 on the list with 1.6 trillion in assets, and Citigroup – the owner of Citibank – is listed as #3 with \$2.4 trillion in assets*).
- **J. Henry Schroder Banking Corporation** was formed in New York in 1923.
  - J. Henry Schroder, or [Johann Heinrich Schröder](#) to be more precise, became a partner in **J.F. Schröder & Co**, the **London-based firm** of his brother, Johann Friedrich (John Frederick), founded in 1800.
  - During the **American Civil War**, Schroders issued £3 million in bonds in 1863 for the Confederacy (source: [The Guardian: Dynasty: a tale of money and power, 18 Jan 2000](#)).
  - Today, **Schroders** is a British multinational asset management company headquartered in London, England with operating revenue of about **£2.9 trillion** (2022).

In Chapter 6 – [The London Connection](#) of Eustace Mullin's [Secrets of the Federal Reserve](#) (PDF link [here](#)), the author remarks that **the Federal Reserve System** (with its 12 “regional banks”) is **merely a deception** – even with the [Federal Reserve Bank of New York](#) commanding its financial power as the one that sets [monetary policy](#); for, he contends that this in itself is a fallacy **since ownership in the three largest banks that own the Federal Reserve Bank of New York actually lies with London entities**:

**“We might believe in this autonomy if we did not know that the majority stock of the Federal Reserve Bank of New York was purchased by three New York City banks: First National Bank, National City Bank, and the National Bank of Commerce. An examination**

of the principal stockholders in these banks, in 1914, and today, reveals a direct London connection.”

Mullins clarifies **these London entities as “merchant banking firms of London” who “actually control the New York banks which own the controlling interest in the Federal Reserve Bank of New York.”**

Put simply, **since the London entities own the majority of stock in the three New York banks – First National Bank, National City Bank, and the National Bank of Commerce, they are really the ones who dictate monetary policy for the Federal Reserve of New York.**

### **What other banking families/dynasties own the Federal Reserve?**

Apart from the names and entities that figure in Chart 1 above, several other prominent names figure among the **wealthy elites (and their heirs and family ties) that have controlling interests in the Federal Reserve**, namely:

- The [Lazard](#) brothers (formerly Lazard Frères & Co.) which had operations in the U.S., Paris, and London and still operates [today](#) with investment banking, asset management, and financial services;
- The [Warburgs](#), notably **Paul** – the leading member of [M.M. Warburg & Co.](#) founded in 1798 (which still operates [today](#)) and the [second Vice Chairman of the Federal Reserve](#), [Felix](#), and [Max](#) who was an adviser to [Kaiser Wilhelm II](#) and served as a Director of the German [Reichsbank](#));
- [Kuhn & Loeb](#) ([Abraham](#) Kuhn, [Solomon](#) and [James](#) Loeb, and [Jacob Schiff](#)) which had merged with and was succeeded by [Lehman Brothers](#).
- The [Rockefellers](#), including but not limited to:
  - [John D.](#) (of [Standard Oil](#) fame who also founded the [Rockefeller Foundation](#) with his son of the same name);
  - [John D. Jr.](#),
  - [Nelson](#) (41st Vice President of the United States under Gerald Ford),
  - [David](#) – who was a leading banker serving for over 20 years as CEO of [Chase Manhattan bank](#).

[Paul Warburg](#), born in Germany, had emigrated to the United States, married Nina J. Loeb (the daughter of Solomon Loeb), was a key member of influential bankers that met at [Jekyll Island Conference in 1910](#) with his [co-conspirators](#) to devise the Federal Reserve, and was its second Vice-chair, as mentioned previously.

[Paul Warburg](#) was recognised as a **Rothschild agent**, as were [August Belmont I](#) (founder of the [Belmont Stakes](#) third leg of the Triple Crown of American Thoroughbred horse racing) and his son [August Belmont II](#), among many others.

An entire post would be required to outline the **interests and connections of the Rockefellers**.

But, suffice it to say that similar to the Morgans **they have enjoyed numerous controlling interests in the Federal Reserve, particularly through their interlocking relationships with the other entities that own the private [central bank](#) (see [Charts 2 to 5](#)), along with ties to the Rothschilds and other European banking clans.**

It must not be forgotten that it was **John D. Rockefeller Jr.** Who was [instrumental](#) in the formation of the [United Nations](#) (infamous for its **Agenda 2030** and its **Sustainable Development Goals**, or **SDGs**) having [donated the land](#) along the East River in Manhattan which now serves as the location of its [headquarters](#).

In addition, in the early 20<sup>th</sup> century the Rockefellers showed their penchant for [eugenics](#) through the **Population Council** that was founded by **John D. Rockefeller III**.

In 2010, the Rockefeller Foundation also demonstrated its [Bill Gates-esque](#) precognitive psychic abilities, predicting the **Covid-19 Pandemic** through its **Lockstep Simulation**.

While many would argue that the Rockefellers and their foundation have done good over the years – which it has, some of its [dubious endeavours](#) ought not to be forgotten.

For more on the Rockefellers, the reader is invited to consult the 1968 book by Emanuel M. Josephson called **The Federal Reserve Conspiracy & Rockefellers, Their Gold Corner** (PDF version available [here](#)).

In addition to the mentioned powerful families, others should also be considered. For this, the reader is invited to read a five-part series titled **The Federal Reserve Cartel: The Eight Families** by Dean Henderson.

### **Are the Rothschilds still as powerful and influential today?**

The [Rothschilds](#) are arguably not as powerful in the 21<sup>st</sup> century as in the former three centuries (relatively speaking), in large part due to many other financial behemoths and oligarchies commanding nation states. But, they remain formidable players not just in banking and finance, but in various industries such as mining as well as in other areas of business.

The Rothschilds of today are low-key and tend to avoid, [as much as they can help it](#), being in the [public spotlight](#).

[They](#) were responsible for [fixing the price of gold](#) for [over a century until 2004](#).

Here are but a few of its **key entities** through which the dynasty oversees a significant amount of assets spread [across the world](#):

- **Rothschild & Co** (*rebranded* from **N M Rothschild & Sons** in 2011), [www.rothschildandco.com](http://www.rothschildandco.com)
  - **Five Arrows** (**Merchant Banking** / Alternative Assets in London, Luxembourg, Paris, New York, San Francisco, and Los Angeles)
  - **Rothschild Martin Maurel**
- **Edmond de Rothschild Group** based in Geneva, Switzerland with **Ariane de Rothschild** as its CEO, [www.edmond-de-rothschild.com/en/group/presentation](http://www.edmond-de-rothschild.com/en/group/presentation)
  - Edmond de Rothschild Foundations, [www.edmondderothschildfoundations.org/en](http://www.edmondderothschildfoundations.org/en)

They have controlling interests in too many corporations to name here, but include the likes of:

- **RIT Capital Partners** (formerly **Rothschild Investment Trust**) in London
- **Rabobank** in the Netherlands
- The mining giant **Rio Tinto**
- **Glencore**, a Swiss multinational commodity trading and mining company
- A 40% stake in **The Economist Group** (famous for its magazine **The Economist**)
- A 37% stake in **Rockefeller Capital Management** through **RIT Capital**.
- Several **Canadian corporations held by the Rothschilds** are also listed near the end of this post.

The Rothschilds also have remarkable **Art Collections** and **Properties**, including many **family estates** and **residences, country houses** – including **Waddesdon Manor, hotels, châteaux**, and **more** some of which are concerned with the production of **fine wines**.

**Welcome to Newfoundland and Labrador, Canada – bought to you by the Rothschilds**

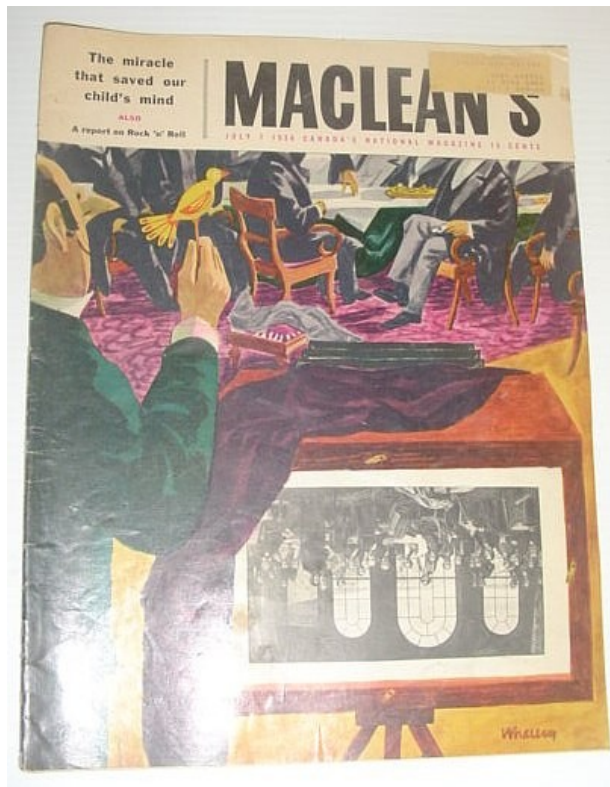

**Map of Canada showing Newfoundland and Labrador (in red).**

Here's one they haven't taught us in our Canadian history classes (*at least not in my schooling*)...

Most people don't know that **Canada's 12<sup>th</sup> province, Newfoundland and Labrador** (which joined the Confederation on March 31, 1949), was essentially **established for exploitation by a Rothschild-led syndicate** called the **British Newfoundland Development Corporation** (called **Brinco** since 1971) **to undertake mineral exploration and extraction.**

The concept for the **British Newfoundland Development Corporation** was *conceived* in 1952 by the province's first Premier **Joey Smallwood**, *influenced by* none other than **Sir Winston Churchill** and **Anthony Gustav de Rothschild** (then head of the giant **N M Rothschild & Sons**), and *realised* by a **consortium** headed by **N M Rothschild & Sons** which also included British mining behemoths **Anglo American PLC** and **Rio Tinto Company Limited**, among others.

As was reported by **Maclean's magazine** (the Canadian equivalent of Time magazine) **on July 7, 1956**, the deal was long in the making, secretive, and exploitative.

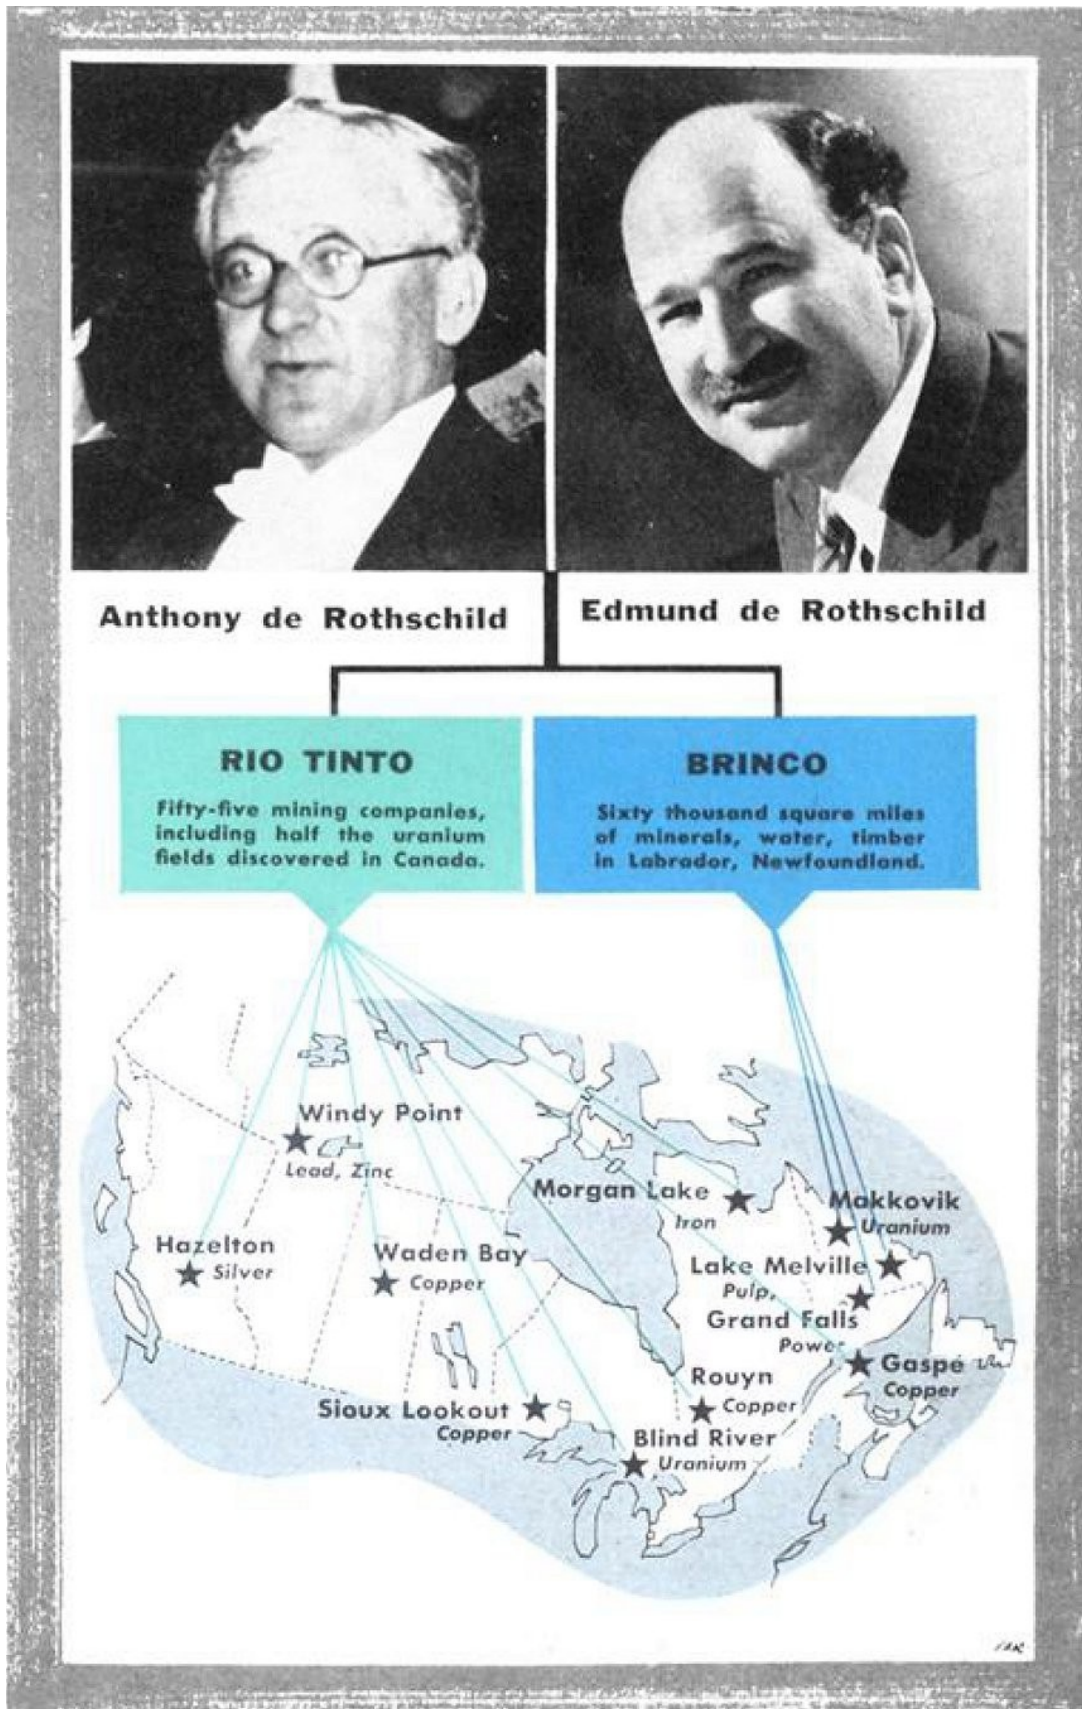

**Maclean's Magazine, July 7, 1956** which features a six-page article titled **'The Rothschild's Fabulous Stake in Canada'**. A copy of this edition is currently on sale for **\$499.95**. The entire magazine can be viewed [here](#) along with a **French translation**. Image source: [RareNonFiction.com](#).

A complete **French translation of the article** is available online which also features a viewer to **browse the entire edition**.

Moreover, the following image appears on the first page of the article:

Here are some **key excerpts** from the long and descriptive article that provides illuminating insights into the modus operandi of the Rothschild dynasty [note: as this article seems to have been produced from a scan of a print edition, **many misprints have occurred – which are left as is**, and also with some **emphasis added for relevancy**; in addition, some *author notes (in italics)* and **hyperlinks are inserted** for additional context]:

“Like thousands of other Canadians who do not realize it, the **members of this Arctic caravan were working for N. Ni. Rothschild & Sons, the world's most powerful private bank, which has during the past four years cautiously and secretly acquired a huge stake in Canada.** The ore was being brought out from deposits owned by **Oceanic Iron Ore of Canada Ltd.** for trans-shipment to metallurgical laboratories in Montreal after spring breakup. Oceanic is a subsidiary of *Technical NI Inc Consultants Ltd.,* which in turn is **owned by Rio Tinto Mining Co.**

**The Canadian empire of the Rothschilds** now includes:

- **An area bigger than England and Wales** containing nearly all the **unstaked mineral and lumber resources of Labrador and Newfoundland.** **Uranium deposits** which could be **the continent's largest** have already been found in this area...
- **A substantial interest in the Rio 1 into group of fifty-five Canadian mining companies** with **shafts and claims in seven provinces.** These properties include three quarters of the Blind River district's known uranium reserves, and mills that **may eventually produce one million dollars worth of uranium a day.**
- **A cluster of companies across Canada...**
- **Nine hundred acres just twenty miles west of Toronto City Hall on which Rothschild money is building an entire new town.**

**The Rothschilds do not associate their name with any of these enterprises.**

Few if any of their Canadian customers are aware that **they are dealing with the same family that financed Britain's purchase of the Suez Canal and underwrote Cecil Rhodes' development of the prodigious De Beers diamond fields in South Africa.**

The **Rothschild invasion of Canada** had its genesis **four years ago [in 1952]** during a luncheon in the private dining room of the family bank in London. The host was **[Anthony de Rothschild](#)**, the firm's senior partner. The guest of honor was **[the first Premier of Newfoundland] [Joseph Smallwood](#)**, who was stumping Europe for risk capital to develop Newfoundland and Labrador. Six months of negotiation followed. **Smallwood offered to close all remaining crown lands in the province to prospectors so that the Rothschilds could choose a fifty-thousand-square-mile concession out of the seventy-one thousand unstaked square miles of Labrador and half of Newfoundland's unstaked twenty thousand square miles.**

**All mineral, power and lumber resources of the concession** (which would gradually

decrease to one third the size as useless ground was explored and discarded) **would belong to the Rothschilds. In return. Smallwood demanded** that the Rothschilds spend five million dollars exploring the territory over a period of twenty years and **pay the provincial government an eight-percent royalty on profits.**

The **offer granted domain over three times as much territory as is held in Labrador by the [Iron Ore Co. of Canada](#) [57% owned by Rio Tinto]**, which is now developing iron-ore deposits at Knob Lake. It was **taken up by a syndicate made up of thirty of England's largest companies and a few Canadian investment houses, headed by N. M. Rothschild & Sons.** Assets of the partners in the bold new enterprise, called **British Newfoundland Corporation** (and soon nicknamed "[Brinco](#)") **exceeded five billion dollars—more than the Canadian government's entire annual budget.** Smallwood claimed it was "the biggest real-estate deal on this continent in this century." **Sir Winston Churchill called the scheme "a grand imperial concept."**

While [Malcolm Hollctt](#), member of **Newfoundland's Progressive Conservative opposition**, was still attacking passage of the bill to authorize the huge concession. Brinco was setting up exploration headquarters at North West River, a small settlement near Goose Bay. Canada's greatest game of geological hide-and-seek was under way.

**Brinco** crews also **uncovered significant iron-ore, titanium, copper, lead, zinc, nickel, asbestos and colombium deposits, and outlined nearly twenty million cords of virgin timber**—the basis of a possible pulp-and-paper industry at Goose Bay, fed by a new railroad opening up the Labrador interior.

Besides holding the huge Labrador and Newfoundland concessions, **the Rothschilds have an equally significant, though quite separate, interest in the Rio Tinto Co., of London.** This huge U. K. mining trust formed a partnership with Joseph Hirsh-horn's gilded Canadian mining ventures to establish the [Rio Tinto Mining Co. of Canada](#), a sixty-three-million-dollar group of uranium, gold, copper, silver, lead and zinc mines, with important properties in many Canadian mining districts.

Through their separate holdings in Brinco and Rio Tinto, the Rothschilds now have a major interest in nearly forty million acres of Canada's most promising mining country.

Canadians have [since 1892](#) been buying casualty and fire insurance from the Rothschilds through the Toronto, Montreal and Vancouver branches of the **Alliance Assurance Co. of London** [now the [iA Industrial Alliance Group of Canada](#)], a subsidiary of their English insurance operation. While not ranking among Canada's largest insurers, **the company now covers risks in Canada worth more than five hundred and fifty million dollars** [*author note: in 1958 dollars*].

Three years ago, with other European investors and some private Canadian capital, **the Rothschilds established a Montreal investment company called [United North Atlantic](#)**

[Securities Ltd.](#) [*author note: see also [The New York Times BRITISH-AMERICAN TRADE Basis for Mutual Understanding supplement](#) sent by P.R. legend [Edward Bernays](#) to [CIA Director Allen Dulles](#) which mentions this company.*]

There is speculation also that the Rothschilds may help develop a gold market in Canada. Long-standing restrictions on private gold trading were scrapped in Finance Minister Harris' last budget and anyone can now buy, keep and sell gold. As gold-sales agents of the Bank of England (the exclusive clearing house for the South African gold output) the Rothschilds are the world's most influential private gold dealers. They employ two hundred in their own mint at London, which can refine a million pounds' worth of the precious metal a day [*author note: adjusted for inflation, would amount to [£28,811,467](#) per day*].

All important visitors are screened by [Edmund \[Leopold\] de Rothschild](#), a quick-witted, friendly financial wizard who is tremendously interested in Canada and eagerly questions businessmen from this side of the Atlantic about this country's prospects. He visited Newfoundland in 1952 and Montreal in 1953, and has since made semi-annual inspection tours of the bank's Canadian properties.

The Rothschilds still rely on private agents they appoint in every country, [their chief Canadian agent is Ronald I. Smith, an intellectual walrus-mustached Englishman who runs a small Toronto brokerage house. He trades stock for the Rothschilds and their customers and reports on Canadian business trends.

Anthony, the present banking power of the Rothschilds, alone knows exactly how many of the family's millions will eventually be committed to Canada. He is an unemotional, ultraconservative banker who seldom makes predictions. But referring to his Canadian investment through the British Newfoundland Corporation, he has said: "I here was the De Beers diamond mine, then the loan that helped Disraeli buy the Suez Canal. Now this. This could be the biggest project of them all."

It would be interesting to know how many billions of dollars worth of natural resources were banked by the Rothschilds and their foreign partners from these operations over the past several decades.

Apart from the excerpted passages from above that relate to Canada, the Maclean's article is quite special in that it offers us some titillating insights into the extravagances and business acumen that characterize members of the enigmatic Rothschild family.

Here are some rare glimpses that we seldom get from present-day media publications:

**"Rothschild money built most of western Europe's railroads, their banks controlled a petroleum, diamond, mercury and copper empire of incredible proportions. They backed Cecil Rhodes when his De Beers Mines acquired most of the fabulous Kimberley diamond**

**field. Rothschild banks were the exclusive financial agents for the Russian Empire, the Vatican. Brazil, Chile and half a dozen other countries.**

Many modern financiers have tried to reconstruct the forces that inspired the unmatched money-making instinct\* of the Rothschilds. Part of their success was based on the progressive methods they introduced to the primitive banking system of their day. **They were the first to use widely the now-taken-for-granted procedure of remitting funds from one country to another through letters of credit, without the physical transfer of coinage.**

**The typical reaction of a Rothschild receiving private news likely to raise the price of a stock was to rush into the Exchange and sell all his holdings. As the news spread that Rothschild was selling, brokers quickly followed his example, sinking the issue's price. Meanwhile agents secretly employed by Rothschild bought up the shares at their ebb quotations, to resell them when the market reacted to the favorable news Rothschild knew was on the way.**

**(ould Napoleon lose?**

The success of such manoeuvres depended on being the first to receive important business information. Because mail moves at the same speed for everyone, the Rothschilds set up their own **carrier-pigeon network and operated speedy trans-Channel packets, whose captains had strict orders to convey important messages regardless of weather.**

**The British government had been previously informed that the French were winning. Word had leaked to the London Stock Exchange, brokers stampeded to sell. Nathan Rothschild reported the news to the Foreign Office, but wasn't believed. Meanwhile his brokers had bought up the securities panicked investors were throwing into the market. When news of victory was confirmed quotations sky-rocketed.**

Another ingredient of Rothschild success has been the **family's policy of intermarriage**. In his, according to the Rothschild creed, is good economies. You don't have to share secrets that way —and dowries and bequests stay in the family. Besides, only a Rothschild, they claim, is really fit to bear a Rothschild. Of the fifty-eight marriages contracted during their first century of prominence, exactly half were between first cousins...**"It's not that we're clannish," Victor, the present Lord Rothschild, once explained, "it's just that Rothschild men find Rothschild women irresistible."**

The family separated in 1798. While Amschel, Meyer's eldest son, stayed to look after affairs at home, Nathan went to England. **Carl to Italy**. James to Paris and Solomon to Vienna...**Carl became financial adviser to the Pope.**

The charter house at Frankfort was closed in 1901. The **Viennese Rothschilds became influential but Hitler's 1938 annexation of Austria permanently closed the business.**

**Among the Paris family's main achievements were construction of many French and Belgian railroads and the historic guarantee of the five-billion-franc debt to Germany after the war of 1870. After the fall of France in 1940. Baron Edouard de Rothschild, head of the French bank, arrived in New York carrying a satchel containing a million dollars' worth of diamonds which he described as "a mere bagatelle."**

But in 1804. **Nathan Meyer**, the third son and genius of the family, **established N. M. Rothschild & Sons in London**. This bank's transactions (which now also include the huge Canadian investment) first pushed the family into the highest league of international banking, and have kept up its leadership through four generations.

**Nathan's initial capital consisted largely of the six hundred thousand pounds sent to England for investment by Wilhelm**, the Elector of Hesse-Cassel, at the advice of his financial counselor—Nathan's father. **His first major deal was the smuggling of a million pounds' worth of gold into Spain past Napoleon's continental blockade, to provide (at a handsome commission) the Duke of Wellington with funds to provision his troops.** The House of Rothschild matured quickly, specializing in foreign loans, a then unexploited, risky but profitable business. **Nathan eventually became England's richest citizen.** He **hired Mendelssohn to teach his daughter music and bought her a harp of pure gold.**

Nathan's son **Lionel** tamed the bank's functions, but demonstrated typical Rothsehildean boldness in 1875, when Prime Minister Disraeli had found out that Khedive Ismail Pasha, the debtridden ruler of Egypt, was trying to sell his 177,602 shares in the **Suez Canal Company**. French financiers also wanted to buy the stock. Disraeli had no time to call parliament to sanction expenditure of the necessary four million pounds. Rothschild was eating grapes in his office when Monty Corry, Disraeli's secretary, burst in to ask for the loan. Lionel ate one of the grapes, spat out the skin, and said: "You shall have it."

Except for their charity projects, the Rothschilds did little to gain popularity...**Their riches did little to ease the Rothschilds' entry into aristocratic society, which could not forgive their ghetto origin,"**

Those were some enlightening excerpts and the reader is certainly invited to consult the [full article](#) from [Maclean's](#).

### **The Fed is broke!**

To finish off this very long section (and post), it should be noted that **technically speaking, the U.S. Federal Reserve is now broke according to its own records.**

The following [video](#) produced from [Matthew Kratter](#) from [Bitcoin University](#), illustrates how the private central banks is actually **bankrupt** according to [its own data \(from October 26, 2023\)](#):

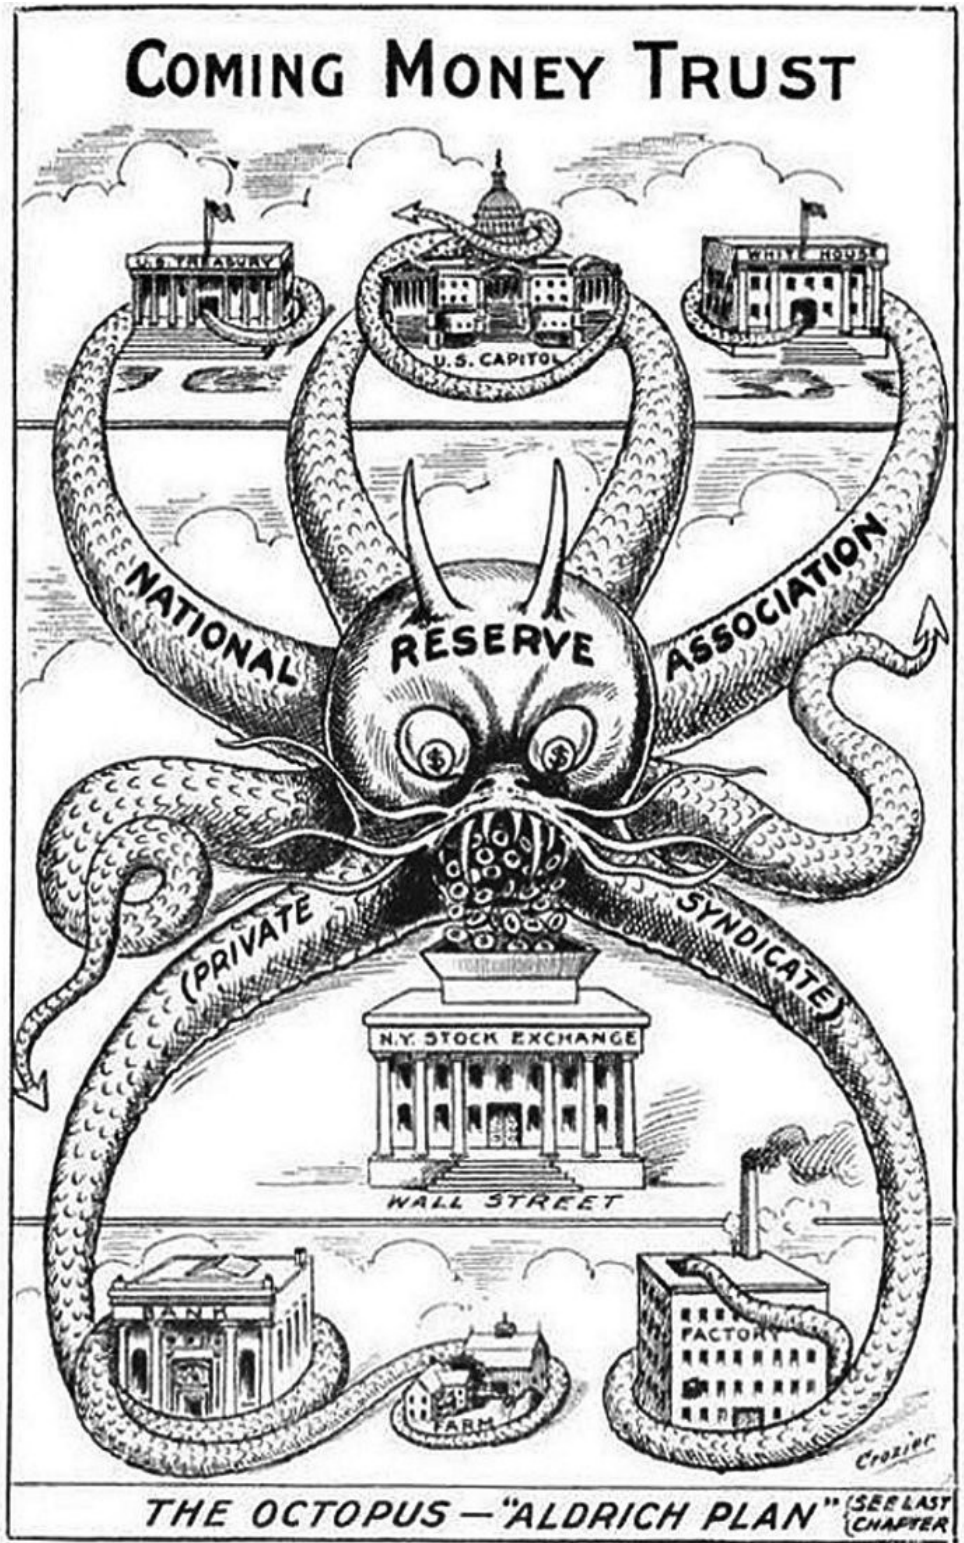

<https://www.youtube.com/watch?v=VYzVi0zyJFw>

Keep in mind that in the event of a major banking crisis, the Fed is [supposed to be] the lender of last resort. But *without* any actual reserves, how will they be able to replenish cash reserves should member banks come a knocking?

## Introduction to Part 2

*Paradise Lost: Satan in Council – Engraved drawing by French Artist Gustave Doré (1832-1883) depicting Satan (Lucifer) in Pandaemonium (the capital of hell) summoning the rebel angels.*

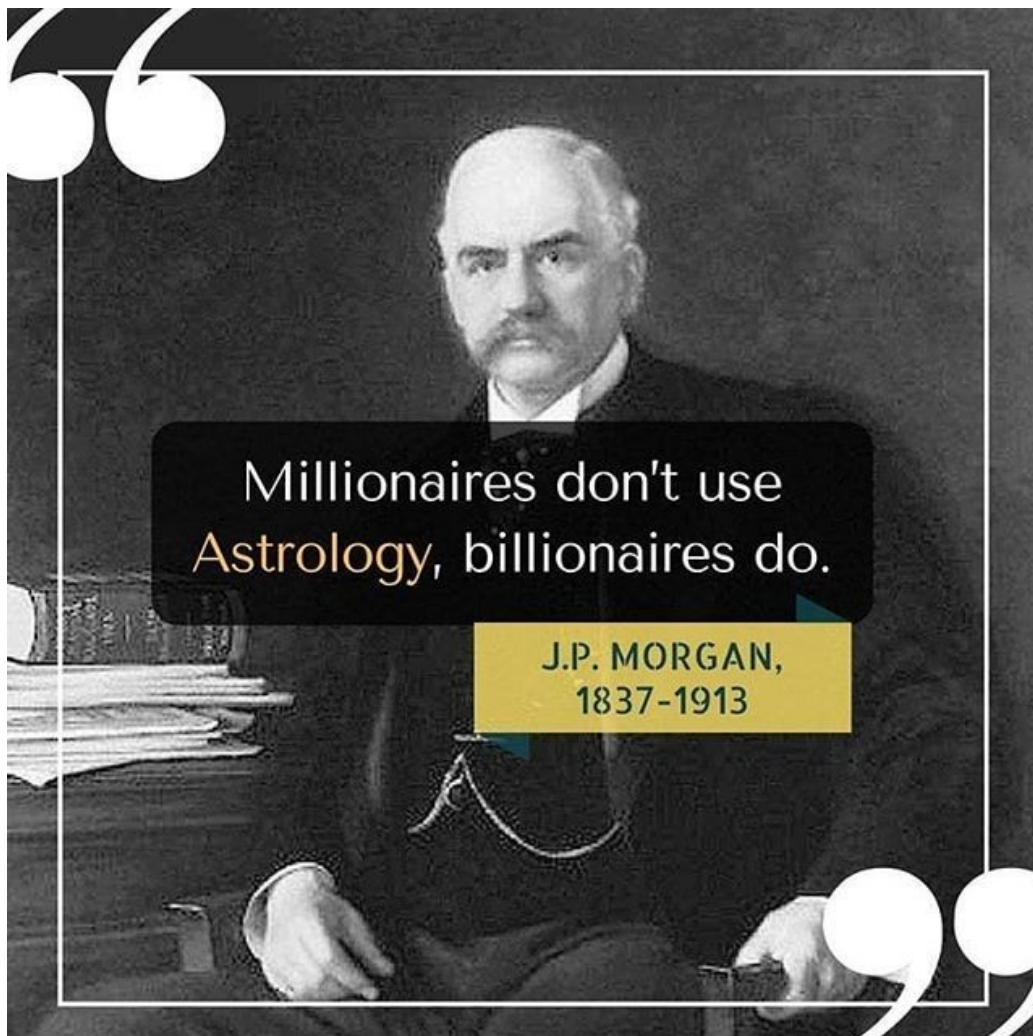

In order for the reader to **better understand the level of evil that is embedded in the dark powers that currently rule over the masses, an examination of *who they worship*** is in order; for, integral to their fundamental beliefs lies a particular set of values that drives their ambitions and methods of madness.

Doing so will require a **brief historical and theosophical survey**.

Notice that I chose the word ***theosophical*** rather than theological. I chose the former because it is more precise for our task at hand even though we will be touching on some aspects of biblical theology. The Online Etymology Dictionary defines [theosophy](#) (note: *theosophical* is the adjective form of the word), as “**knowledge of divine things obtained through mystic study.**”

Since we would like to better understand the **divine entity or entities that these rulers worship and seek to obtain mystical powers from**, we must examine their arcane methods, or mystical ways.

Here's a taster:

The quote from [J.P. Morgan](#) from above is seldom referenced or cited. But it nevertheless speaks volumes.

The use of [astrology](#) (the divination of the influences of stars and planets on human affairs and terrestrial events) has been around since the earliest civilizations such as with the [Sumerians](#).

Astrology is but one method or form of [divination](#) that has been employed throughout the ages **to seek superiority.**

One such example includes that of [John Dee](#) who was the **court astrologer for [Queen Elizabeth I](#).**

The practice of astrology was not seen as a kind of quack or pseudo science as it is today. At the time, John Dee was one of the most preeminent scholars and scientists in Europe. His [divination methods](#), however, were perhaps more controversial. With the help of his partner [Edward Kelly](#) (born Edward Talbot) a well-known [scryer](#), Dee made several [successful attempts to communicate with angelic beings](#) through various methods.

Dee, a true polymath, also practised [alchemy](#) and advised Holy Roman Emperor [Rudolf II](#) of [Bohemia](#) on the matter.

***John Dee Performing an alchemical experiment before Queen Elizabeth I (painting by Henry Gillard Glindoni).***

As none of us are billionaires like the former J.P. Morgan, Nathan Rothschild, and current Bill Gates, George Soros et al., we certainly don't have the same *mindset* as they do, and aren't "wired" like they are.

So, in order to better comprehend them and understand *how they see the world*, we must attempt to observe which *system(s) of belief* they espouse, along with the *methods* they employ to gain power.

To do this, we must first **contemplate some *divine origins***.

And though not the only source on the subject, the [Bible](#) nevertheless serves as a prime tool of reference. The [Book of Enoch](#), an ancient Hebrew text, is also invaluable in this respect.

## The Synagogue of Satan, a closer look

Before looking further into Satan, a **distinction must be made between the names *Satan* and *Lucifer*** along with their precise and respective meanings.

The Bible says that [Satan](#) was created by God as a [cherub](#) (*cherubim* for plural), a [high-level angel](#).

### What is an angel?

An [angel](#) is a *pure spirit* created by God.

Angels are *incorporeal* (spiritual) and *eternal* beings that were created to act as [instruments of God's will](#) on Earth.

In the Old Testament of the Bible, angels are [sometimes](#) referred to as 'morning stars,' or at times 'stars in the sky.'

Once of these morning stars is **Satan**.

**Satan had been created as a perfect being full of wisdom and perfect in beauty, but carried an overabundance of [pride](#) which corrupted his wisdom by reason of his splendour and pronounced himself as God (see [Ezekiel 28:12-18](#)).**

Some time after his creation and before the creation of mankind, [Satan](#) (referred to as a [red dragon](#) in the New Testament) **rebelled against God and was cast down by him taking [one third of the angels](#) (now referred to as **demons**) with him into rebellion.**

Illustration by [Gustave Doré](#) for Milton's *Paradise Lost* depicting the fall, or banishment of the angel Lucifer (Satan) from heaven.

On a related side note of importance, it should be observed that 33 (one third) is an important number in Freemasonry (more on this topic later).

Satan **challenged the Throne of God**, particularly when **he took the form of a serpent (שׁוֹרֵפֶת *Nachash* in Hebrew) in the **Garden of Eden** in order to **tempt** Eve and Adam – the first human inhabitants on Earth – to **eat from** the forbidden **Tree of Knowledge**.**

Two things of importance took place from this infamous event. First, Satan **tricked them** into believing that they could **be like God**, for they would **gain knowledge** of both **good and evil**; he **concurrently encouraged *disobedience from God*[’s will]**, thus introducing **sins, or a sinful way of life** in humans.

Having eaten from the **Tree of Knowledge** is also of particular significance here; for, it implies ***death*** – not in the physical sense, but in the spiritual or carrying on of the eternal soul (to heaven) sense. In other words, Satan is **tricking humans to disobey God**, thus foregoing their chance for an eternal existence.

As Satan is banished to hell and can never return to heaven, he seeks to bring humans along with him.

Satan, as an eternal spiritual being, **continues his rebellion and hatred for God to this day**. He is often referred to as the **devil**.

<https://www.youtube.com/watch?v=FuCW8UT5y6c>

**Satan has always wanted humans to worship *him* instead of God.**

That is also why he **tempted Jesus Christ** (God who took the form of a human being) who had come to Earth to absolve mankind of their sins.

*Temptation of Christ*, a painting from 1872 by Russian artist Vasily Surikov.

The devil cannot bear humans beings returning to the [state of grace](#) and the [glory of God](#).

And so do those who worship him.

Lest we forget the **Antichrist**.

Apart from Lucifer, Satan, and the devil, we must not forget another important figure that is central to this team of darkness, namely the [Antichrist](#).

In Christian and Islamic theology, the Antichrist **refers to people prophesied by the Bible that oppose Jesus Christ and substitute themselves in Christ's place before his [Second Coming](#) (to Earth).**

As for the *timing* of his return, it is said that it will not occur until the end of the seven-year [Tribulation](#).

As for the *signs* of his coming, this author mentioned in [Part 1](#) of this series the passage in [Matthew 24](#). When Jesus' disciples asked him what would be the signs of his [second] coming to Earth during the "end times" period, he [stated](#) several events. First, that **they should not be fooled** and that during the Great Tribulation period, the **devil will [deceive](#) the entire world into worshipping him in the form of the end time Antichrist.**

It is also [said](#) that Jesus' Second Coming will happen at the [Battle of Armageddon](#).

**Armageddon.**

Sound familiar?

In 1998 Hollywood made a [movie](#) of the [same name](#) starring Bruce Willis and Ben Affleck whereby a large asteroid is about to hit the Earth.

Predictive programming aside, what is perhaps more telling, however, is the [etymology](#) of the name Armageddon.

**"And the demonic spirits gathered all the rulers and their armies to a place with the Hebrew name Armageddon,"** reads [Revelation 16:16](#) in the Bible.

**Har-Magedon** is the [Hebrew name](#) which actually refers to a specific geographic region in **Palestine** ([Canaan at the time](#)) which is more commonly referred to as [Megiddo](#).

Megiddo was a [key passage between Egypt and Mesopotamia](#), saw many [battles](#), and **became occupied by the Israelites**. The city of Megiddo dates back roughly 8,000 years and nothing is left but the [ruins](#) of what once was a regional administrative and [military center during the reign of King Solomon](#), according to the [Jewish Virtual Library](#) project.

A [sacrificial altar](#) was also located at [Megiddo](#).

Today, [Megiddo sits just atop](#) of the [West Bank](#) in Israel, a location that is, yet again, ripe for conflict given the ongoing Israel-Palestine conflict.

Coming back to the Antichrist, the **cover image for this post depicts a figure resembling Jesus Christ, but who is in fact a deceiver, the Antichrist**, in which we can see **another figure with devil horns (Satan) whispering advice into his hear on how to further mislead the onlooking followers**.

Here is the painting – [The Preaching of the Antichrist](#), by Italian Renaissance-era painter [Luca Signorelli](#) (click the image for a [more detailed version](#)):

The magnificent fresco painting, which was painted between 1499 and 1502 is located in the [Chapel of San Brizio, Duomo, Orvieto \(Italy\)](#) offers a colourful and chaotic scene whereby the righteous and unrighteous are intermixed together.

The dark figures on the upper right are shock troops. Lynchers slit the throats of the righteous in the foreground in which also appears a woman prostituting herself to a rich merchant.

The Jesus-like figure is offered gold treasures at his feet which, indicating to us that he is the **false prophet**.

The detail is so fine, that we can barely tell whose left hand is attached to the Antichrist; is it the devil's or the false prophet's?

Similar to how [Michael the Archangel](#) cast Lucifer and his follower angels out of heaven (Revelation 12:[7](#),[8](#),[9](#)), he is depicted in the upper-left hand side thrusting his sword of divine justice towards the false messiah, banishing him once again back towards his hellish dwelling.

Over five-hundred years later, **the painting serves as a reminder to humanity about the snares and deceptions of the devil.**

We are not to believe false prophets who claim to be the bearers of light and goodness, as they represent a false god that ought not be revered, nor worshipped.

Sadly though, too many in our society do, including the bankster gangsters and their acolytes and foot soldiers.

## Lucifer, the Light of the World

Though bible scholars clearly affirm that *Satan* and *Lucifer* [are not the same entity](#), they have nevertheless come to be synonymous with one another for a variety of reasons.

The name *Lucifer* comes from Latin *lucern ferre* which means 'bring to light' (bringer or bearer of light).

The only time the name Lucifer appears in the Bible is in [Isaiah 14:12](#):

**"How art thou fallen from heaven, O Lucifer, son of the morning! how art thou cut down to the ground, which didst weaken the nations!"** [King James Bible]

In Hebrew, the morning star is [הֵילֵל \(hê-lêl\)](#) which is considered an epithet of either the **King (or dynasty) of Babylon** or the shiny planet **Venus**.

These add to the increasingly confusing interpretations of the name Lucifer.

The Church of Jesus Christ of Latter-Day Saints, or Mormon Church, has an interesting take on the **Lucifer–Babylon connection** [with **emphasis added**]:

"Isaiah 13–14, like Isaiah 10, contains prophecies about the destruction of a country that conquered the Lord's covenant people.

**Isaiah 13–14 tells about Babylon, the country that conquered Judah between approximately 600–588 B.C. Ancient Babylon was one of the wealthiest and most worldly empires in history. Consequently, the Lord used Babylon as a symbol of people who focus on the things of the world and as a contrasting image of Zion and heaven. The prophesied destruction of Babylon in Isaiah 13 symbolizes what will happen to those who fight against the people of God and those whose hearts are set upon the things of the world instead of the things of God.**

**Isaiah 14 is more especially about the king of Babylon, whom Isaiah compared to Lucifer, or Satan. Because of the writings in this chapter, we learn more about how Lucifer became Satan and also about what will yet happen to him and his followers."**

[The Read Devil – A Biblical Explanation](#) offers yet another one to consider and further contemplate:

“There's a good reason why the King of Babylon is described as "the morning star", or Venus. The Babylonians believed that their king was the child of their gods Bel and Ishtar, both of whom were associated with the planets- they thought that their King was the planet Venus.”

This interpretation or explanation is interesting in that it **connects the morning star (Venus) with Babylonian belief.**

## **Babylon & Babylonian Deities**

**Bel** is a title applied to gods in Mesopotamian religions and is especially used for **Marduk**, the patronal god of the city of **Babylon**.

**Venus** is the Roman name of the **Ishtar** (Akkadian/Assyrian), or **Innana** (Sumerian), the most important female deity of ancient Mesopotamia.

Inanna is also known as the Queen of Heaven, Earth, and the Underworld. In a seemingly contradictory role, she was recognized as the goddess of love, sensuality, and fertility concurrently with that of war and warfare.

In Greek lore she is known as **Aphrodite**.

*The "**Queen of the Night**" (Inanna) relief from the Old Babylonian period (c. 2000-1600 BC) from the **British Museum**.*

Along with Anu, Inanna assumes the role of patron deity of [Uruk](#) as can be confirmed by her very own district and [ziggurat](#) temple (Temple of Eanna).

Interestingly, in line with her role as goddess of love, sensuality and fertility, certain sources have suggested that Inanna was also the **goddess of prostitution or prostitutes**. This assumption is supported by a written account of none other than [Herodotus](#) – the famous Greek historian who lived in the 5th century BC. In Herodotus' [Histories](#), more specifically in [Book I para 199](#), he records a **Babylonian custom regarding prostitution at the Temple of Aphrodite**:

**“The foulest Babylonian custom is that which compels every woman of the land to sit in the temple of Aphrodite and have intercourse with some stranger once in her life.”**

Unsurprisingly, the custom spread to nearby lands in the [Fertile Crescent](#) as well as in Greece.

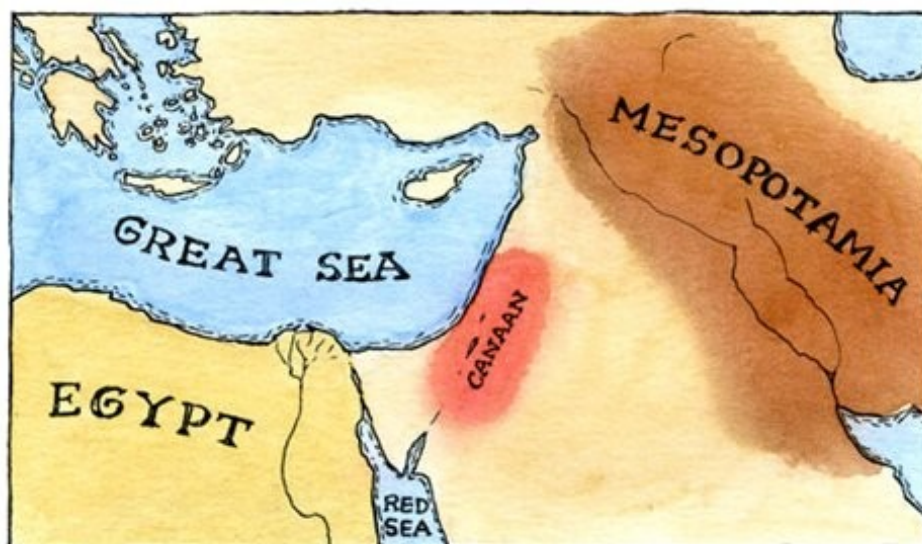

It is also worth mentioning that the great Babylonian king Nebuchadnezzar II constructed the impressive and splendid [Ishtar Gate](#) (Grand Entrance of Babylon) in honour of the goddess in the 6th century B.C.

Finally, there is an important mythical tale whereby Inanna abandoned heaven and earth to descend to into the netherworld (the underworld of the dead, or hell).

## Idol Worship & Scripture

Both the Old Testament and New Testament provide us with more insights about idol worship and how the **Israelites** (Hebrews, or ancient Jews) have turned away from God.

In the **Old Testament**, [Joshua](#) – who has a biblical book named after him – was a warrior who led Israel in the conquest of [Canaan](#) after the [Exodus](#) from Egypt (of [Moses](#)' fame).

The following book in the holy scriptures is [Judges](#) which starts after Joshua's death and describes how the [Israelites](#) failed to finish conquering the land of [Canaan](#) and its inhabitants.

They had a covenant with God who had offered to protect [them](#) if they followed his will and laws. But instead, **they disobeyed God** – as had been warned by Joshua and Moses, **preferring to instead take an interest in Canaanite culture and [religion](#), and sinning by worshipping their (false) idols**. Some of their practices were indeed quite nasty, requiring **human sacrifice and sex rituals**.

Note that this all takes place before Israel's first kings ([Saul](#) and [David](#) – of [David & Goliath](#) fame).

[Judges 2:11](#) gives an indication of the type of idols they worship, namely [Baal](#) (Ba'al, or Baal Hadad):

**“Then the Israelites did evil in the eyes of the LORD and served the Baals.”**

*Stele of the Storm God Baal: Facing right, the storm god is brandishing a club with which he is smashing the clouds; lightning accompanies the storm showers which fertilise the countryside. Image source: [LouvreBible](#).*

[The Complete Guide to the Bible](#)'s chapter on Hosea provides a more elaborate account about Baal worship [with some **emphasis added**]:

“What they are doing is **committing adultery**.

They are worshipping foreign gods, especially the chief Canaanite god: Baal.

This is a **fertility cult**. Many Jews [(Israelites)] consider Baal the source of fertility in field, flock, and family. Though it's disgusting to think about, many of **Baal's faithful followers teach that the arid region's life-giving rain is his semen. So they try to stimulate him to shower the earth. They do this by having ritual sex with shrine and temple prostitutes.**

Some scholars speculate that this reenacts the consummation of Baal's celestial marriage to the goddess Ashera.”

In [Shittim](#) (*the site to the east of the Jordan and northeast of the Dead Sea where the Israelites encamped before crossing the Jordan*), Baal worship also included participation in [sacred sexual orgies](#).

Baal is not the only deity worshipped.

The same bible reference from above cites that idol worship had continued in the land of Israel (*from the Divided Jewish Nation: Israel in the north, and Judah in the south*) during the latter years of [King Solomon](#)'s watch [some **emphasis added**]:

“In his old age, he had let some of his foreign wives talk him into **building shrines to some of the most bloodthirsty gods that humans ever invented** – including **Molech, who demanded child sacrifices**.”

[Molech](#), or [Moloch](#), is a Canaanite god of child sacrifice.

**"Offering to Molech" in Bible Pictures and What They Teach Us, by Charles Foster, 1897. The drawing is typical of Molech depictions in nineteenth-century illustrations. Source: [Wikipedia](#).**

Moloch is a god whose cult reportedly sacrificed children in a furnace set inside the belly of a bronze bull.

The [Cult of Moloch](#) section of Jewish Virtual Library references instances of **sacrificing children in fires**. It also establishes a **link between Moloch and Baal in [Jeremiah 32:35](#)**:

**“They have built pagan shrines to Baal in the valley of Ben-Hinnom, and **there they sacrifice their sons and daughters to Molech**. I have never commanded such a horrible deed; it never even crossed my mind to command such a thing. **What an incredible evil, causing Judah to sin so greatly!**”**

Idol worship by the Israelites is certainly not limited only to the aforementioned idols. While **in bondage in both ancient Egypt and Babylon, the Israelites learned a lot from their captors – particularly their high priests and have maintained meticulous records and practices over the millennia** which also includes the [Kabbalah](#) which is a set of esoteric teachings.

To sum up about Satan, the devil, and Lucifer, though the former two are not technically the same as the latter, **[Lucifer](#) has still come to be known as the enlightened one that the majority of members of various mystery religions and Satanic cults and, including high-level Freemasonry, worship and choose to serve.**

**They believe that Lucifer, in substitution to Jesus Christ, illuminates the Earth and mankind.**

This is why **Lucifer essentially is Satan or the devil**, for It is a **deception** that they wish to cast upon humanity in order to bring about their **New [Satanic] Age**.

The Bible refers to him as the **father of lies**.

In his ministry, Jesus [points out](#) to his Jewish brothers and sisters that they have turned away from their true God, particularly with their sinful lifestyles, and have become children of the devil rather than those of Abraham. John 8:44 sums it up quite succinctly:

**“You belong to your father, the devil, and you want to carry out your father’s desires. He was a murderer from the beginning, not holding to the truth, for there is no truth in him. When he lies, he speaks his native language, for he is a liar and the father of lies.”**

Lies and deception have been omnipresent in recent times, particularly during the Covid-19 Scamdemic. Integral to their potency is **secrecy**.

An over abundance of **secret societies** whose members worship these dark entities have plagued humanity for far too long. To better understand who they are and who we are dealing with, some of them will be examined (and hopefully exposed) in the following section.

## In the Shadows: The Banksters Priesthood

Firstly, it must be clarified that in this sub-section that by “bankster” priesthood, this author is not only referring to members of the super-elite rich banking class, but also those from the uber-wealthy families such as the Rothschilds and the Rockefellers, et al., and basically the 1% of the 1% of the ruling class that really runs the world.

Similar to the **deception** that comprises our global system of [modern finance and banking](#), nearly every **institution of importance – from education to government – has been deceived and misguided by the precepts and dogmas espoused by secretive cults that either coerce them, or have infiltrated them to a significant degree.**

The [Catholic Church](#) serves as a prime example. The [Vatican](#) has been **[infiltrated](#)** by such secret cults for **[a long while already](#)**. And this is with *purpose*, for no other institution has lasted as long as this one and has had as much influence on humanity over the better part of the last two thousand years.

If you were a secret cabal wishing to centralise even more power to rule over humanity, wouldn't an institution like the Catholic Church – which has over 1.3 billion adherents worldwide – be a worthwhile pursuit?

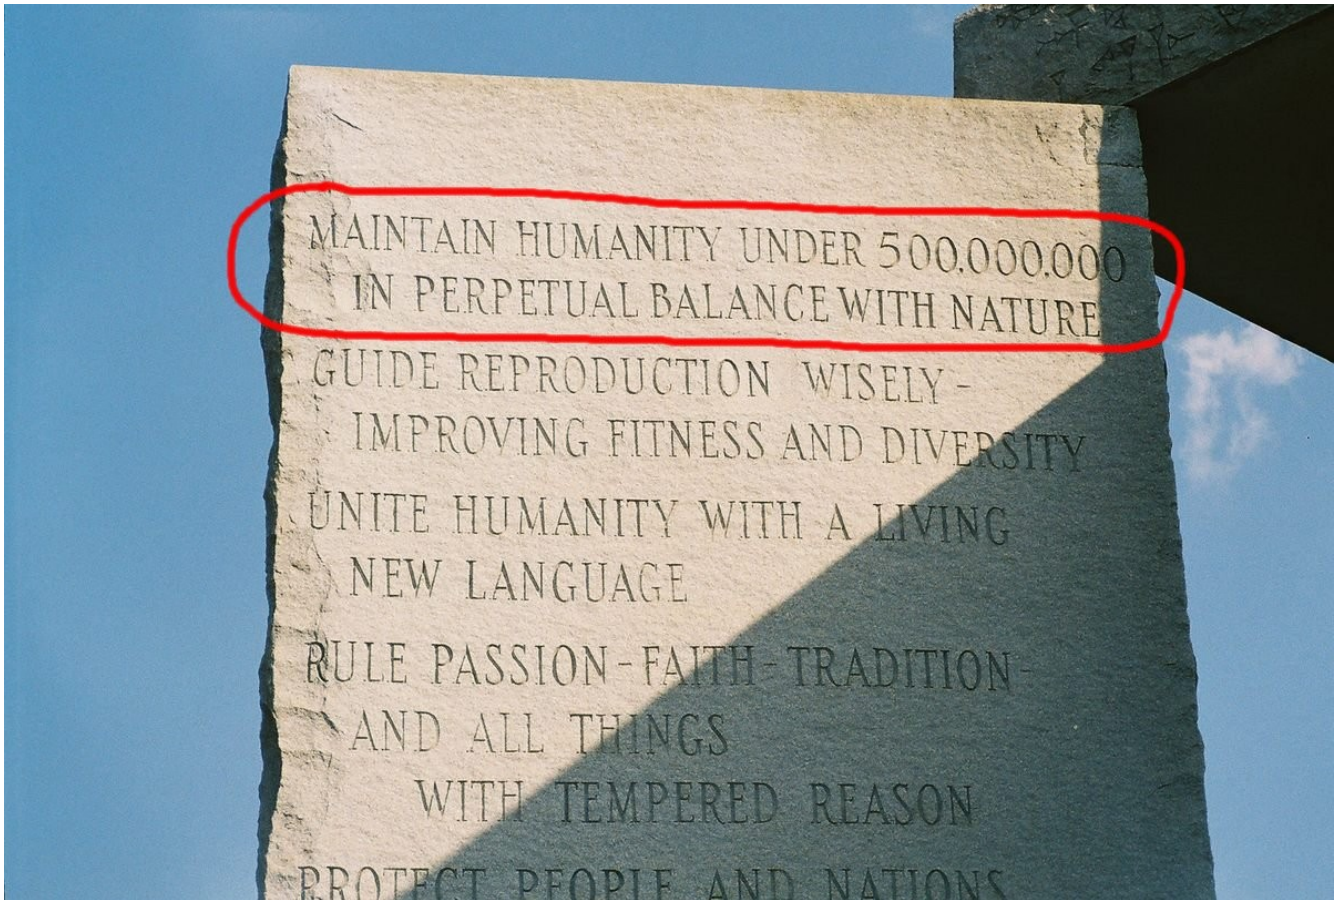

Money talks. Money yields power, and power yields even more money and control.

Money corrupts. Power corrupts. And absolute power corrupts absolutely, as the old adage goes.

And, as was explored in [Part 1](#) of this series, **those who create and control money largely dictate the goings-on of society, steering rulers and [sheeple](#) alike in their respective enclosures.**

They have been doing so for centuries, largely operating from the shadows of secrecy. Thanks to the internet age, however, **more souls have become privy to their schemes and methods.**

Sure there are countless groups and wealthy individuals who wish to amass great power and wealth without necessarily being part of a secret cabal. **But those who are really wreaking havoc on humanity are those who *despise God, despise humanity*, wishing no more but to [eliminate over 80% of the world's population](#).**

***“MAINTAIN HUMANITY UNDER 500,000,000 IN PERPETUAL BALANCE WITH NATURE,” reads one of the precepts of the [Georgia Guidestones](#). Image Source: [Atlas Obscura](#).***

For those unfamiliar, the [Georgia Guidestones](#) are a set of granite blocks that were meant to be as a guide to steer humanity into an “Age of [Satanic] Reason.” They were erected in Elbert County, Georgia (United States) in 1980 by an unknown (secretive) group or individual and [destroyed](#) in June of 2022. The identity (and [inscription](#)) “**R.C. Christian**” purports to be its author and the monument was sponsored by “Americans.”

It is now believed by some that “R.C.” has been a pseudonym, reversed, standing for **Christian Rosenkreuz** of the **Rosicrucian** ([Order of the Rosy Cross](#)) – an esoteric society.

More will be discussed about this secret order below in this post.

## **Satanic Sacrifices**

There are too many types of and instances of **Satanic rituals of sacrifice** to mention in this post. But notable ones will be exhibited.

## Modern Baal worship (and abortion)

Regarding the **worship of Baal** (as was mentioned earlier in this post), **abortion** as practised in the Western world is seen as **a form of child sacrifice**. Just as brainwashed parents use to sacrifice their children at the altar of Baal in ancient times so does the practice continue today, albeit in a less direct fashion.

Past and present were connected just a few years ago when the cities of [London](#), [New York](#), and [Washington, D.C.](#), decided to pay homage to Baal, reminding him that he is far from forgotten.

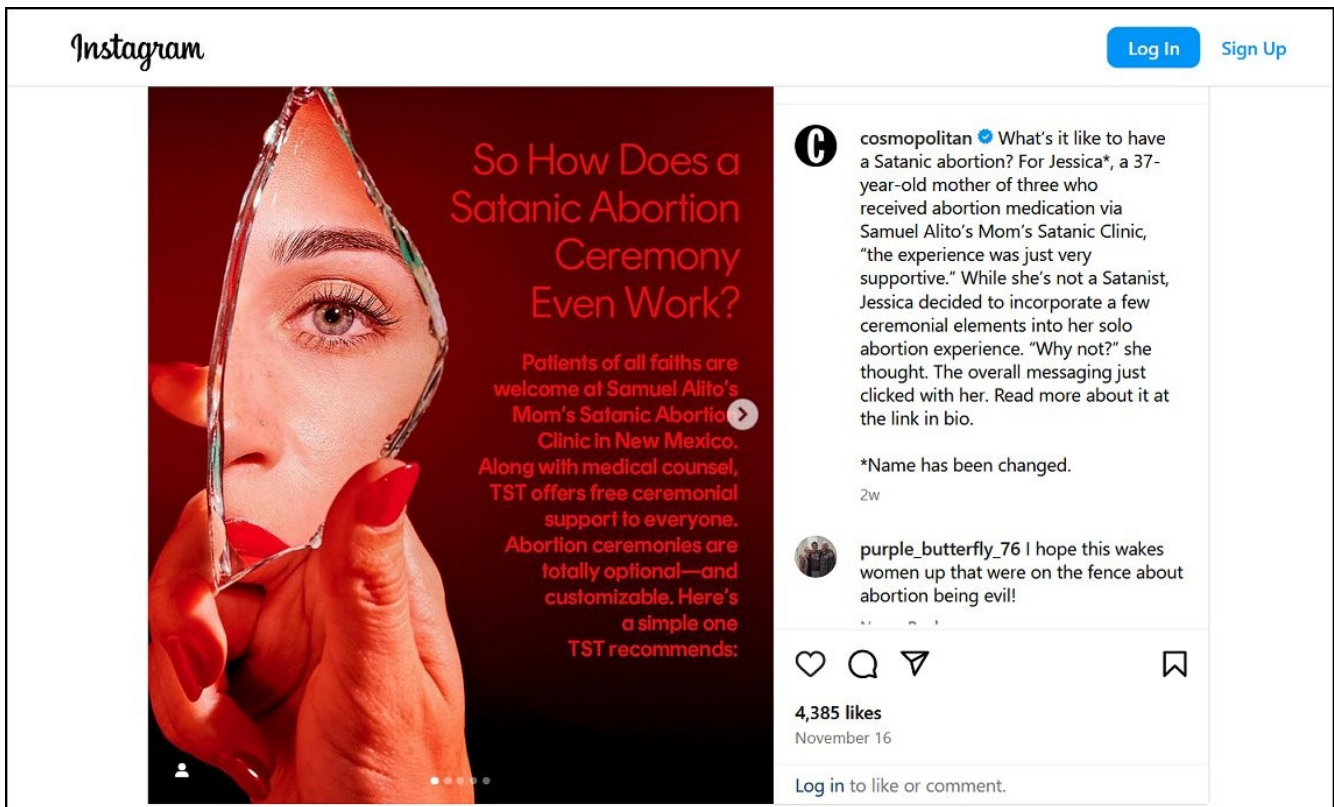

Following the [destruction of the 2,000-year old Temple of Baal Shamin by ISIS/ISIL](#) in Palmyra (Syria) in August of 2015, an [April 7, 2016 Israel365News article](#) noted that the decision to **rebuild replicas of the gate** that stood in front of the temple was **reminiscent of its ancient roots, namely serving false idols**.

U.S.-based The Christian Broadcasting Network (CBN) ran a related piece in 2018 titled [Arch from the Temple of Baal in DC: Coincidence or Pagan Invitation?](#) pointing to Jewish messianic rabbi Jonathan Cahn (who was mentioned in [Part 1](#))'s take on how abortion in America is a form of child sacrifice to Baal.

## Satanic Abortions

In more recent times, [Cosmopolitan](#) – an American quarterly fashion and entertainment magazine for women first published in 1886 – is actually [promoting Satanic Abortion Ritual to its readers](#).

Cosmopolitan magazine's [Instagram post](#) (archived [here](#)).

As per a ZeroHedge [post](#) by [blueapples](#), the popular magazine **tailored toward the vanity of naive young women recently shared instructions with readers on how to perform a Satanic abortion ritual.**

“The magazine's Instagram post went up just 2 days **after the magazine published a [piece](#) on The Satanic Temple's abortion clinic** which was named after the mother of Supreme Court Justice Samuel Alito in response to his penning of the majority opinion on *Dobbs v. Women's Health*, the case which overturned the long-standing precedent set forth by *Roe v. Wade*,” the writer added.

The author also mentioned that Cosmo (as the magazine is often referred to) went on to laud [The Satanic Temple](#) as a vanguard fighting for women's “rights.”

## The Assassination of President John F. Kennedy

Before delving into the ritualistic aspects of his assassination, it is important to provide essential *background information* as to the rationale behind the intense hatred and malice that had been brewing against the audacious leader by his bitter enemies, the dark powers.

**“The tremendous amount of time and energy, personnel and resources put into this extremely well planned and highly coordinated coup d’état can only be explained by the dire threat that JFK represented to the power structure of the world.”**

The quote from above is an excerpt from [The Satanic Ritual Killing of the King, The Cabal and Conspiracy Responsible for the Assassination of John F. Kennedy](#) – an article that provides an esoteric and exoteric overview into the ritualistic killing of the beloved president.

Before getting into some of its main points, though, it is quite important to re-examine a seldom covered event whereby **the young president directly challenged the banking cabal.**

**Executive Order #11110** from June 4<sup>th</sup>, 1963 **challenged the authority of the Federal Reserve** by instructing the Department of the Treasury (the only entity allowed to issue money as per the Constitution) **to issue interest-free United States Notes backed by silver.**

“(j) The authority vested in the President by paragraph (b) of section 43 of the Act of May 12, 1933, as amended (31 U.S.C. 821 (b)), **to issue silver certificates against any silver bullion, silver, or standard silver dollars in the Treasury** not then held for redemption of any outstanding silver certificates, to prescribe the denominations of such silver certificates, and to coin standard silver dollars and subsidiary silver currency for their redemption,”

The 1963 **United States Notes** were available in **\$2** and **\$5** denominations.

**A \$5 United States Note from 1963 (notice the red-coloured seal and serial number – as opposed to green-coloured for the Federal Reserve debt-based notes).**

After President Kennedy’s assassination, these United States Notes were *swiftly* taken out of circulation.

Unlike debt-bearing instruments like Federal Reserve Notes, the United States notes were **interest-free** which would have taken the country off the path of debt servitude.

**At the end of 1963, the National Debt was only about \$360 billion (compared to nearly \$34 trillion today).**

Is it becoming apparent to you how much bacon the banksters would have been deprived of, should Kennedy's notes had stuck around?

Did you know that this Executive Order has never been repealed, is still in effect, and could still be used by the government to issue *real* money?

The **C.I.A.**, **Lyndon B. Johnson** and **George H.W. Bush**, among others, appear to have **played an integral role to the assassination of the 35<sup>th</sup> President of the United States.**

The **feud between Kennedy and the intelligence/military apparatus** was epitomized during the Cuban Missile Crisis in 1962.

In an earlier post, I **summarised Operation Northwoods** which essentially consisted of a plot to to **hoodwink** President Kennedy to declare war against Cuba.

**“A now declassified CIA document regarding preparation for the invasion acknowledged the fact that, in order for the invasion to be successful in the way that the agency intended, Department of Defense cooperation was necessary (ibid, pg.44). The evidence now available points towards the fact that the CIA sold Kennedy a bill of goods, explaining that the strength of the awaiting Cuban exile uprising would be enough to topple the Castro government. (Wiesak, pg. 25, Howells) In all likelihood, the plan was designed to fail so that the President would be forced to send in the U.S. military. But Kennedy did not succumb to the pressure of the CIA or the military, and the operation ended in complete failure and embarrassment. CIA trained Cuban exiles were captured and killed. (Wiesak, pg. 26-27) Agents were despondent and not only blamed the president, but expressed ongoing, venomous hatred toward him. There was no love lost between both parties, with Kennedy privately stating that he would “shatter the CIA into a thousand pieces and scatter it to the winds.” (DiEugenio, Destiny Betrayed, pg.52) The CIA's budget was cut, the president intended to restructure the agency, and in the fall of 1961, he ordered the agency members in charge of the Bay of Pigs operation to step down: Director of Plans Richard Bissell, Deputy Director Charles Cabell, and Director Allen Dulles.”**

Now, to the **ritualistic aspects** of this horrendous assassination.

Firstly, it must be stated that a planned kill of this magnitude has all the markings of a **“Killing of the King Ritual.”** This form of unusually public and gruesome murder of an extremely popular world leader is **designed to shock and awe the mass consciousness.**

“There is a **Secret Society ritual** that is ‘**the killing of the King.**’ The national leader of the people is only a figurehead and has no real power. Power lies behind the scenes within

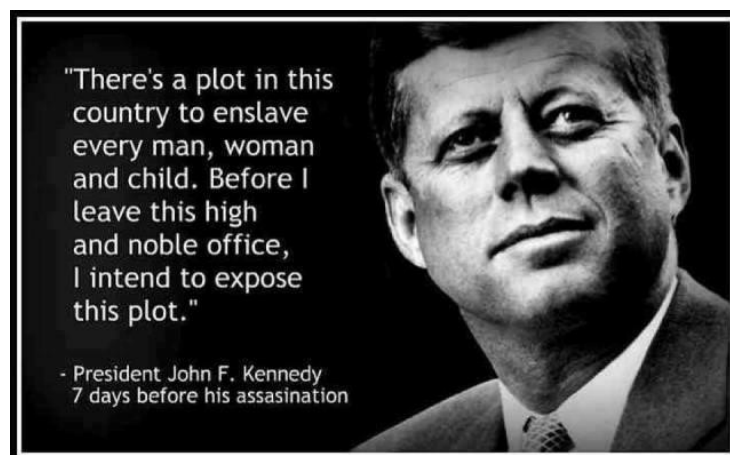

dark secrets. Others pull the strings of the politician puppets. If an upstart, politician puppet makes waves or rocks the boat or doesn't play ball.....that puppet gets eliminated. It is why Caesar was killed. It is why Kennedy was killed. If you disturb the real power structure, you can be targeted for removal. Such 'assassinations' demonstrate to the world who has the real power; it is a bloody statement of who is really in charge; and the truth is our secret rulers control from dark shadows. (There is a reason the Ace is higher than the King in a deck of cards. The Ace represents the Secret Societies that truly run the show)." - Excerpt from: [WAS JFK KILLED BECAUSE OF ROSWELL? by Doug Yurchey](#).

The following video perfectly describes the centuries-old practice of offing pesky monarchs:

<https://www.youtube.com/watch?v=gD7LDyTztec>

**"It is designed to destroy unity and create chaos; and remake society in anyway they see fit,"** explains the narrator.

In that, they have greatly succeeded.

It should also be noted that John Fitzgerald Kennedy was shot from the front and killed in Dealey Plaza in Dallas, Texas, near the **33rd Parallel** on **11/22/63**. **If we add 11 with 22, we get 33 – a number of significance to Freemasons, for it is the *highest level attainable*.**

While this secret society is described further below in this post, let the reader simply keep in mind that it is the largest secret brotherhood in the world with over 6 million members which has included among its members many [U.S. Presidents](#), among other important figures.

[Dealy Plaza](#) is the site of a [Masonic temple](#). The site chosen for the assassination of JFK was carefully planned in its overt, and at the same time covert (*just add the "c" to overt for concealment*), symbolism. Those of us who know can recognise it immediately. What am I talking about?

I am talking about the *same* kind of symbolism they used as their mark of success for 9/11, a [trident symbol](#) (like the devil's pitchfork) which I describe further below. For now, just keep the following bird's eye view of the location of the assassination in mind:

***Aerial view of Dealy Plaza in Dallas, Texas, circa 1967, the site where John F. Kennedy was assassinated. Notice the obvious trident symbolism.***

Another [video](#) does an outstanding job of detailing the **key members that were involved in the cover-up** as part of the [Warren Commission](#) who oversaw the official investigation into the assassination of President Kennedy.

Near the start of the video, the narrator quotes a few passages from James Shelby Downard's book [King Kill 33](#) [with **emphasis added**]:

**“Mason Lyndon Johnson** appointed **Mason Earl Warren** to investigate the death of Catholic Kennedy. **Mason and member of the 33rd degree, Gerald R. Ford,** was instrumental in suppressing what little evidence of a conspiratorial nature reached the commission. Responsible for supplying information to the commission was **Mason and member of the 33rd degree, J. Edgar Hoover.** Former CIA director and **Mason Allen Dulles**

was responsible for most of his agency's data supplied to the panel...

Representative **Hale Boggs**, the **only Catholic on the commission**, at first agreed with its findings and when he later began to seriously question them he was "accidentally" killed in a plane crash."

By "Mason," the author is of course referring to their membership as **Freemasons**.

For a better quality (clearer) photograph of the Warren Commission members, see [here](#).

The team commissioned to investigate the assassination was comprised of [seven members](#). **Six of the seven members were Freemasons**. Here is the list along with links proving their ranks and membership in the Freemasons and other secret societies (apart from Hale Boggs who was not a Freemason):

1. **Earl Warren (Chairperson)**: 33<sup>rd</sup> degree, [Grand Master](#) of the [Grand Lodge of California](#), [Red Cross of Constantine](#), Wise [Master of Rose Croix](#), Venerable member of the [Lodge of](#)

  3. John Sherman Cooper: Member of the [Skull & Bones secret society](#) (see also [here](#));
  4. **Hale Boggs:** A Roman Catholic, the only member without known ties to Masonic organisations or other secret societies; Boggs, who was [critical of the findings of the Warren Commission, died in a mysterious plane crash in Alaska](#);
  5. **Gerald Ford:** [Master Mason, Malta Lodge, Sovereign Grand Inspector General of the 33<sup>rd</sup> degree, Grand Master Order of DeMolay, Supreme Council Ancient Accepted Scottish Rite, Grand Lodge of Scotland, Saladin Shriners](#), additional source [here](#) and [here](#);
  6. **Allen Dulles:** The Dulles family has [ties to](#) Masons, the [Cecil] [Rhodes' Round Table Group](#), the Knights Templar, the Vatican's [Knights of Malta](#); and Allen Dulles was also [Director of the Council on Foreign Relations](#) (a Masonic institution) and his brother [John Foster Dulles](#) was Chairman of the Board of both the Rockefeller Foundation and the Carnegie Endowment for International Peace, Director for [J. Henry Schroeder bank in London](#), (Rothschild-affiliated) [Kuhn, Loeb & Co.](#), [Sullivan & Cromwell](#);
  7. **John J. McCloy:** [Chairman](#) of the [Masonic Council on Foreign Relations](#), [President of the World Bank](#), Chairman of the Chase Manhattan Bank (1953-60) and the Ford Foundation (1958-65); McCloy [was](#) a primary player in the relocation of Japanese Americans during the months following the attack on Pearl Harbor (as was Earl Warren) and had [Nazi ties, undertaking much work for German corporations such as I.G. Farben](#).

[Lyndon B. Johnson](#) was also a [Freemason](#).

Congressman Hale Bogg's son also **alleged foul play on the part of the Federal Bureau of Investigations (FBI)** – who were known to provide information to the Warren Commission.

A declassified document titled **FBI ON WARREN COMMISSION** (from 'Miscellaneous Records of The [Church Committee](#)') attests to the claim, stating that **in 1970 Hale Boggs gave his son FBI-fabricated "dossiers" which showed critical members in sexually perverse and compromising positions, seemingly to use as leverage to get them to not be critical of the prescribed findings of the commission** [highlighting in red added]:

2. A. FBI furnishing, in 1966, White House with "dossiers" on critics of Warren Commission. B. Tom H. Boggs, Jr. claims that his father, in 1970, gave him FBI furnished dossiers on Warren Commission critics.

Facts: A. At the request of Marvin Watson in 1966, the FBI furnished him with background memos on seven writers critical of the Warren Commission. Included as part of this transmission was a photograph of one of the seven writers in a situation best described as "well, uh, private," perverse and utterly without any value, save the sexually deviate. (The SSC staff refused to even look at the picture, but has received verbal and written description.)

B. In January 1975, Tom Boggs, son of the late Congressman Hale Boggs, disclosed that in 1970, his father received similar dossiers and the picture.

The FBI and Boggs documentary material (the FBI denies a dissimulation to Boggs) compare only slightly and two similarly typed dossiers are dated differently. We await information from FBI on further dissimulation.

This form of **blackmail**, sometimes called brownstoning, is a common tactic used by intelligence agencies to coerce politicians and other important figures into submitting to their will.

J. Edgar Hoover was the Director of the FBI at the time of the assassination. It just so happens to be that he became a Master Mason (33<sup>rd</sup> degree) at the early age of 25.

Given the facts presented above, it would certainly appear that not only did the CIA play an integral role in the cover-up of the assassination, but also the FBI.

It should also be noted that the best video footage taken of the assassination was filmed by [33<sup>rd</sup> degree Freemason Abraham Zapruder](#) (note: some sites have him at the *32<sup>nd</sup> level*) who “walked into” the WFAA-TV studio and was [interviewed](#) not long after the incident took place.

In 1966, when asked whether he was in agreement with the facts and findings of the [Warren Commission](#), he [stated](#) that there couldn't have been any other shooter than what was concluded in the final report.

### **Was Zapruder there to *document* the event?**

There wasn't a better view of the precise location of the assassination than from his on the [grassy knoll](#).

It is unclear how exactly Zapruder, a Ukrainian Jew born in the Russian Empire, became a Freemason as stated on his page entry at the [Grand Lodge of British Columbia](#) and the [Gizah Shriners](#).

What is perhaps even more suspect lies with **his alleged [ties](#) to certain key figures and organisations** – the [World Affairs Council of Dallas](#) and **The Crusade For A Free Europe**. The name of the latter appears to be synonymous with [Crusade for Freedom](#) which was a [CIA front](#).

The World Affairs Council of Dallas, founded by **Prescott Bush acolyte (and mentor to George H.W. Bush) [Henry Neil Mallon](#)**, still exists today and also has connections to the CIA. So close were George H.W. Bush with Henry Neil Mallon, that he named his fourth child – [Neil Mallon Bush](#) – after him.

It is also claimed that Zapruder [sat on the board](#) of Neil Mallon's Dallas Council on World Affairs.

And other alleged members of these CIA fronts included **D. Harold Byrd** (owner of the [Texas School Book Depository](#) building), [Sarah T. Hughes](#) (who swore in Lyndon B. Johnson as President of the United States on Air Force One), **George H.W. Bush**, and [George de Mohrenschildt](#) (a CIA agent and mentor of [Lee Harvey Oswald](#) – the purported assassin).

Oddly, the Zapruder film was purchased by [Henry Luce](#), then owner of Life magazine. Luce's Life magazine [kept it under the lid](#) until New Orleans District Attorney [Jim Garrison](#) subpoenaed it in 1969. What is also noteworthy is that [Henry Luce was a \*\*Skull & Bones member\*\*](#), another secret society described below, which also has [Prescott Bush](#) and both George Bush's among its members. George H.W. Bush had [close ties](#) to **Allen Dulles** who was obviously bitter towards Kennedy.

Bush is known to have lied about his whereabouts on the infamous day, though it is obvious he was [in Dallas](#) on Nov. 21, and likely on the morning of the 22<sup>nd</sup>. It is also [reported](#) that FBI Director ([J. Edgar Hoover](#)) briefed George Bush of the CIA on Nov. 23, 1963 on the JFK assassination.

Significantly, **it was the CIA who popularised the term “conspiracy theorist,” to discredit anyone who questioned the findings of the Warren Commission.**

This fact was solidly affirmed following the release of **DISPATCH** [document number 1035-60](#) titled **Countering Criticism of the Warren Report** dated January 1, 1967 which was declassified and released following a FOIA request, eventually getting [published](#) on the Mary Ferrell Foundation (MFF) website.

The dispatch indicates the label **PSYCH** (see the upper left-hand side of the document) which refers to **‘Psychological Operations.’**

Indeed, we have been [mindfucked](#) ever since – particularly with the millions of instances by which any of us noticing or reporting truth has been labelled a crazy [conspiracy theorist](#).

You gotta give em credit, though, as this psychological operation has been a stunning success ever since, which the [mainstream media](#) continues to employ to this very day.

FOR OSWALD          PSYCH FILE 17          COPIES</p> <p>THIS WAS PULLED TOGETHER BY NED BENNETT OF CIA STAFF          IN CLOSE CONJUNCTION WITH CIA. WE FORWARDED MOST          OF THE SOURCE MATERIAL, PARAPHRASED MANY OF THE THEMES,          AND PROVIDED GENERAL "EXPERTISE" ON THE CASE. THE          SPEECH ARTICLE WAS WRITTEN BY BENNETT.</p> <p>1. <u>Our Concern.</u> From the day of President Kennedy's assassination on, <i>G.E. Dooly</i>          there has been speculation about the responsibility for his murder. Although <i>23 JAN 1967</i>          this was stemmed for a time by the Warren Commission report (which appeared at          the end of September 1964), various writers have now had time to scan the          Commission's published report and documents for new pretexts for questioning,          and there has been a new wave of books and articles criticizing the Commission's          findings. In most cases the critics have speculated as to the existence of some          kind of conspiracy, and often they have implied that the Commission itself was          involved. Presumably as a result of the increasing challenge to the Warren          Commission's Report, a public opinion poll recently indicated that 46% of the          American public did not think that Oswald acted alone, while more than half of          those polled thought that the Commission had left some questions unresolved.          Doubtless polls abroad would show similar, or possibly more adverse, results.</p> <p>2. This trend of opinion is a matter of concern to the U.S. government,          including our organization. The members of the Warren Commission were naturally          chosen for their integrity, experience, and prominence. They represented both          major parties, and they and their staff were deliberately drawn from all sections          of the country. Just because of the standing of the Commissioners, efforts to          impugn their rectitude and wisdom tend to cast doubt on the whole leadership of          American society. Moreover, there seems to be an increasing tendency to hint          that President Johnson himself, as the one person who might be said to have          benefited, was in some way responsible for the assassination. Innuendo of          such seriousness affects not only the individual concerned, but also the whole          reputation of the American government. Our organization itself is directly          involved: among other facts, we contributed information to the investigation.          Conspiracy theories have frequently thrown suspicion on our organization, for          example by falsely alleging that Lee Harvey Oswald worked for us. The aim of          this dispatch is to provide material for countering and discrediting the claims          of the conspiracy theorists, so as to inhibit the circulation of such claims in          other countries. Background information is supplied in a classified section and          in a number of unclassified attachments.</p> <p>3. <u>Action.</u> We do <u>not</u> recommend that discussion of the assassination ques-          tion be initiated where it is not already taking place. <u>Where discussion is</u>  <u>active, however, addressees are requested:</u></p>

**“Of course he told us about the President’s last words, Mrs. Kennedy’s remarks, and so on. The President was horribly shot. A part of his head was just shot away. Brains were all over the car, in the hands of Mrs. Kennedy, many of them. The first shot he could have survived. The second shot was a mortal wound, and had he survived it—obviously he didn’t but if he had—he would have been, well, just a vegetable. I think there are many lessons we can learn from all this.” - [Hale Boggs during a May 10, 1964 Oral History Interview](#).**

Have the lessons been learned?

## 9/11

The events that transpired on **September 11, 2001** were *planned* not by American-hating Muslims in far away Middle-Eastern caves, but rather by a dark powerful group of co-conspirators who worship Lucifer and sought to bring about his new “light-bearing” age on humanity.

The **occultic** and **ritualistic** aspects of this tragic event are too numerous to present in this post. Therefore, this author will leave the reader with the following two resources which exhibit an abundant and undeniable amount of evidence which demonstrates the extent of its unfathomable and grisly evil. A few additional observations of note will be included as well.

The first source is a book titled [The Most Dangerous Book in the World: 9/11 as Mass Ritual](#) written by S.K. Bain and Peter Levenda, first published on September, 11, 2012.

For those who cannot wait to get hold of a copy of this book, many key elements of the ritual are outlined in the following [video](#):

<https://www.youtube.com/watch?v=8d9MYzY05uo>

As was mentioned in the video, **numerology** is of significance and importance to occultists and Satanists. The flight numbers of each of the four planes ([AA11](#), [AA77](#), [UA175](#), and [UA93](#)) were significant, as covered in the video.

What is also of particular note is that there was another plane that was [spotted flying over the nation's capital](#) (the only one in the sky, after all flights were grounded) which is thought to be what is called a "**Doomsday Plane**" – which is essentially an aircraft similar to Air Force One whose purpose is to act as a mobile command center in case of a nuclear attack or the like. The U.S. government and the U.S. Military have never denied nor confirmed that this plane was a "Doomsday Plane" which is recognised as a [E-4B](#) militarized version of the Boeing 747-200.

However, according to the aforementioned Bain's [book](#), it is stated the following [**emphasis added**]:

“...in information obtained from the FAA in 2008 under a FOIA request, we learn the call sign of the doomsday plane circling in the skies above DC on 9/11 ...**VENUS77**”

What is striking is the **call sign** for the aircraft: **VENUS77**.

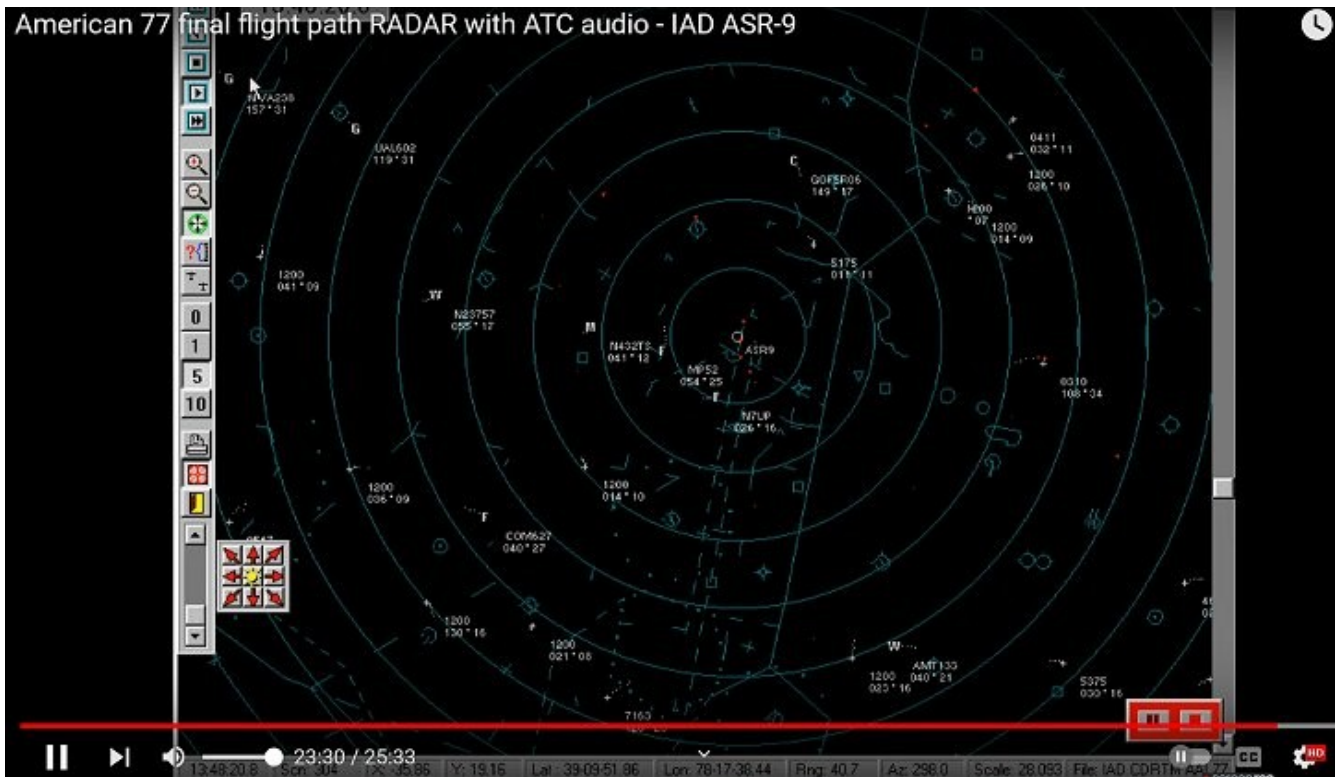

Once again we have the “**77**” numerology, but coupled with “**VENUS**” – which is (as was eluded to earlier in this post) the equivalent of **Lucifer**.

While this author has been unable to track down the official (alleged) FOIA request document from 2008, **the [air traffic control recording for this flight](#) remains available which affirms VENUS77 as the plane's call sign on several occasions** (click on the following image to view it):

*Screenshot at the 7:15 mark of the video [‘The 9/11 Mystery Plane Air Traffic Control Recording’](#) (YouTube channel: [boone870](#)). Accessed on 2023-12-08.*

To further corroborate or double-confirm that the call sign was indeed VENUS77, here is yet [another mention of it by Air Traffic Control](#) that is specifically in relation to Flight AA77 (as mentioned above) from that fateful morning (click the image to access the video – and listen at the **23:30 mark** for mention of VENUS77, verbatim: **“That’s VENUS77 the military aircraft just departed Andrews [Air Force Base]”**):

Now, while many could argue that this could merely be coincidental, keep in mind that only four such “Doomsday Planes” are known to exist; so, what is the likelihood that one would just happened to be attributed a call sign of “VENUS” and “77”? It just seems less than coincidental to this author and perhaps many other people with inquiring minds.

In addition to the eerie numerology references from above, there is also some **devilish symbolism** associated with the event which pertains to **two metal structures** that were kept from the collapsed debris of the World Trade Center towers, namely **two trident-like metal beams** from the structure. **Tridents** are frequently [associated with the devil](#).

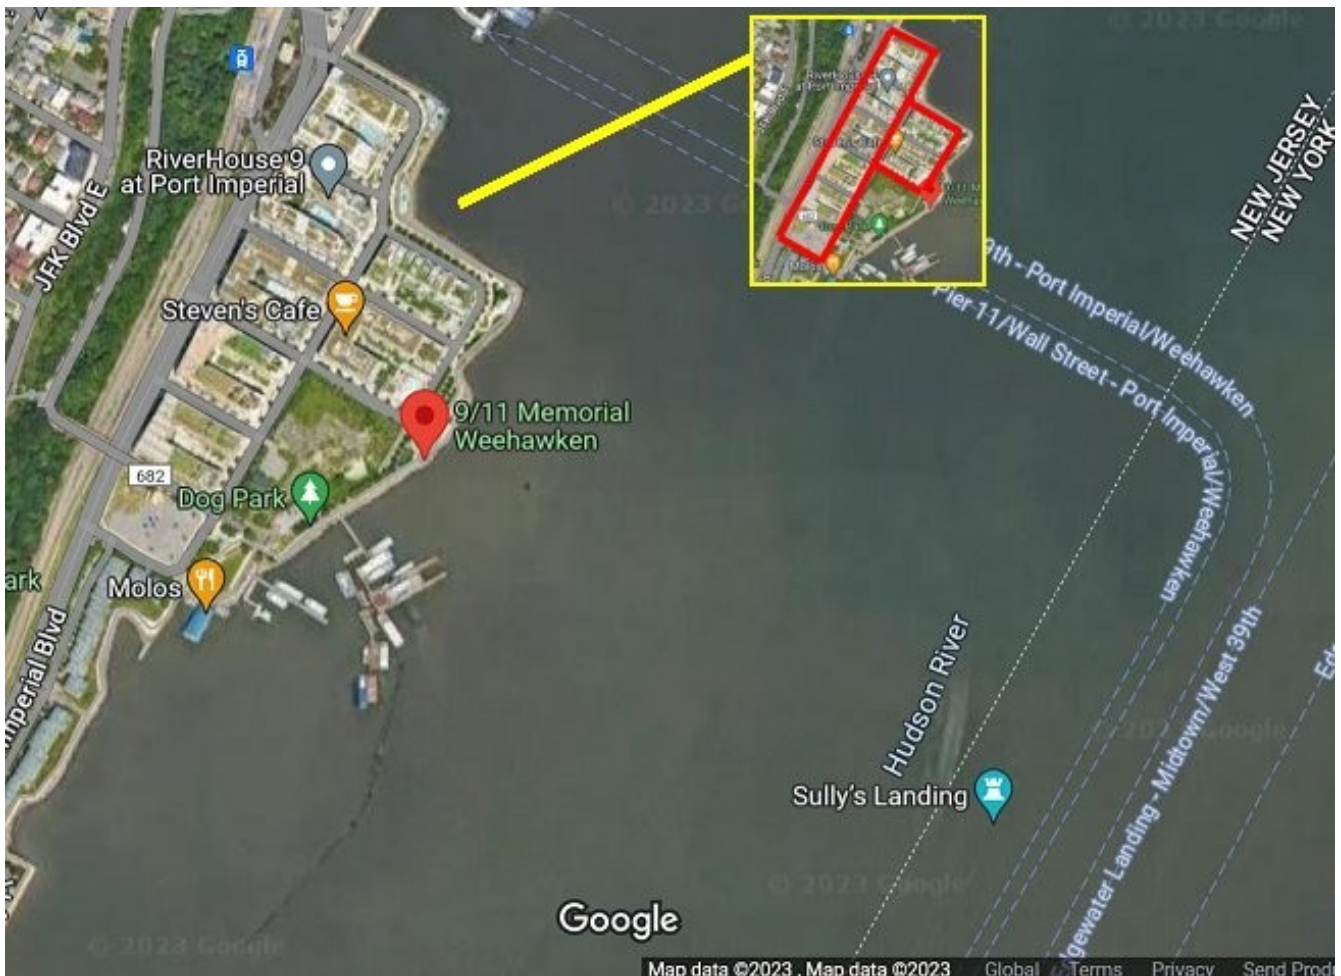

These are on display across the Hudson River in New Jersey overlooking Manhattan in what is called the [Hudson Riverfront 9/11 Memorial](#) (located at [1300 Avenue at Port Imperial, Weehawken, NJ](#)):

Firstly, notice the trident on the right with the **three extending beams** at the top. The “hand” on the right could also be perceived as **sticking the middle finger to the city**.

Next, have a look at the following [Google Maps aerial view of their location](#):

I have highlighted what appears to resemble **half a cross** (in the added yellow box with red lining) like the one Jesus was crucified on. Taking half the cross away would be like **defiling Jesus of his holiness or divinity, leaving him a mere mortal man**. In other words, taking away the divine eternal aspect of humans who are made in the image of God/Jesus.

And with regards to the trident monuments, these appear very similar to the “**peace symbol**” – which is actually a **perverse symbol of Jesus on the cross, turned upside down with his arms snapped**; it is a **Masonic symbol** that represents the **death of Christianity**. The symbol was introduced popularised by the C.I.A. during the 1960s Flower Power/Hippie/Peace & Love era.

While this may appear speculative, the fact that we have **both half a cross** on the chosen location of this monument **and the trident** (which is like the peace symbol) sure seems to indicate a **Satanic mockery of Jesus and Christianity** which is what we have been witnessing in this **New [Satanic] World Order**.

Never forget who did this.

## The Covid-19 Pandemic

As crazy as it may sound, the Covid-19 Pandemic, or Scamdemic as some would call it, appears to be an ongoing massive [human sacrifice ritual](#).

With already **hundreds of millions of deaths** attributed to the coronavirus or Covid-19 disease, and to the “vaccines” (as per their most fatal side-effect), it is hard to conclude that this was not a [pre-planned depopulation event](#).

There are too many aspects that could be covered here, so I will merely go over some of the more remarkable ones.

As I mentioned previously, astrology is important to these dark powers, and hence **dates** and **astrological events** of significance.

The pandemic was [officially announced on March 11](#), or **3/11** – exactly **6 months opposite of 9/11**.

First, why did they choose the name *Corona*[virus]? [Corona](#) is named after a **solar eclipse**.

The first [Coronavirus Vaccine](#) was [administered](#) on **Dec. 14, 2020** – **the day of a total solar eclipse**.

Next, [equinoxes](#) and [solstices](#) are important **Sun markers**.

**Dec. 21, 2020** marked the **winter solstice** for that year which happens to be the exact date on which **U.S. President Joe Biden took his first Covid-19 vaccine jab**.

While this could be considered merely coincidental, the **time** at which he received the jab was at 3:22 in the afternoon.

**322** is a very significant number, for it is **central to the secret society** called **Skull & Bones** (*see below for more information on this **death cult** which includes the three Bush boys and John Kerry among its adepts*) who are known to be associated with the Freemasons.

Proof?

Have a look at the following [video of the event](#) that was taken live (with a clock on the upper right-hand side):

If you watch the [video](#) and carefully observe the clock, you will see that Biden received the injection at precisely 3:22:00 – **to the second**.

### **What are the chances?**

From a different angle of the same event you can also notice the trademark [Masonic all-seeing eye watching over you](#).

On an interesting side note and speaking of the number **666**, readers ought to have a look at the following **patent** granted to **Bill Gates'** (the world's prominent health expert/authority and [largest funder to the WHO](#)) **Microsoft Corporation**, namely [WO2020060606](#) which is designed to [harness energy from the human body to generate power for cryptocurrency generation](#).

### **Al-Aqsa Mosque in Jerusalem**

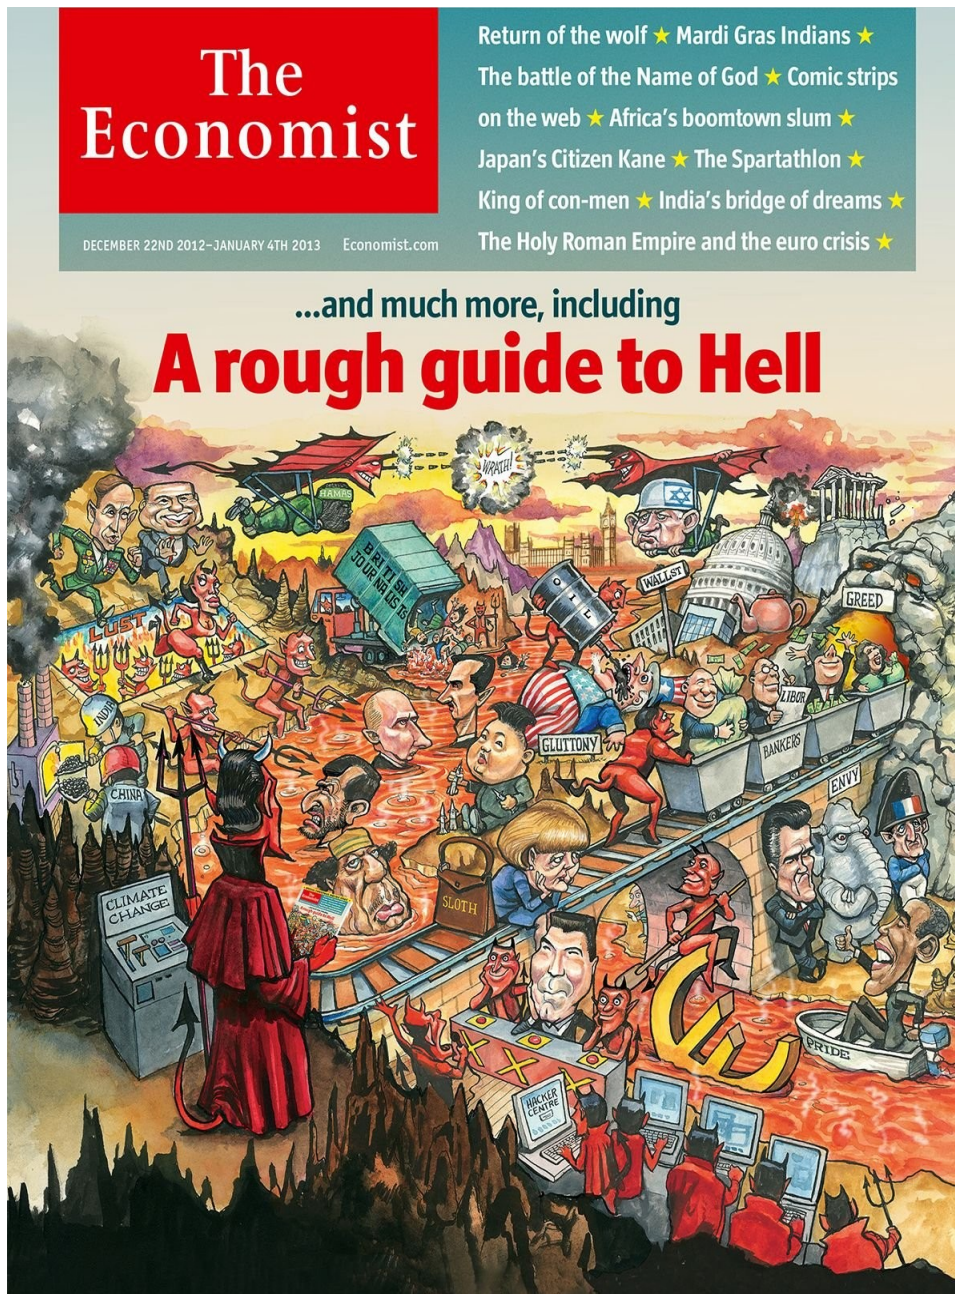

This one is more of a *prediction* by this author, than a fait accompli.

**The [Al-Aqsa Mosque](#)**, not to be confused with the adjacent [Dome of the Rock](#), **is poised to be destroyed since it is considered the [most likely site](#) upon which sat [Solomon's Temple](#)**.

Needless to say that in order to rebuild the third iteration of the temple, its current occupant would need to be displaced.

Before presaging this event, though, a prior foreshadowing one ought be considered.

If one were to look back at infamous **2012-2013** cover of the **Rothschild's** *The Economist* magazine, one might notice a particularly *foretelling* instance that recently happened on **October 7, 2023** when **Hamas** attacked **Israel**:

*The Economist Magazine cover for December 22 to January 4, 2013.*

While the artwork is saturated with **devil symbology** – including many **tridents**, the seven sins, pride and “climate change” agendas, and more, **what really stands out is at the top**:

We can clearly see a **dark figure with a HAMAS headband flying on what appears to be a hang glider**; and, most coincidentally, that is [exactly what transpired during the false flag attack on October 7 earlier this year.](#)

Now, what were the chances of that actually happening *a decade* later?

Such kinds of **predictive programming** are not uncommon to the real culprits who are behind these kinds of ritualistic attacks.

These are prevalent in [Hollywood movies.](#)

They serve as forewarnings to the masses. If we notice them and do nothing to prevent the ill presented therein, then it is on us; at least that is their rationale or justification. While this may seem counterintuitive, these dark forces like to leave such open markings as their *signatures*.

Furthermore, does it also appear somewhat foreshadowing that the [October 7, 2023 attack](#) on Israel by Hamas was called '[Operation Al-Aqsa Flood](#)'?

**Who exactly chose this particular name? And how was it communicated to the media, as early as 9:28 am the morning of the attack by [The Times of Israel](#)?**

As I [thoroughly evidenced in Part 1 of this series](#), it should be noted that **Hamas was created by Benjamin Netanyahu.**

Could Netanyahu's **Zionist pursuits** lead him to foment a fierce war with Hamas which could easily spread in the **West Bank** near the actual site of the mosque, adjacent to the Temple Mount for its eventual destruction in order to rebuild Solomon's Temple?

As the **third holiest site in Islam**, there is no way they could easily take possession of Al-Aqsa, lest they provoke a [jihad](#) (holy war).

Accordingly, a war with all its usual chaos and mayhem could see its "accidental" or "inadvertent" destruction, after which they could do with the site as they see fit (as they currently do with their [illegal settlements across Palestine](#)).

There are many **similar kinds of signs along with [sufficient historical context](#) which would suggest that an event leading to the destruction of the [Al-Aqsa mosque](#) in Jerusalem is imminent.**

But for sake of brevity, we'll leave it at that.

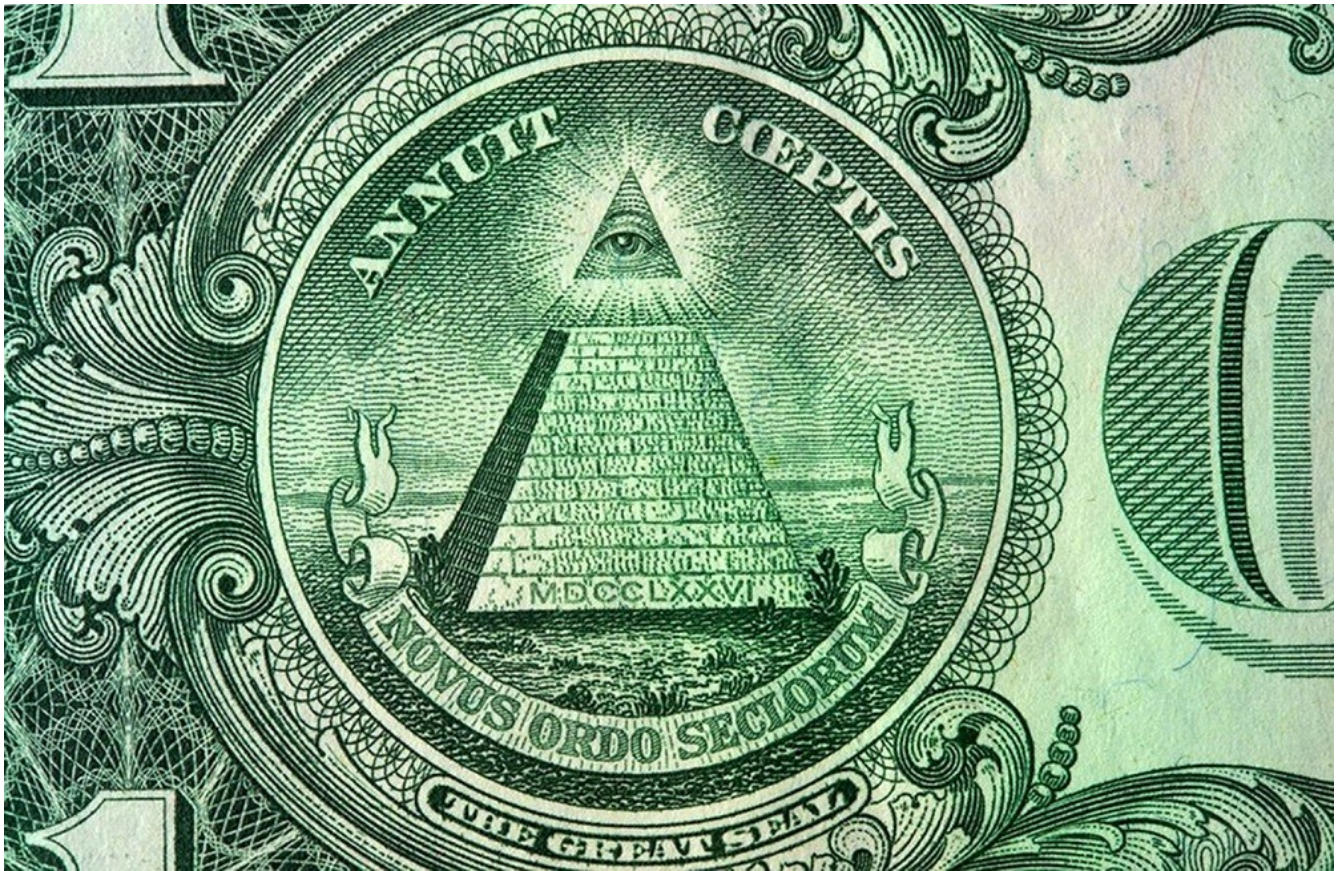

## **Numbers are important to Banksters (Numerology)**

It is no secret that the United States of America was founded by **Freemasons** – from [George Washington](#) to [Benjamin Franklin](#) to countless [Presidents](#).

The [layout of Washington, D.C. along with its key monuments](#) were planned by Freemasons.

But what is more of concern here is that the Freemasons and other secret societies make specific use of **Gematria (numbers), astrology, signs, and symbols to convey meaning and hidden messages in their affairs and endeavours.**

There are thousands of examples, but we needn't look further than the **U.S. dollar bill** to find such kinds of occurrences.

It must be first noted that certain elements of this part of the note was **designed by Freemasons going as far back as 1782.**

Of course, many talk about the pyramid with the capstone that includes the **Masonic all-seeing eye**. Less known symbols, however, are often overlooked or misinterpreted.

The Latin Phrase '**ANNUIT COEPTIS**' (above the pyramid with the capstone and all-seeing eye – which itself is a very prominent symbol) has a hidden meaning. **Annuit** means to **wink**. **Coeptis** means **plotting** or **undertaking** (a formal pledge to do something, i.e., an oath which members of secret societies take). Combined, they mean **to secretly plot or undertake**, such as a New World Order ("NOVUS ORDO SECLORUM"). Proverbs 16:30 from the Bible states: "Whoever winks with their eye is plotting perversity; whoever pushes their lips is bent on evil."

Importantly, it must be admitted that **Freemasonry is really [Satanism](#) in disguise**. Apart from the [Satanic symbolism](#) found across Washington, D.C., it also **figures clandestinely on the back of the dollar note**.

At the base of the pyramid are the **Roman numerals MDCCLXXVI**.

If you convert from Roman numerals, you have M = 1000, DCC = 700, LXX = 70, VI = 6 = **1776** (the year the colonies gained Independence from Britain, and also the year that the **Illuminati** was formed – see below for more on this secret society).

Here's where it gets interesting. Now, if you take the M, 2nd C, and 2nd X, and subtract these from 1776, starting with M (1000), minus C (100), minus X you get **666**, the **Number of the Beast**.

For those unfamiliar, 666 is derived primarily from the mark of the beast discussed in the Book of Revelation from the New Testament of the Bible, representing **the rejection of Jesus** and **symbolizing** the perfection of man's overall system that is **separated from God** and under the **constant influence of Satan the devil**.

Now, the reader may simply contend that the above calculation is merely *coincidental*, or that this author was just choosing certain Roman numerals in the sequence.

But wait, if you now take the 2nd & 3rd letters **DC**, and the **LX**, and the **VI**, you get: DC = 600, LX = 60, and VI = 6 which, once again, arrives at **666**.

In addition, if you draw straight lines between the letters M-A-S-O-N (describe as per image above) you get a **pentagram** which is a star with the tip pointed towards the bottom (instead of the top) or the **Sigil of Baphomet** which is a clear **Satanic symbol**.

## **In the Shadows: The Freemasons and Other Secret Societies**

**John F. Kennedy's [address before the American Newspaper Publishers Association, Waldorf-Astoria Hotel, New York City, April 27, 1961:](#)**

**"...The very word "secrecy" is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings. We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify it... And there is very grave danger that an announced need for increased security will be**

seized upon by those anxious to expand its meaning to the very limits of official censorship and concealment. That I do not intend to permit to the extent that it is in my control. And no official of my Administration, whether his rank is high or low, civilian or military, should interpret my words here tonight as an excuse to censor the news, to stifle dissent, to cover up our mistakes or to withhold from the press and the public the facts they deserve to know... Today no war has been declared - and however fierce the struggle may be, it may never be declared in the traditional fashion. Our way of life is under attack. Those who make themselves our enemy are advancing around the globe. The survival of our friends is in danger. And yet no war has been declared, no borders have been crossed by marching troops, no missiles have been fired... If the press is awaiting a declaration of war before it imposes the self-discipline of combat conditions, then I can only say that no war ever posed a greater threat to our security. If you are awaiting a finding of "clear and present danger," then I can only say that the danger has never been more clear and its presence has never been more imminent. It requires a change in outlook, a change in tactics, a change in missions - by the government, by the people, by every businessman or labor leader, and by every newspaper. For we are opposed around the world by a monolithic and ruthless conspiracy that relies primarily on covert means for expanding its sphere of influence - on infiltration instead of invasion, on subversion instead of elections, on intimidation instead of free choice... It is a system which has conscripted vast human and material resources into the building of a tightly knit, highly efficient machine that combines military, diplomatic, intelligence, economic, scientific and political operations. Its preparations are concealed, not published. Its mistakes are buried, not headlined. Its dissenters are silenced, not praised. No expenditure is questioned, no rumor is printed, no secret is revealed...The question is for you alone to answer. No public official should answer it for you. No governmental plan should impose its restraints against your will. But I would be failing in my duty to the nation, in considering all of the responsibilities that we now bear and all of the means at hand to meet those responsibilities, if I did not commend this problem to your attention, and urge its thoughtful consideration. On many earlier occasions, I have said - and your newspapers have constantly said - that these are times that appeal to every citizen's sense of sacrifice and self-discipline. They call out to every citizen to weigh his rights and comforts against his obligations to the common good. I cannot now believe that those citizens who serve in the newspaper business consider themselves exempt from that appeal...I am asking the members of the newspaper profession and the industry in this country to reexamine their own responsibilities, to consider the degree and the nature of the present danger, and to heed the duty of self-restraint which that danger imposes upon us all. Every newspaper now asks itself, with respect to every story: "Is it news?" All I suggest is that you add the question: "Is it in the interest of the national security?" And I hope that every group in America - unions and businessmen and public officials at every level - will ask the same question of their endeavors, and subject their actions to the same exacting tests... It is the unprecedented nature of this challenge that also gives rise to your second obligation - an obligation which I share. And that is our obligation to inform and alert the American people - to make certain that they possess all the facts that they need, and understand them as well - the perils, the prospects, the purposes of our program and the choices that we face... I am asking your

help in the tremendous task of informing and alerting the American people. For I have complete confidence in the response and dedication of our citizens whenever they are fully informed... Without debate, without criticism, no Administration and no country can succeed - and no republic can survive. That is why the Athenian lawmaker Solon decreed it a crime for any citizen to shrink from controversy. And that is why our press was protected by the First Amendment - the only business in America specifically protected by the Constitution - not primarily to amuse and entertain, not to emphasize the trivial and the sentimental, not to simply "give the public what it wants" - but to inform, to arouse, to reflect, to state our dangers and our opportunities, to indicate our crises and our choices, to lead, mold, educate and sometimes even anger public opinion... confident that with your help man will be what he was born to be: free and independent."

<https://www.youtube.com/watch?v=Zxx1BWXI4AA>

**Secret societies** have existed for thousands of years.

Some of them began in ancient times, as with the [Mystery Schools](#) of Ancient Egypt and those from Ancient Greece, Ancient Rome, and other societies.

Like shifting winds thrusting upon sails of ships, they have **steered the course of human events** in directions expected *and* unforeseen.

As JFK put it, the very word "secrecy" is *repugnant* in a free and open society. Synonyms for the word **repugnant** include: abhorrent, abominable, contradictory, disgusting, distasteful, incompatible, objectionable, odious, revolting, and vile.

Repugnant indeed.

Many **unseeable forces** act on society and its members, not excluding [angelic and demonic](#) ones in the *spiritual* realm (*click the link for this author's presentation on Angels & Demons*).

They are not limited to secret societies. Nevertheless, **forces from these secretive cults have been burgeoning in the last few centuries** – particularly in the last one.

The good news, however, is that they are becoming increasingly exposed and unveiled.

The advent of the internet has certainly helped along with countless books and publications on the subject.

**Scheming from the shadows still exists, but heightened awareness of the dogmas and methods of these co-conspirators is bringing about a new era of enlightenment among awakened souls.**

Still, **increased familiarity about these secret societies is required in order to better comprehend and identify these parasites infecting and plaguing society (the host).**

Let us then examine some of these secret societies that are known to be infamously influential.

What follows are merely **very brief introductions** on some secret societies this author believes are heavily involved in destructive affairs and agendas plaguing our times.

Let them serve as *starting points* for the reader.

## Skull and Bones

**Skull & Bones**, sometimes called **The Order**, **The Order 322**, or **The Brotherhood of Death**, it is a highly secretive brotherhood based at Yale University in New Haven, Connecticut, that was founded in 1832.

Notable members include members of the **Bush clan** ([Prescott Bush](#) and his son [George H.W. Bush](#) and grandson [George W. Bush](#)) and [John Kerry](#), the former U.S. Secretary of State who is [fiercely pushing](#) the [Climate Scam](#).

Many other [brothers](#) include the [members](#) of powerful families: [Rockefeller](#), [Vanderbilt](#), Kellogg, Goodyear, Weyerhauser, and [Harriman](#), to name a few.

Alexandra Robbins, an alumni of Yale University and author of [Secrets of the Tomb: Skull And Bones, The Ivy League, And the Hidden Paths Of Power](#) made a [detailed investigation](#), largely based on talks with no less than 150 members of the 180+ year-old secret society which refers to itself as the “**Brotherhood of death.**”

## The Freemasons

The Freemasons are the largest secret brotherhood with over 6 million members worldwide (estimated).

Their origins arise from the **stone masons** who were the architects and builders who mastered the craft of stone masonry. The builders of the ancient pyramids in Egypt come to mind for some of the original stone masons, though many other civilizations had such gifted craftsmen.

Much later, in the [14<sup>th</sup> century](#), emerged a group called *Freemasons* who were “**a travelling guild of masons with a secret code.**” And by the 17<sup>th</sup> century, it developed into the **secret fraternity** of affiliated **lodges**. Members were usually **elites of society** who were **initiated** and **taught the secrets and lore of the exclusive brotherhood**.

While the origin and meaning of “*free*” in the terms **Freemasons** or **Freemasonry** is a subject of dispute, it covertly means that its members are **free from obligations, morality, decency, and the like**.

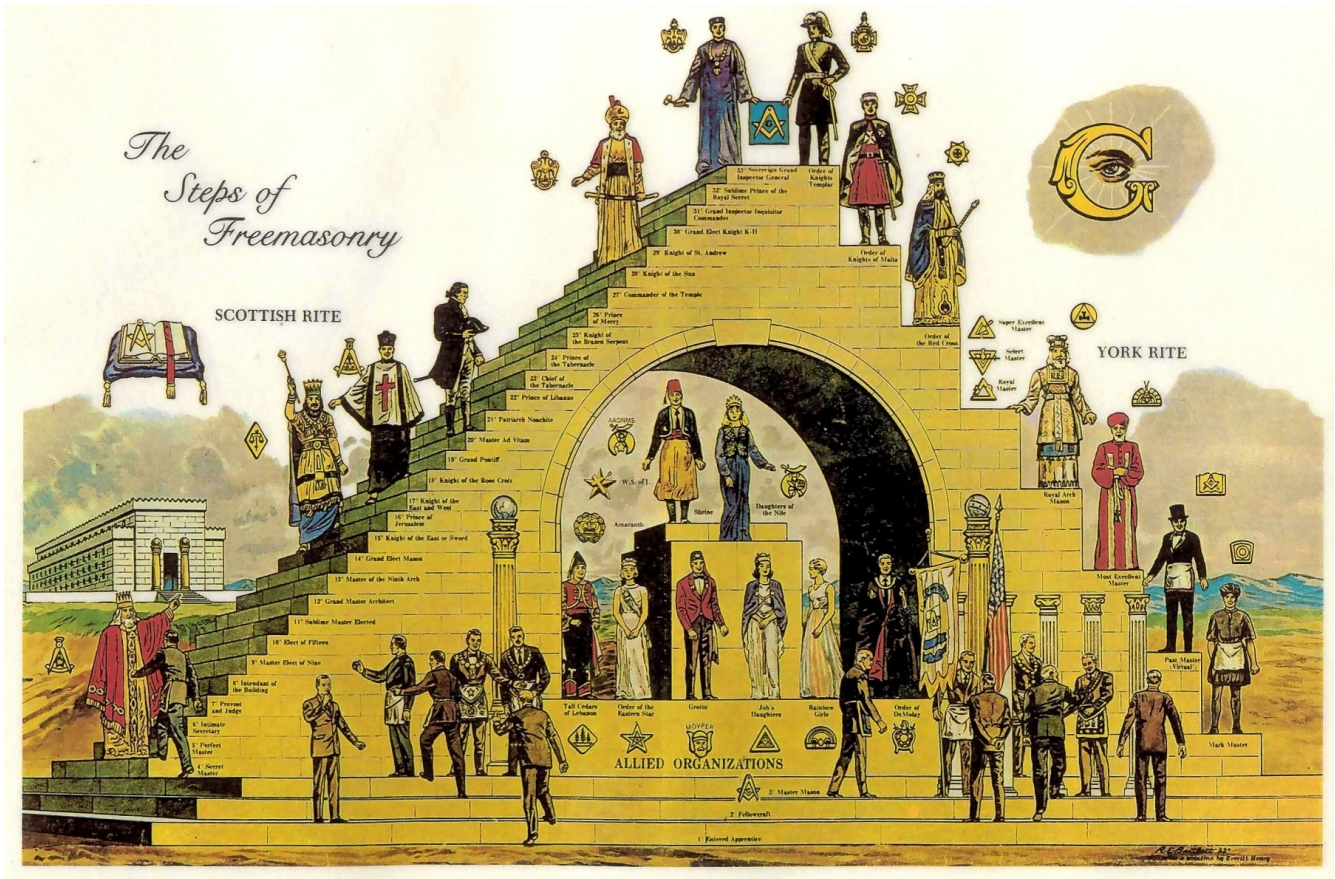

Dr. Selwyn Stevens, author of the 2017 book [Unmasking Freemasonry: Removing the Hoodwink](#) (and also [Signs & Symbols: Occult, Masonic, New Age & Cult Insignias and what they mean](#)) provides [a good overview of the secret society](#) (click the link to watch the video) and how they are not as “Christian-believing” as they portray themselves to be.

For **a more in-depth survey of Freemasonry**, the reader is invited to watch a hefty [5+ hour video](#) on the subject from [former Freemason Altiyan Childs](#) (alternate video links [here](#) and [here](#)). In his personal account, he provides **a substantial amount of evidence and official masonic references** which **exposes Freemasonry, ultimately, as Satanism in disguise**.

Like with almost all secret brotherhoods, Freemasonry has different [levels](#) to which members can climb and attain. In Freemasonry, the highest (*known*) level is that of the **33<sup>rd</sup> degree** called ‘**Grand Inspector**.’

As Freemasonry has [strong ties to another secret order called the Knights Templar](#) (*see next subsection*), the [honourary title of ‘Order of the Knights Templar’](#) is also **given to 33<sup>rd</sup> degree Freemasons in tribute to the earlier Templars**.

The following image – [The Structure of Freemasonry](#) – which appeared in Life Magazine on October 8, 1956 illustrates the different levels and cross-associations with other orders (such as the Knights of Malta, Order of the Red Cross, Knight of the Rose Croix):

## A Grey State indeed

Back in 2014, a former member of the U.S. military, **David Crowley**, was making a film showing how America was becoming a nearly irreversible [Police State](#).

A key scene from the film depicted a white-hooded executioner in front of a guillotine readying to execute his victim, only to turn towards the camera first to reveal that he is wearing a [Masonic apron](#) (which also happens to be the [logo for Google's Gmail](#)):

It would seem that the Freemasons were not at all enchanted by the depiction; for, **on January 7, 2015, David Crowley and his wife and four-year-old daughter were brutally slaughtered in their Minnesota home.**

To make matters worse (seemingly to *cover up* the multiple homicides), both the [local police and members of Fox media made it appear as though Crowley himself had gone mad and committed murder-suicide.](#)

A look at the various **comments section** of this YouTube video report are quite telling. **“Everyone who saw the trailer of THE GREY STATE knows exactly who killed him We are not stupid,”** reads one comment.

**“We are not stupid. Rest In Peace to him and his family. This man recognized what is to come. They did not want this movie to be released...,”** emphasised another.

**“I went to Afghanistan with him. Ive never looked up a peer to such a degree in my life. Absolute fitness stud, incredibly intelligent, an amazing shot. He just seemed to have everything together in such a way that I couldn't help but look up to. No way can I believe the "official" story about this incident.”** – [@brandondavis229](#)

**“This cop is pissing in his pants. He knows who did this. Today we are living David Crowley’s film. Thank you for you sacrifice, your military service and your work. You’ve been relieved of your watch brother.”** – [@dreamagery](#)

The 2017 film [A Grey State](#) is a documentary film that explores both the plot and the mysterious death of the young filmmaker.

Additionally disturbing is an *actual law* – House Bill [HB1274](#) (full text [here](#) and archive [here](#)) – that exists in the state of Georgia whereby executions can be carried out by use of guillotine:

1- 7 BE IT ENACTED BY THE GENERAL ASSEMBLY OF GEORGIA:

Not sure about you, but I won't be moving to the police state of Georgia any time soon!

Perhaps a final aspect that is noteworthy regarding the Freemasons is something called the “**Royal Arch**,” which is a **pledge between fellow members** that reads as follows:

ROYAL ARCH. 113

I furthermore promise and swear, that I will assist a companion royal arch Mason, when I see him engaged in any difficulty, and will *espouse his cause* so far as to *extricate* him from the same, *whether he be RIGHT or WRONG!!!*

I furthermore promise and swear, that I will keep all the *secrets* of a companion royal arch Mason (when communicated to me as *such*, or I knowing them to be *such*), *without exceptions.*\*

Such a pledge can certainly help to comprehend and explain **why so many criminals get released by law enforcement, or get acquitted by corrupt judges**; they are likely to be Freemasons simply

covering for each other. There are countless instances that could be referenced, but suffice it to say that this practice is most probably widely prevalent.

## The Knights Templar

The [Knights Templar](#), sometimes referred to as the *Templar Knights*, *Poor Knights of Christ and of the Temple of Solomon*, or simply the [Templars](#), was a Catholic military order established at the time of the [Crusades](#) in the Middle Ages.

Though the original order is said to have ended, there are several groups that claim to continue its endeavours with [Freemasonry](#) being one of them.

Though members of the order took vows of chastity and poverty, they grew into a financial powerhouse becoming [medieval international bankers](#). They performed nearly all [financial services](#) we currently see in modern banking and finance.

But the biggest part of their *raison d'être* was **to defend Christian pilgrims in Jerusalem and the Holy Land**.

In 1120 A.D., [Baldwin II](#), the [King of Jerusalem](#), gave the Templars his palace – the [aforementioned] **[Al-]Aqsa Mosque** on the **Temple Mount** (originally Mount Moriah) of Jerusalem to serve as their **headquarters**. The adjacent Dome of the Rock served as a church.

“When I visited Jerusalem I always entered the Aqsa Mosque, beside which stood a small mosque which the Franks had converted into a church. When I used to enter the Aqsa Mosque which was occupied by the Templars, who were my friends, the Templars would evacuate the little adjoining mosque so that I might pray in it.” – [Usama Ibn Munqidh](#) (1095 – 1188 A.D., [source](#))

However, by the late 1100's a Muslim Sultan from Egypt called [Saladin](#) successfully repelled the [Third Crusade](#), thus retaking control of the Aqsa mosque.

The Al-Aqsa Mosque is considered to be the *original* location on which once stood Solomon's Temple; it is therefore a sacredly important location for Zionists and secret orders who wish to build the third iteration of **Solomon's Temple**.

*Classical painting re-creating the historical Temple of Solomon. Image source: Masonic Find – [12 Facts About King Solomon's Temple](#).*

We must keep in mind that **the original builders of the temple, stonemasons or stonecutters, are highly praised and revered by Freemasons**, as their fraternity is largely based on the original masons. In Freemasonry, there is also the related [legend](#) of [Hiram Abiff](#) who was thought to be the **chief architect of Solomon's Temple**, also figuring symbolically in some of their Masonic rituals.

While it is difficult to fully prove that either the Freemasons or other orders loyal to the Templars do indeed seek to retake the mosque, it remains a highly likely possibility due to the belief that **the location holds divine powers**. Therefore, it stands to reason that the mosque will suffer some kind of false flag attack in the next year or so.

Though the Templars are [thought to be a relic of the past](#), they continue to this day not only in Freemasonry but also through the [Military Order of Christ](#) based in Portugal. Furthermore, in the United States, [The Sovereign Military Order of the Temple of Jerusalem](#) also seeks to maintain Templar missions, including protecting Christians in the Holy Land and the Middle East.

# The Illuminati

“The Illuminati is the ultimate secret society, a cabal that stretches its tentacles of control to encompass the entire world. The members of the Illuminati are the real rulers of the world, and they have been pulling the strings from behind the scenes for centuries. They have infiltrated every government and every aspect of society around the planet. Some say that their ultimate goal is to install a satanic [New World Order](#), a one-world government that will prepare Earth’s citizens for the coming of the [Antichrist](#).” – [Occult World](#).

The **Order of the Illuminati**, or [Illuminati](#) for short, was founded in the city of Ingolstadt in the southern German monarchy of Bavaria on May 1, **1776**, by [Adam Weishaupt](#).

Members are sometimes referred to as *illuminists*, implying that they are “the *enlightened* ones.”

The documentary [Secret Societies: Brotherhoods, Conspiracies, and the Quest for Power](#) by [Get Factual](#) provides a fairly good **overview of the Illuminati** (as they do with Skull & Bones), stating that **Weishaupt specifically recruited his men from the Freemasons**.

Like in Freemasonry, the Illuminati ran **lodges** (where members would regularly convene) with unsparing strictness and secrecy.

They have **13 hierarchical levels** to their order.

Not long after being founded, the Illuminati were banned. Yet, **Weishaupt had already established key contacts – particularly in the United States** such as with Benjamin Franklin; **Elysium** was their code name for the United States.

And **through historical records – particularly those of the United States’ first President George Washington – it certainly appears that the Illuminati were a threat to the young nation from its very start. Here are some letters which attest to the threat:**

1. Library of Congress – [George Washington to Reverend G.W. Snyder, September 25, 1798](#) (see page 114 of the PDF);
2. Library of Congress – [George Washington to Reverend G.W. Snyder, October 22, 1798](#) (see [page 127 of the PDF](#));
3. Library of Congress – [George Washington to Washington, D.C., Commissioners, October 27, 1798](#).

In the [first letter from Sept. 25 to Reverend Snyder](#), Washington extends his gratitude to the Reverend for having sent him a copy of a book ([Proofs of a conspiracy against all the religions and governments of Europe, carried on in the secret meetings of Free Masons, Illuminati, and reading societies from 1798](#) by [John Robison](#), [alternate link here](#)). He then says: “**I have heard much of the nefarious, and dangerous plan, and doctrines of the Illuminati, but never saw the Book until you were pleased to send it to me.**”<sup>9</sup> (the footnote reads: 9. *In a letter from Snyder (Aug. 22, 1798,*

which is in the Washington Papers), it is stated that this book “gives a full Account of a Society of Free-Masons, that distinguishes itself by the Name of ‘Illuminati,’ whose Plan is to overturn all Government and all Religion, even natural.”) Washington finishes by downplaying the threat, asserting “**I believe notwithstanding, that none of the Lodges in this Country are contaminated with the principles ascribed to the Society of the Illuminati.**”

A [second letter addressed to Reverend Snyder dated October 24](#) clarifies and affirms, however, that Washington did, in fact, recognize the threat that the Illuminati posed, stating “**It was not my intention to doubt that, the Doctrines of the Illuminati, and principles of Jacobinism had not spread in the United States. On the contrary, no one is more truly satisfied of this fact than I am.**”

In other words, being Freemason himself, Washington contended that lodges of the Freemasons *had* been infiltrated, though he leaves room for doubt.

In the same letter, he further clarified: “**The idea that I meant to convey, was, that I did not believe that the Lodges of Free Masons in this Country had, as Societies, endeavoured to propagate the diabolical tenets of the first, or pernicious principles of the latter (if they are susceptible of seperation).**”

Whether the Illuminati had indeed infiltrated the lodges in America or not is up to conjecture.

Over a century later, another U.S. President hinted at the possibility – whether the Illuminati or another secret order:

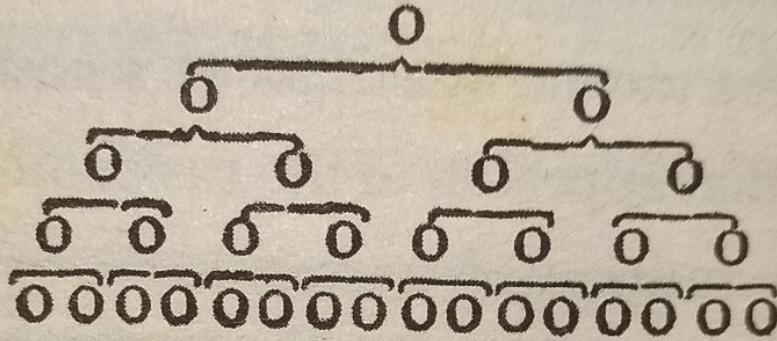

“Since I entered politics, I have chiefly had men’s views confided to me privately. Some of the biggest men in the United States, in the field of commerce and manufacture, are afraid of somebody, are afraid of something. They know that there is a power somewhere so organized, so subtle, so watchful, so interlocked, so complete, so pervasive, that they had better not speak above their breath when they speak in condemnation of it.” – Woodrow Wilson, former US President (1913)

President Kennedy did such a thing, and paid the ultimate price for doing so.

People often wonder **how so few people can control so many.**

In the following diagram, Adam Weishaupt explains to his co-conspirators how this can be accomplished: “**One must show how easy it would be for one clear mind to direct hundreds and thousands of men.**”

mit ich indessen Speculiren, und die Leute geschickt rangieren kann; denn davon hängt alles ab. Ich werde in dieser Figur mit ihnen operieren.

Ich habe zwey unmittelbar unter mir, welchen ich meinen ganzen Geist einhauche, und von diesen zweyen hat wieder jeder zwey andere, und so fort. Today, the Illuminati or “[Illuminati Families/Bloodlines](#)” are terms used to describe members of the highly secretive order.

As such, they can encompass members of the Freemasons, Skull & Bones, the Rosicrucians, the Jesuits, and others to convey **how such groups are not exclusive from one another. In fact, as they share many common goals; they are know to collaborate together.**

There have been a number of brave family member **whistleblowers** who have come out, at great risk, to denounce them.

One of them is called [Svali](#) who was born in Germany, but later ended up in the United States. She [recounts](#) the typical hallmarks that these Illuminati families hold, such as using their children as sex slaves and operatives.

For a more recent account of an Illuminati family whistleblower, look no further than [Nathan Reynolds](#) from the [Reynolds family bloodline](#).

Nathan Reynolds has **articulated very powerful and poignant testimony** during a string of recent interviews on [SGTReport](#), starting from just a few months ago:

1. [Bloodlines & Abominations of the Illuminati](#), Sept. 21, 2023;
2. [The Plumed Serpent & A Den of Thieves](#), Sept. 29, 2023;
3. [The Dragon & Blood](#), Oct. 14, 2023;
4. [Wickedness in the Highest Places](#), Oct. 26, 2023;
5. [Groomed to be a Child Assassin](#), Oct. 27, 2023;
6. [The Demons are Being Unleashed](#), Nov. 26, 2023;
7. [New World Order Death Cult Exposed](#), Dec. 8, 2023.

The first interview, [Bloodlines & Abominations of the Illuminati](#) (alternate link [here](#)) is a powerful one and worth the watch, as are all the others.

A lot more could be said about the Illuminati. But suffice it to say, that **they are alive and well today and are behind the darkest agendas threatening humanity.**

## Other Influential Secret Societies

There are so many other highly influential secret societies – too many to cover in this post.

But some that ought to be seriously examined include the [Rosicrucians](#), the [Jesuits](#) ([Society of Jesus](#), including the [Black Pope](#)), the [Black Nobility](#) ([Venetian Oligarchy](#)), the [Order of the Garter](#), the [Committee of 300](#), the [Pilgrim Society](#) (the [Anglo-American Establishment](#), see their [official website](#)), the [Sabbatean Frankists](#) (see video [here](#) or [here](#)), [Council of 13](#) (Grand Druid Council), and the [Bilderberg Group](#) (though this group is not technically a secret society).

To conclude this section on Bankster Priesthood, there is no doubt that **the few thousand who sit atop of the banking pyramid figure amongst the membership of these (and likely other) secret societies.**

Moreover, there is also little doubt that **given the nature under which these cults operate, a tremendous amount of power is held over its members.** Accordingly, they have little choice but to submit to *the will* of their respective groups (who are known to collaborate with one another), lest they be slain into an early grave.

**We often wonder why those in positions of power such as politicians, judges, heads of corporations, entertainers, and even law enforcement officers do such dark deeds.** The phenomena was in full display during the Covid-19 Scamdemic and sadly continues on to this day – mostly because *we* sit passively by permitting it.

**Wonder no further; for, these operatives or foot soldiers are more than likely controlled by these dark entities and will continue to be so for a very long time, unless they are exposed.**

Short of leaving their cults, asking for forgiveness, and repenting to God – like [Altiyan Childs did](#), they are indeed destined to an after-life with the one they worship, Satan, in the fiery pits of hell.

## **Sanctified in Blood (Final Thought for Part 2)**

**“Autumn night falls over the beach of Gaza, planes are bombing, destruction, destruction,” [the Israeli children sing in angelic voices](#). “Within a year we will annihilate everyone, and then we will return to plow our fields.”**

These are **part of the lyrics of a song that is sung by school-aged children in Israel**, as [reported](#) by [The Electronic Intifada](#), an independent online news publication and educational resource focusing on Palestine, its people, politics, culture and place in the world.

The video of the Israeli children singing this song was posted, then [deleted](#) by [Kan](#) [news], the [Israeli National Broadcaster](#).

As a parent of a young child, a [long-time educato](#), and member of the human race, this kind of display is absolutely appalling and unacceptable to me.

John H. Mearsheimer, author of [The Israel Lobby and U.S. Foreign Policy](#), summarises the stark brutality of the ongoing **Israel→Palestine genocide** in his December 11, 2023 article [Death and Destruction in Gaza](#) in which he references even several Israeli outfits condemning the atrocities committed by the current government in power.

The level of **radical evil** behind this and other mentioned agendas in this series is immeasurable.

This article is dedicated to my father, **Maurice Fournier**, a brilliant microbiologist who would have quickly seen through the lies and deception of the [Covid-19 Scamdemic](#).

## Part 3 – The Great Reset & Return to Freedom and Real Money

*Photograph depicting the Virgin Mary, mother of Jesus, giver of life. Mary symbolises the beauty and pureness of divine souls. She is the Mirror of Justice (the mirror of God, who is Justice itself). Mary is the most feared of all by demons, including Satan. Merely upon hearing a reference to her name, they promptly retreat in shame and unworthiness to their hellish abode.*

### The Synagogue of Satan, a final look

In [Part 1](#) of this series, we began contemplating the notion of ‘**Synagogue of Satan**’ by referring to scripture – specifically in Revelation 2-9 and 3-9. We learned that it is a phrase to describe a group who claim to be [authentic] Jews, but are instead **servants of Satan**. More specifically, **Zionists** would be the more accurate term to describe group in question; for, they are the ones behind a lot of division, wars, and devastation, as was outlined and evidenced in that part. As a disclaimer, it is important to emphasize that this assertion was put forward by mostly *Jewish sources* which were cited and referenced.

Further pondering the matter in [Part 2](#), we explored the very nature of evil by examining who exactly are **Satan**, **Lucifer**, the **devil**, and the **Antichrist**. In a nutshell, we found that despite the different names and references, these four evil ones all function as **deceivers** and **destroyers**, no matter how they manifest themselves or which form they take.

In both parts, we learned about the **mindset** of people who are intent on deceiving and destroying as well as **who they worship, namely Satan or Lucifer**. We can thus refer to these hollow souls as **Satanists** or **Luciferians**, take your pick.

Whether they are Zionists hell-bent on destroying people and appropriating their land, or banksters wishing to plunder, impoverish, and depopulate humans on a mass scale, they are part of the same team that is the **Synagogue of Satan**.

Luckily for us, they either do not hide their leanings, or chose to be somewhat careless in the manner in which they arrogantly show their stripes. Whether it is through their **symbolology**, **numerology**, or other **markings**, they cannot help themselves but to flaunt it without restraint. The [Georgia Guidestones](#) has been but one example among many.

And the star which appears on the [flag of the modern state of Israel](#) is a symbol which is often misunderstood and misinterpreted. The common belief is that the star which appears on the flag is the [Star of David](#); but the less known historicity or esoteric meaning of the symbol is privy to those in the know.

*The Hermetic Seal of Salomon visually depicts the concept of “As above, So below”. It represents opposite energies mirroring each other to achieve perfect balance, which leads to magic.*  
Source: [VigilantCitizen.com](#) – [Sinister Sites: Quinta da Regaleira, an Occult Palace Built for Masonic Rituals.](#)

A **description** of the **Hermetic Seal of Salomon (Solomon)** is perhaps best described by [Manly P. Hall](#), author of 150 books, arguably the **all-time leading expert on Freemasonry** [with **emphasis added**]:

“Man’s three bodies are symbolized by an upright triangle; his threefold spiritual nature by an inverted triangle. These two triangles, when united in the form of a **six-pointed star**, were called by the Jews “**the Star of David**,” “**the Signet of Solomon**,” and are more commonly known today as “**the Star of Zion**.” These triangles symbolize the spiritual and material universes linked together in the constitution of the **human creature, who**

**partakes of both Nature and Divinity.** Man's animal nature partakes of the earth; his divine nature of the heavens; his human nature of the mediator. – Manly P. Hall, *The Secret Teachings of All Ages*”

Some may argue that the **Star of Zion**, or “**Star of David**” as depicted on the official [flag of Israel](#) thus symbolizes man's attempt at being like God just like Adam and Eve did in the Garden of Eden.

Hall states “the human creature who **partakes of both Nature and Divinity**,” implying his heretic attempt at such a mad endeavour.

This is the mindset of **those behind the creation of the State of Israel, the Zionists** as described in Part 1 of this series, including the likes of members of the [Rothschilds banking dynasty](#) who were [instrumental](#) in its founding.

Furthermore, they have always endeared the ambition of creating the third iteration of the **Temple of Solomon** in Jerusalem; accordingly, the star on their flag is the *marking* which shows, for those able and willing to notice, how they intend to achieve their own [false] divinity.

**Architecture** is another means by which they brandish their inclinations. There are too many instances that could be mentioned; so, we will only look at one: **The Bank for International Settlements headquarters tower** in Switzerland which serves as a [rather pathetic] replica of their revered ancient gateway, namely the [Tower of Babel](#).

## The Tower of Babel

Also recalling from Part 2 of this series how **the Zionists worship Babylonian Gods**, it would come as no surprise that they would also hold a special affection towards the [Tower of Babel](#) – which to them is **as sacred as Solomon's Temple in Jerusalem**.

“The descendants of Noah lived in the area of Mesopotamia in Babylon. They settled in a land named Shinar. The population was growing, and they all spoke one language. The people decided to build a tall, proud symbol of how great they had made their nation. **The Babylonians wanted a tower that would "reach to the heavens" so they could be like God and would not need Him.** They began to construct a great ziggurat.

God did not like the pride and arrogance in the hearts of the people. God caused the people to suddenly speak different languages so they could not communicate and work together to build the tower. This caused the people to scatter across the land. The tower was named The Tower of Babel because the word Babel means confusion.” - [Bible Study Tools](#)

**Comparison between the [Bank for International Settlements \(BIS\) headquarters building in Switzerland](#) (left) with an artistic depiction (Oil painting by Tobias Verhaecht, 1561-1631) of the Tower of Babel (right). Image source: [Babelstone blogspot – 72 More Views of the Tower of Babel \(archived\)](#).**

**The Bank for International Settlements (BIS) headquarters building located in Switzerland is obviously modelled on the [Tower of Babel](#) given its similar appearance.**

As such, it conveys the Bankster Priesthood's God-like power, or at least their own twisted perception of it.

To them, Babel symbolises the works of man performed *independently of God*, or the real Creator.

As I [described in a previous series](#) these elitist parasites not only see themselves as [untouchable](#), but also engage in unspeakable acts such as that of [child sacrifice](#) as an affirmation in the worship of their Babylonian gods and to [Satan](#) himself.

Though not of the bankster ilk, the “elite” members that sit atop of the many [institutions](#) of the [European Union](#) such as the unelected technocrats of the [European Commission](#) also espouse these kinds of diabolical leanings.

Look no further than the headquarters of the [European Parliament](#) located in Strasbourg, France, to affirm the fact.

***The Tower of Babel (left) as painted by Pieter Bruegel, circa 1563) compared to the European Parliament building in Strasbourg, France (right). Image source: [Theory of Knowledge blog](#).***

Another, less known, European institution called the [Council of Europe](#) unveiled a poster in 2008 which shows similar inclinations:

**EUROPE:  
MANY  
TONGUES,  
ONE VOICE**

CONSEIL DE LA COOPÉRATION CULTURELLE  
COUNCIL FOR CULTURAL CO-OPERATION

COUNCIL OF EUROPE      CONSEIL DE L'EUROPE

Apart from the obvious reference to the original Tower of Babel, notice the following prominent features of the poster shown above.

First, we have a **crane** on the tower showing that **they moulding European human “rights,” laws and values based on those aligned with their own Babylonian vision.**

Next, we have a series of ***inverted* stars** for the **member states** each clearly depicting the **inverted pentagram**, a symbol of **Satanic worship**. In other words, it shows their intent on subverting each member nation to their evil ways.

“**Europe: Many Tongues, One Voice,**” further confirms their view on usurping God’s will, as it **mocks how he had destroyed the original Tower of Babel**. In other words, they are openly defying his authority.

## **The New Satanic Age of Technocratic Transhumanism**

According to [Britannica](#), **transhumanism** is a philosophical and scientific movement that advocates the use of current and emerging technologies—such as genetic engineering, cryonics, artificial intelligence (AI), and nanotechnology—to augment human capabilities and improve the human condition.

Though a **religious, spiritual, or divine** component is not directly mentioned in various definitions of the term, Britannica alludes to the movement’s dogmatic leanings [with **emphasis added**]:

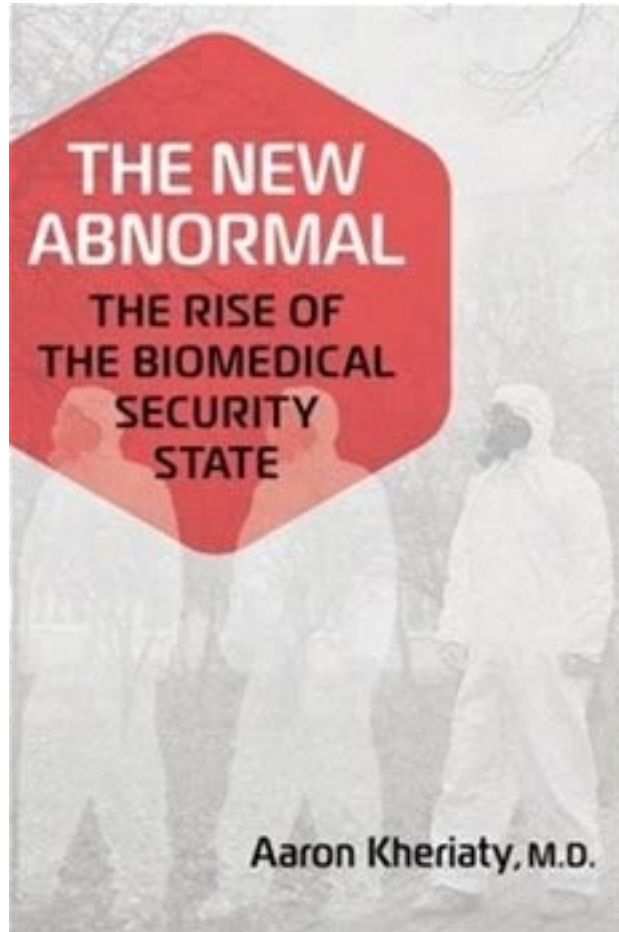

“Although transhumanism has been characterized as a materialist and atheist or agnostic philosophy, some transhumanists have **espoused theories that resemble or even adapt New Age, Buddhist, or Christian beliefs**. In *The Physics of Immortality* (1994), for example, the American physicist Frank Tipler borrowed from the **French Jesuit theologian and paleontologist Pierre Teilhard de Chardin’s Omega point theory**—which proposes that evolution is converging toward a final unity—to present a concept of God as a cosmic computerized intelligence that is equivalent to the Omega. When the Omega point is reached, everyone will experience a computational resurrection into immortality.”

The entry from Britannica only briefly mentions that transhumanism is at times **compared to the eugenics movement**.

However, as [first-generation Holocaust survivor Vera Sharav notes](#), the powers that be wish to **transform human beings into transhumanist subjects that they can control, totally**.

More specifically, she correctly contends that transhumanism will be used as a **bio-technical surveillance tool for controlling human beings and their behaviour**.

[Dr. Aaron Kheriaty](#) who was fired from the University of California after challenging the University's Covid vaccine mandate in federal court wrote a book on the subject – [The New Abnormal: The Rise of the Biomedical Security State](#), a work which demonstrates what has been planned over the past few decades and what is to come, unless of course the masses start waking up and pushing back.

What has taken place over the last few years during the [Covid-19 Pandemic](#), including the draconian diktats and punishing mandates, the [bioweapon](#) “vaccines”, contact-tracing and other [surveillance mechanisms](#), as well as [vaccine passports](#) to restrict peoples’ ability to travel have clearly demonstrated the genocidal nature of these transhumanist offbeat measures.

With the amount of control that these [technocrat transhumanists](#) and their lackeys have exerted on billions, the hundreds of millions of deaths attributable to the bioweapon virus itself, as well as the kill shot Covid-19 “vaccines,” this movement appears to just be [getting started](#).

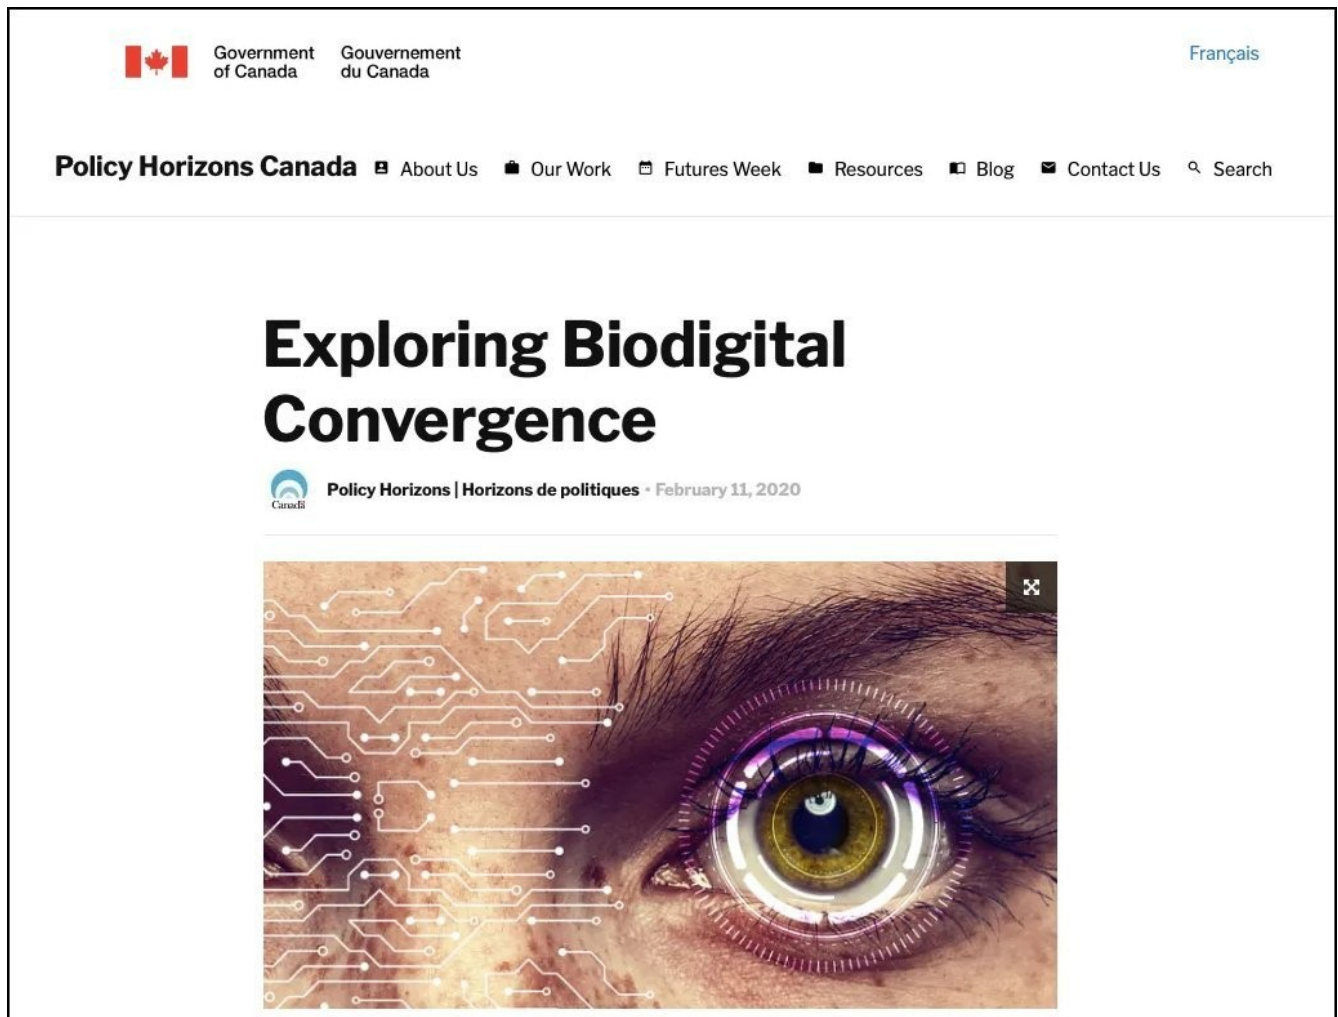

U.S. [intelligence operatives posing](#) as billionaire tech giants like [Elon Musk](#) (of [Neuralink](#) fame), [Larry Paige](#) (of Google Fame), [Peter Thiel](#), and [Jeff Bezos](#) have all a hand in the game.

Others, such as **WEF acolyte and agenda contributor** [Yuval Noah Harari](#) have been [rather overt](#) in their intentions to strip humans of their divine spark, substituting it with their own “AI God.”

These types of endeavours are not limited to intelligence agencies and Tech Giants, but are also espoused by nation states such as **Canada**.

“In the coming years, biodigital technologies could be woven into our lives in the way that digital technologies are now. **Biological and digital systems are converging, and could change the way we work, live, and even evolve as a species,**” commences a document titled [Exploring Biodigital Convergence](#) by [Policy Horizons Canada](#).

The image is a screenshot of the Policy Horizons Canada website. At the top left, there is the Canadian flag and the text "Government of Canada" and "Gouvernement du Canada". To the right, there is a link for "Français". Below this is a navigation menu with "Policy Horizons Canada" followed by links for "About Us", "Our Work", "Futures Week", "Resources", "Blog", "Contact Us", and a search icon. The main content area features the title "Exploring Biodigital Convergence" in large, bold, black font. Below the title is the "Policy Horizons | Horizons de politiques" logo and the date "February 11, 2020". The central image is a close-up of a human eye with a futuristic, glowing purple and blue digital overlay, symbolizing the convergence of biology and technology.

While it is not a bad thing in itself to be forward-looking, the government paper hints at things such as:

- “full physical integration of biological and digital entities,”
- “biological bodies with digital brains,”
- “human-computer and brain-machine interfaces,”
- “medical use of digital devices in humans,”
- “digitally manipulated insects such as drone dragonflies and surveillance locusts,”

Digital technology can be embedded in organisms, and biological components can exist as parts of digital technologies. The **physical meshing, manipulating, and merging of the biological and digital are creating new hybrid forms of life and technology**, each functioning in the tangible world, often with **heightened capabilities.**”

The paper also explores technologies such as using **gene sequencing** with artificial intelligence (AI) to alter existing organisms, or to use gene editing techniques with [CRISPR](#).

“A third form of biodigital convergence involves a **shift in perspective** that could reshape our framing and approach to biological and digital realms, **facilitating the blending of the two,**” further states the paper, seemingly implying that people should embrace these transhumanist technologies and movements, or to normalise them.

Among other, equally disturbing, transhumanist trends is that of **doing away with how human beings are biologically conceived and developed.**

No kidding.

Have a look at the following video by another transhumanist, Hashem Al-Ghaili, called [EctoLife: The World’s First Artificial Womb Facility](#):

<https://www.youtube.com/watch?v=O2RivJ1U7RE>

Some would argue that transhumanism is [as old as events described in the Bible](#).

Regardless, the movement certainly seems to be accelerating at an unprecedented pace, as of late.

## **The Great Reset: A Fascists New World Order**

In an article titled [2024: The Year Global Government Takes Shape](#), renowned author [Kit Knightly](#) **magnificently summarises how the New World Order is *actually* taking shape** – in stark contrast to a cacophony of countless amateurish cliché accounts on the subject.

Her piece encapsulates the essence of the manner in which these so-called elites (I prefer to call them *parasites*) operate. They are slick, cunning, and Machiavellian in the exact same manner that Satan himself deceives.

**“Global government is the endgame. We know that. Total control of every aspect of life for every single person on the planet, that’s the goal,”** she commences in her piece.

And she is right.

These people have riches well beyond what anyone could ever dream of.

**What they want, ultimately, is *absolute control* over us whom they see as useless eaters, or idiotic sheep that are easily led to the slaughter.**

Their arrogance and conceitedness is beyond measure, and is their Achilles heel.

Knightly correctly notes that they are not *overtly* establishing a global government that will do away with nationhood. Rather, she contends that they intend to obtain the same effect by **subverting nations' and citizens' sovereignty using three key tools:**

1. **Digital ID**
2. **Digital Money (CBDCs)**
3. **"Climate Action"**

I've been writing about each of these for a long time now – with one of my latest being about the next huge false flag crisis that is designed to bring about number one and two on the list above, namely a global wide-scale [Cyber Attack Crisis](#).

I've explained on some podcast interviews that **the reason a [false flag] cyber attack event aligns with their objectives is that they can easily justify that people thereafter will have to use a Digital ID to surf the internet in order to maintain security and prevent future cyber attacks.**

Moreover, I have also stated that **the Digital ID is an *absolute must* for them to have in place in order to tie it to Digital Money** – whether that is a CBDC or a token-based national currency (as renowned investigative journalist [Whitney Webb](#) surmises).

Hereunder is a clip of an [interview](#) I did with investigative journalist Johnny Vedmore last September which summarises why I believe this fabricated crisis fits their plan:

<https://www.youtube.com/watch?v=U4nyN71rj8o>

In the above clip we only scratch the surface of how the cyber crisis event will unfold.

In my [article](#), I **predicted that these parasites will find a [boogeyman](#) (such as Russia or China) to pin the blame on the attack.** Already we have seen some [most likely fabricated] initial smaller-scale events that are meant to **position the narrative of cyber threats with the likes of [Iran and China](#).**

These are also ramped up using Hollywood's signature [predictive programming with no less than the recently released Obama-produced movie \*Leave the World Behind\*](#).

Nothing new under the sun, folks. These people are about as predictable as an over-priced Starbucks coffee. Yet, their arrogance makes them think that we are stupid enough to fall for it each time.

Anyway, returning to Kit Knightly's [article](#), **they way they seek to achieve the most ambitious power grab in human history is through *interoperability*.**

## **Interoperability is the name of the game**

**Interoperability** is the glue they wish to use to materialise their tyrannical New World Order system of total control and enslavement.

They know that they cannot get all independent nations to submit to a single global governance model. They've tried that for decades, and failed miserably – with the exception of the European Union.

**Instead, they are modifying their approach to use the [supranational institutions](#) they have set up and control such as the [United Nations](#), the [World Health Organization \(WHO\)](#), the [World Economic Forum \(WEF\)](#), the [International Monetary Fund \(IMF\)](#), the [World Bank](#), the [Bank for International Settlements \(BIS\)](#), to hoodwink member states into implementing their systems that will be *globally interconnected with one another*, essentially usurping their sovereignty and independence in the process.**

**“While the world’s national CBDCs will notionally be separate from one another, the majority are being coded to recognize and interact with each other.** They are almost all being developed along guidelines produced by the Bank of [sic] International Settlements and other globalist financial institutions, and they are all being programed [sic] by the same handful of tech giants.

A [June 2023 report](#) for the World Economic Forum noted the importance of “**Central Bank Digital Currency Global Interoperability Principles**” and concluded:

*“It is crucial for **central banks to prioritize interoperability considerations early in the design process** by adhering to a set of guiding principles. **To facilitate global coordination and ensure harmonious implementation of CBDCs**, the development of a comprehensive set of principles and standards becomes imperative. Drawing upon previous research and collaborative efforts, this set of principles can serve as a robust foundation, guiding central banks to proactively consider interoperability from the outset of their CBDC initiatives. By adopting these principles, **central banks can work towards creating a cohesive and interconnected CBDC ecosystem.**”*

Though many documents from the WEF and BIS refer to this interoperability principle, here are some highlights from the latest one linked in the quote from above [with some **emphasis added**]:

**“To ensure the successful implementation of CBDCs and promote interoperability in both domestic and cross-border payment systems, global coordination becomes paramount.**

...**building the CBDC with public-private cooperation and prioritizing interoperability.**

...there arise a **set of principles for CBDC interoperability**. There are generally applicable principles such as the need for **standardization**, openness and inclusivity, scalability, resilience and redundancy, and **crossborder integration**. Additional principles are grouped by governance, legal and regulatory, **identification and authentication**, payments, and technical.

...For **policy-makers**, there is a recommendation to aim for **regulatory consistency**,

...**CBDC Objective: Interoperability and standards: Achieving interoperability between CBDC systems and establishing global standards are important priorities.** Collaboration among different regions to **develop common protocols and frameworks** can facilitate seamless integration between CBDCs.

...**Identification and authentication: Universal means for identification:** CBDC systems should **support a universal and standardized identification framework that allows individuals and entities to establish their identities across different CBDC systems.** This can involve the use of unique identifiers or **digital identities that can be recognized and accepted by multiple CBDC platforms.**

**Strong authentication:** CBDC systems should **employ robust authentication mechanisms to ensure the secure access and use of digital currencies.** This may include multi-factor authentication, **biometric verification** or other advanced authentication methods to prevent unauthorized access and fraud.”

The last two paragraphs above recommend using “**digital identities**” that are compatible with “multiple CBDC platforms” (i.e., across nations) and would require **biometric verification** as a means **to authenticate a person using the CBDC.**

The latter is **the quintessential feature that they are seeking as a precursor for anyone to use their digital slave currency, or CBDC.** And like I mentioned previously, it is only through *national* Digital ID systems that they could accomplish this.

# Central Bank Digital Currency Global Interoperability Principles

WHITE PAPER  
JUNE 2023

*The World Economic Forum's June 2023 report titled [Central Bank Digital Currency Global Interoperability Principles White Paper](#) (click link to access the PDF).*

Accordingly, it will be up to the citizens of each country to push back against the possible implementation of such Digital ID systems – especially if they are of the *biometric* variety; for, they are literally the [Mark of the Beast](#) as prophesied in the Bible. More on this will be discussed in the related section below in this article.

The last of the three pillars that Kit Knightly mentions in her article that will secure the beast system of the globalists is that of “**Climate Action**,” or what is essentially one of the most monumental hoaxes ever perpetrated on humanity, c'est-à-dire what is more commonly referred to as “**Climate Change**.”

In the past, these globalists had labelled this non-existent threat as “Global Warming.” But when scientific data didn’t align with their ridiculous claims, they rebranded it to “Climate Change” and used very lame actors and secret society members such as former U.S. President Al Gore, John Kerry and Greta Thunberg to push the scam.

<https://www.youtube.com/watch?v=xVIRompc1yE>

Have you ever seen a worse acting performance in your life?

One would think that if she was to be the global **poster child** for “**Climate Change**,” her handlers would have assigned a much better acting coach for a more authentic and believable delivery of her lines.

Oh well, at least her **Freemason** brothers have provided her with various platforms and outlets around the globe for her to strut her stuff (and make millions while doing so), not excluding the Davos clique of course.

**Freemason Greta Thunberg displaying the Masonic all-seeing eye.**

And once again, as the same Kit Knightly noted last October, the World Health Organization is just itching to declare a “**Climate Emergency**” in order to impose harsh climate lockdowns to further control the masses even more than they did during the Covid-19 scandemic.

So, don't be surprised to see more of this douchebaggery rhetoric pushed by the likes of other climate charlatans such as [Steven Guilbeault](#) and [Justin Trudeau](#) in Canada in order to **collect billions in [Carbon Taxes](#) to send to the globalist empire to help fund these interoperable systems of enslavement.**

## **Satanic Agendas (UN Agenda 2030, Covid-19, Open Borders, Inclusive Capitalism, Woke Ideology, Climate Scam) and who are behind them**

The **globalists** who have been tasked with the implementation of these destructive, Satanic at their core, agendas are **subservient puppets or useful idiots** spinelessly prostrating themselves to the commands and whims of their overlords.

They are too foolish and too ignorant or nescient to realise that these **plots** will inevitably also undermine and pillage them, perhaps even more than us "useless eaters."

Yet, in the artless act of submission, their ranks continue to feed the beast system, New World Order, or whatever you want to call it.

These are the **George Soros', Bill Gates', Mark Carneys', Justin Trudeaus', Mark Ruttes', Jacinda Arderns', Al Gores', [Elon Musks'](#)** & company.

Many are [World Economic Forum acolytes](#) and [Global Shapers](#), [Bilderbergers](#), or [Fabians](#). While others are members of [secret societies](#), proud and subservient [Zionists](#), or parasitical [pedophiles](#).

Regardless of what allegiance they belong to, this army of self-proclaimed "elites" consider themselves as *la crème de la crème* of society; they conspire shoulder to shoulder, granting themselves the absolute right to dictate every single aspect of our lives.

In a way, they appear as *untouchable*, for the **mainstream media** cherishes them, shields them from any kind of real criticism, and labels them as our heroes and saviours.

**Governments** praise them and fund their "[philanthropic](#)" [foundations \(many of which are unswervingly focused on eugenics\)](#) and proudly [reward](#) them.

**Courts** let them off the hook.

And so on, and so forth.

**Citizens around the world have had enough of their existence, and are awakening in the hundreds of millions each and every year.**

Nevertheless, they remain absolutely *relentless and steadfast* in their pursuits. They will stop at nothing to push their agendas and NWO forward.

The reason this author refers to these agendas as *Satanic* lies in the fact that they all have one thing in common: **depopulation**.

Satanists at their core, they wish to eliminate as many of us as possible. They believe that they can acquire more power from [whom they worship and revere](#).

Here are but some of their grandiose ambitions which they wish to impose on humanity in order to further subjugate us and strip us of our rights and freedoms.

## **UN Agenda 2030**

This particular agenda is probably **the most destructive** that has ever been devised by human beings.

**Diabolic** would be the preferred adjective to describe it, for the word means to ***tear apart***.

Tearing apart society is integral to their objectives since it weakens us, making us **easier to control**.

Just look at all the race-baiting in the U.S. and elsewhere. This is a **divide-and-conquer** tactic which has been utilised for thousands of years.

The reader must first be cognizant that **the United Nations as a global institution was established by rich elite families such as the Rockefellers, but to name one, in the ambition of creating a *supranational state* by which they can amass control over nation states and their respective peoples.**

As I noted in a prior [series](#), it was the [Rockefellers](#) who donated the land in New York City on which the United Nations building resides. The elitist family was heavily involved in the formation and funding of the UN which [continues](#) well into in the 21<sup>st</sup> century.

Most people may not know that **United Nations high-ranking officials [hold](#) diplomatic [passports](#) granting them [privileges and immunities](#), essentially shielding them (and members of [specialised agencies](#) of the UN such as the [IMF](#), the World Health Organization (WHO), the World Bank Group, and UNESCO, among others) from any kind of arrest or prosecution**. Here's an [excerpt](#) to this effect:

### **“Article IV**

#### **The Representatives of Members**

Section 11. Representatives of Members to the principal and subsidiary organs of the United Nations and to conferences convened by the United Nations, shall, while exercising their functions and during the journey to and from the place of meeting, enjoy the

following privileges and immunities:

(a) Immunity from personal arrest or detention and from seizure of their personal baggage, and, in respect of words spoken or written and all acts done by them in their capacity as representatives, immunity from legal process of every kind;

(b) Inviolability for all papers and documents;

(c) The right to use codes and to receive papers or correspondence by courier or in sealed bags;

(d) Exemption in respect of themselves and their spouses from immigration restrictions, aliens registration or national service obligations in the State they are visiting or through which they are passing in the exercise of their functions;

..."

Where the United Nations has been particularly nefarious is with its [Sustainable Development Goals](#), or [SDGs](#).

## THE GLOBAL GOALS

For Sustainable Development

These goals which, at prima facie [to the nondiscerning], are framed in language to make them sound like they are noble and benevolent ideals for humanity. In reality, they are designed to accomplish the exact opposite; they are **malevolent ones largely focused on destroying many aspects of human society, fostering impoverishment and systems of control and [enslavement](#), largely [undermining democracy](#) replacing it with [totalitarian socialism and corporate fascism](#).**

While this statement can be seen as merely conspiratorial or conjecture, or even crazy, when you really dig into them, you find that these goals are *deceptively* designed and constructed to **strip away rights and freedoms from people, governments, and countries.**

In a June 2023 post called [The United Nations \(UN\) seeks Digital IDs for all](#), among numerous other power-grabs, I provided several examples of this kind of deception to prove my case.

In a [post](#) from that same series, I also noted the very important (and nefarious) **relationship between the United Nations and the World Economic Forum (WEF)**, particularly with their 2019 [Strategic Partnership Framework](#).

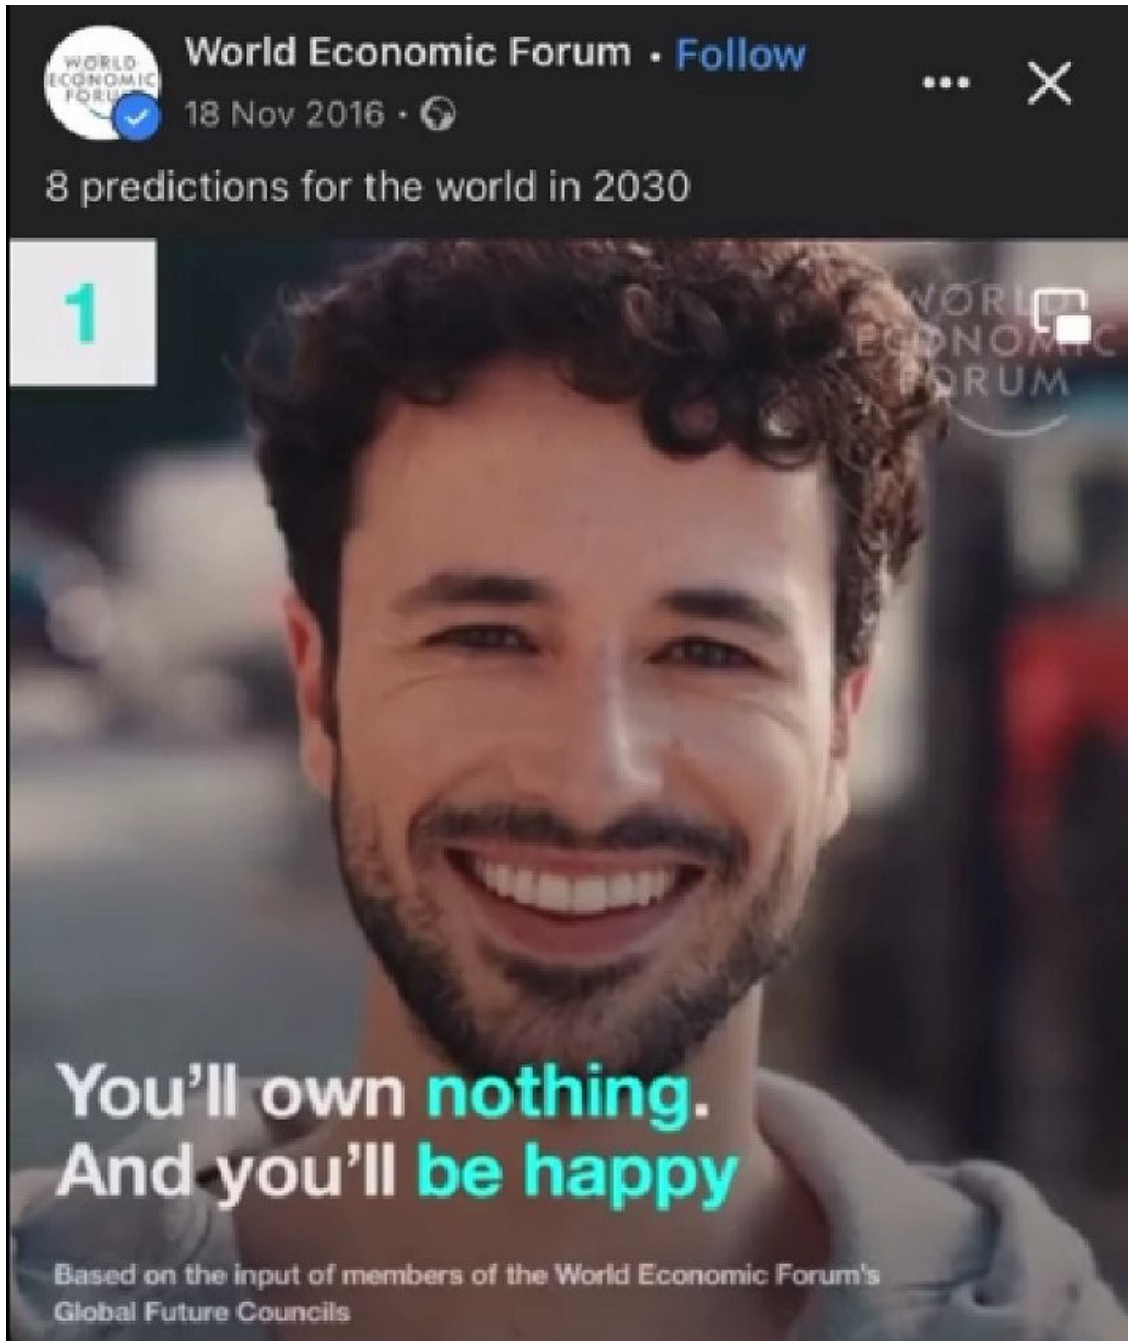

***UN Secretary-General António Guterres and World Economic Forum Founder and Executive Chairman Klaus Schwab (center) with Børge Brende, President of the World Economic Forum (left), and Amina J. Mohammed, Deputy Secretary-General of the United Nations (right). Photo source: [World Economic Forum and UN Sign Strategic Partnership Framework](#).***

While the **World Economic Forum**, or **WEF** for short, [describes itself](#) as an international organisation that fosters public-private partnerships to help solve some of the world's most challenging problems, it is nothing other than **an unelected body of self-appointed elites that wish to devise mechanisms of control.** It is the quintessential model of **fascism** whereby a **self-serving technocratic oligarchy use their power and highly deceptive tactics and complicit politicians to usurp countries' sovereignty, exerting increasing levels of control on citizens.**

Whether it is promoting [Digital IDs](#), [pushing](#) the [Climate Change](#) scam, or other shenanigans, **the WEF is not on the side of humanity.**

Their own [Great Reset Agenda](#) is symbolic of their desire for humans to “[own nothing and be happy](#)” so that you can no longer have any property rights.

To sum up, like the WEF, the United Nations is nothing less than an [egregious](#) unelected, supranational organisation or oligarchy that was setup and is still run by elite families to enrich themselves and further pillage nations and their peoples' wealth while unwaveringly attempting to strip away their rights and freedoms – piece by piece – in order to exert the maximum amount of control over them.

I personally think that not only will the UN's Agenda 2030 and its SDGs fail, but that **countries will start to revoke their membership from this destructive entity**. The masses are now seeing through their gimmicks and deceptions, will no longer tolerate their very existence, and ask their respective governments to cut the cord.

## Covid-19

Last February I undertook a **6-part series** called [The Covid-19 – Holocaust Comparison](#) (*click the link for the conclusion*) which was also assembled into an [188-page eBook](#) that **explored parallels between the Covid-19 Pandemic and the Holocaust which occurred during World War Two**.

### **The Covid-19 – Holocaust Comparison**

A Review of the docuseries *Never Again is Now Global*

By Dan Fournier

eBook edition

May 9, 2023

[Part 3](#) of that series, the longest at 45 pages, focused on **eugenics** – comparing the Anglo-American movement from the late 19<sup>th</sup> and early 20<sup>th</sup> century with that which was imposed by Adolf Hitler’s brutal Nazi regime against Jews and other groups.

After having documented, referenced, and examined the blatant parallels between the two periods, I could come to no other conclusion that **the Covid-19 operation, plandemic, scandemic, or whatever you want to call it, is tantamount to a deliberately planned and executed *mass depopulation event*.**

An image showing the parallels between the Holocaust from World War Two with the Covid-19 Pandemic. Image source: [The Covid-19 – Holocaust Comparison, Part 6 – Conclusion](#).

In [Part 1](#), I presented a table that compared the number of deaths attributable to the [Holocaust from WWII](#) with the deaths (recorded at the time) associated with the Covid-19 disease and also the estimated deaths attributable to the Covid-19 vaccinations as [scientifically determined](#) by Canadian researcher [Denis Rancourt](#):

Deaths attributable to the Holocaust from WWII	Deaths attributable to Covid-19	Estimated deaths alleged to be attributable to Covid-19 Vaccinations
	6,860,000	13,000,000
<b>6,000,000</b>	<b>19,860,000</b>	

As we can see from the table above, **the number of estimated deaths from Covid-19 vaccinations alone are more than *double* the total deaths during the Holocaust.**

The fact that the majority **governments and health authorities** from around the world have yet to pull the dangerous and deadly so-called vaccines off the market and even continue to push on the citizenry, including children and pregnant women, attests to **their complicity in the *genocide***, not to mention their evil, inhumane, and immoral stances in the sordid affair.

The fact remains that **in the entire history of the world, there has never been a war in which there were this amount of victims, not only including the deaths, but also those who have been injured from the mRNA injections.**

There exists a plethora of evidence which corroborates these facts, and that **these injections are nothing less than [bioweapons](#) of mass destruction.**

The **complicity of the mainstream media – [in Canada](#) and around the world – also needs to be emphasised; for, this attack on humanity could not have been perpetrated without their vile and traitorous collaboration.** Their reputations and trustworthiness have been irreparably shattered, and they will forever be remembered and loathed for their Machiavellian deception and outright malefaction.

As an **evil plot to harm and eliminate as many human beings as possible**, this agenda will long be recognised as **the most destructive Satanic mass ritual sacrifice ever perpetrated on humanity.**

## Open Borders

According to [ZeroHedge](#), as of 2022, there were “officially” **23.8 million non-citizens living in the EU, most of them entering in the prior five years**. The majority of them were concentrated in Italy, France, Sweden, Germany and the UK.

The ZeroHedge article titled [Too Little Too Late? Europe Finally Realizes Mass Immigration Is Destroying Them](#) also notes:

**“All of these countries have seen a [spike in violent crime](#) and property theft, with the proliferation of gang violence and increasing incidents of rape. European officials have consistently sought to cover up and hide the exploding crime statistics, including the rising number of [child abuse incidents](#) at the hands of migrants.”**

Though many organisations have been involved in enabling mass illegal immigration in Western nations, George Soros’ [Open Society Foundation](#) has been [at the forefront](#) of this nefarious endeavour.

Over the past several years, the flow of millions of refugees – most of who originate from impoverished nations in Africa and the Middle East – has been **a key weapon to destabilise Western Nations**.

This has brought about increased amounts of violent crimes, including epidemics of rape in countries like [Sweden](#), [Germany](#), and [Austria](#).

Just a few days ago, Modernity News [reported](#) that **Europe’s top border guard is calling for wide-open borders**.

[Frontex](#), the European Border and Coast Guard Agency, is an agency that purportedly “supports EU Member States and Schengen-associated countries in the management of the EU’s external borders” and provides “border control activities at the EU’s external borders, sharing intelligence and expertise with all Member States and with neighbouring non-EU countries affected by migratory trends and cross-border crime.”

[Hans Leijten](#), the Executive Director of Frontex, made a rather [astonishing assertion](#), as indicated in the German Berliner Zeitung:

**“Nothing can stop people from crossing a border, no wall, no fence, no sea, no river.”**

The statement from above comes from Leijtens whose job is to actually secure the borders, not eliminate them.

Even left-leaning political parties in [Germany have pushed back](#) on the onslaught of illegal migration into Europe.

Western Europe is under a clear assault with its nations being overwhelmed with migrants.

This is all by design and facilitated by the traitorous institutions like the European Commission.

Unless member states of the EU start pushing back more severely, they will quickly lose their national identities, if that is not already the case for some of them.

Without secure borders, you don't have a country.

On this side of the pond, the open border policy of the United States serves as prime example of the destructive nature of letting millions of migrants come into a country whereby its peoples are ill-equipped to assimilate with locals.

The Federation for American Immigration Reform (FAIR) **exposes the [Soros and "globalist mass-migration racket."](#)**

"It's a conspiracy truth. Hungarian-born billionaire **George Soros** is the mastermind of mass-migration chaos," notes the author of the 2019 book [Open Borders Inc.: Who's Funding America's Destruction?](#), as per the aforementioned article.

Prolific write Brandon Smith from The Alternative Market Project recently penned an article, [Cultural Replacement: Why The Immigration Crisis Is Being Deliberately Engineered](#), that attempts to answer *why* this is all happening.

First though, he presents some pretty mind-boggling numbers [with **emphasis added** and original link preserved]:

"The Biden Administration in particular has overseen the largest spike in illegal migration in US history, **with [over 300,000 border violations](#) in December alone** (that we know of). To put this in perspective, that's the equivalent of a city the size of Pittsburgh moving across the US border and demanding welfare, subsidies, housing, jobs, free food, etc., every single month."

That's more than a quarter of a million people *in a single month*, and the equivalent of a major metropolitan city like Pittsburgh.

These numbers are staggering, the highest in the last two decades.

Numbers aside, Smith gets to the heart of the question about why this is all occurring:

"The replacement going on is not so much about replacing white people as **it is about replacing western culture**. The goal, I believe, is to open the floodgates to foreign elements because **most of them come from more socialist systems that have no understanding of individual freedom. In this way, the establishment can dilute the American culture of independence and use the tyranny of the majority (democracy) to erase our values and principles forever.**"

I believe he is spot on. We see the same MO in Europe. It is **the intentional destruction of nations' cultural and religious identities.**

Moreover, it is part of what former Soviet defector Yuri Bezmenov referred to as the [destabilisation stage to subvert a nation](#) (alternate links for the full interview can be accessed [here](#) or [here](#)).

There is little doubt that this is an integral part of a **Communist/Marxist subversion operation, or takeover.**

What's worse is that **over 85,000 minors have been trafficked via the southern border**, [according to the Center for Immigration Studies.](#)

To gain a better understanding of who exactly is permitting this invasion in the United States, we needn't look any further than the person [purportedly] in charge of securing the border, namely [Alejandro Mayorkas, Secretary of Homeland Security](#) who I mentioned in Part 1 of this series and who received [sharp criticism](#) for his traitorship. As [per the Jewish Telegraph Agency](#), Mayorkas, like many other high-level officials, is a Jew serving in the Biden Administration, arguably one of many **Zionist traitors** that are steadfast in supporting foreign interests, read Israel's, and destruction at the expense of those of the United States of America.

Alongside Mayorkas we [find Amy Pope](#) the UN's Deputy Secretary of the [International Organization of Migration, or IOM](#) (headquartered in the untouchable abode of Geneva, Switzerland, of course), **the preeminent NGO in the field of migration.**

*DHS Secretary Alejandro Mayorkas alongside Amy Pope, the UN's Deputy Secretary of the International Organization of Migration (IOM). Photo source: U.S. Department of Homeland Security via [ZeroHedge](#).*

The sophisticated human-smuggling operation occurring at the southern border is quite large in its scope and [geography](#), to say the least.

Even *within* U.S. borders government-funded outfits such as the [Red Cross](#) and [shadowy organisations like Alita](#) are facilitating illegal immigration, as reported on by investigative journalist James O’Keefe.

In short, traitors like Mayorkas, Pope and even the U.S. federal government are enabling these destructive policies.

Furthermore, institutions such as the [United Nations Development Programme](#), the [European Union](#) (including the [European Commission](#)), the previously mentioned [Council of Europe](#) have [funded](#) NGOs such as George Soros’ Open Society Foundation for these stratagems; for, it aligns with their **destabilisation and depopulation agendas**.

## **Inclusive Capitalism**

The aforementioned writer Brandon smith nicely [sums up](#) the idea of [Inclusive Capitalism](#) in three words: **New World Order**.

<https://www.youtube.com/watch?v=IJoXwh0Vu9M>

Did you notice how Comments were *turned off* for the official video from above?

The Council for Inclusive Capitalism is the brainchild of [Lynn Forester de Rothschild](#) of the **thieving infamous Rothschilds Banking Dynasty** [described](#) in Part 1 of this series.

Despite her pretty blond hair and fake smile, Mrs. de Rothschild couldn’t care less about the global masses. As a socialite operative of her clan, she is only interested in using her family’s name and spheres of influence to **loot and suck as much money as possible which will be funnelled to the, already humongous, coffers of her family’s estate**.

Lynn Forester de Rothschild, is the quintessential **poster child for the bankster priesthood, a priestess of the highest order**.

The *20<sup>th</sup> Century version* being, of course, that of a noble and generous philanthropist who seeks to benevolently save humanity for the greater good, i.e., read: **to steal as much as they can from complicit governments, corporations, and other soulless organisations and aristocrats**.

As with many other destructive agendas such as the 2030 Agenda of the United Nations or the Climate Scam, these parasitical “elites” **always try to make their nefarious plans sound like they are something benevolent**. They use keywords such as **diversity, equity, inclusive, sustainable, and resilient**.

For example, they [state](#) that they want to build “**more *inclusive* economies and societies takes an *inclusive* community of leaders with *diverse* experiences and strengths.**”

In this case, who wouldn't want capitalism that is more *inclusive*?

That is an oxymoron if ever I hear one.

As a Business major and one who has operated his own businesses, it's quite apparent that **capitalism has *nothing* to do with inclusiveness.**

As acclaimed economist Ludwig von Mises once [wrote](#), “capitalism's driving force is the **profit motive,**” and **its history consists “of a steady rise in the wage earners' standard of living.”**

Yet, over the past century or so, all we have seen is a **dramatic degradation in the standards of living due to [an excessive devaluation of the monetary base](#) by these [banksters who have been controlling nations' central banks](#).**

So no, Lynn, I don't think your “Inclusive Capitalism” scheme is going to cut it.

As usual, these ideologues who sit atop of the [global pyramid of control](#) **need their subservient sellout operative foot soldiers to do their bidding.**

The [promotion video](#) for this swindle includes those very [operatives and corporations](#) that are all too willing to oblige. Heads of some of the largest banking, financial and multinational corporations, “philanthropical” foundations, organisations such as the [OECD](#), and even the [Vatican](#) itself are in on it.

For instance, banker extraordinaire [Mark Carney](#), who also happens to be the **top UN trickster as its ‘Special Envoy for Climate Action and Finance’** has certainly obliged in his role to further impoverish the masses with this scheme.

Carney did so for many years as the head of the Bank of Canada and the Bank of England, despite receiving very little criticism for it. In fact, **through his [financial machinations and crushing carbon taxes](#), Carney has single-handedly caused more damage to Canada and the international financial system than perhaps any other individual on earth.**

***Screenshot from the [promotional video](#) for Inclusive Capitalism showing [Mark Carney](#).***

Apart from its linkage to the **Climate Cult ideology**, it should also be emphasised that the Council for Inclusive Capitalism’s **framework is closely aligned with the United Nations’ 2030 Agenda as well as the World Economic Forum (WEF)** as is stated on its [about page](#).

“The CIC [Council for Inclusive Capitalism] is intimately tied to institutions like the World Economic Forum, the UN and the IMF, but it is primarily an attempt to link all these organizations more closely to the corporate world in an open display of collusion,” Brandon Smith writes in a separate [article](#) from last year.

“The group pushes the spread of what they call [Stakeholder Capitalism](#),” Smith further states, in an obvious comparison with the WEF’s own model of capitalism.

Needless to say, **these “Stakeholder” or “Inclusive” capitalism models are just cleverly disguised ploys designed to create an oligarchical global fascist superstate whereby the rich elites own practically everything, while the rest of us own very little and live like submissive serfs.**

## **Woke Ideology**

At its very core, the woke agenda is the most ***anti-life*** of all.

It is **the antithesis of life itself, the divine will of God.**

The cover image for this post shows **Mary** who is **symbolic of these qualities along with motherhood.**

The **purpose** of the woke agenda entails not only the **destruction of life itself** but, more apparently, **the perversion of the natural order**.

Central to its wicked and twisted ideology lies the tenet of **transgenderism**.

The idea of transgenderism or **trans ideology** has its roots in the worship of [Innana](#) (Ishtar or Venus) which **perverts or inverts the role assigned to women**.

As one of the most important deities in ancient Mesopotamia, Innana was worshipped as a harlot and one who could transform herself into a man, and transform men into women.

Hence, this particular ideology is far from being something new.

The Messianic Jew and rabbi Jonathan Cahn has [repeatedly explained](#) the historical and scriptural aspects of Ishtar, along with her contemporary manifestation.

[https://www.youtube.com/watch?v=Luu\\_IRZrhIE](https://www.youtube.com/watch?v=Luu_IRZrhIE)

In his video [The Transitioning of America](#), Cahn notes a broader transitioning taking place: “**the transitioning of Western civilization and America into its opposite.**”

“**The transitioning of a Judaeo-Christian nation,**” he further rationalises.

He is exactly right.

**Not only do they wish to destroy the *physical* aspect of human beings, but also their innate *spiritual* compass or armour and the Christian religion as a whole.**

**They are Satanists, after all.**

Though we are all targets, [wokeism](#) encapsulates a particularly dreadful and **direct attack on women**; for, they are the givers of life.

It is **the single most effective tool in their depopulation agenda arsenal**.

A vulnerable and confused female teenager who is brainwashed, manipulated, and co-opted into receiving “[gender affirming](#) care” (another example of their twisted keywords) or [surgery](#) rendering her permanently and irreversibly sterile, unable to ever conceive and give birth to a child, **shows the extent to which these Satanists will stop at nothing to destroy God’s creations**.

Worse, this is in addition to **how their [woke agenda](#) targets the most vulnerable members of society, namely our [precious children](#)**.

They do this through various means of egregious [indoctrination](#) from early childhood through highly duplicitous and sorcerous Hollywood programming. Case in point, you can watch a breakdown of the recent [Barbie](#) movie by our friend Jonathan Cahn:

<https://www.youtube.com/watch?v=cKp-A6BBg-E>

**Canadian Prime Minister Justin Trudeau with his son promoting the Barbie movie and transgenderism agenda, unashamedly saying “We’re team Barbie.” Photo source: [Justin Trudeau’s official Instagram account](#) via [Yahoo!](#)**

With regards to the actual **funding** behind these depopulation agendas, you almost always find the same culprits: **Bill Gates, George Soros, the [World Economic Forum](#), [et al.](#)**, not to mention taxpayers like you and me.

For [several years now](#), **George Soros** has been heavily invested in the transgender movement in the United States (apart from his heavy investments in [Black Lives Matter](#)).

**Bill Gates** and his [ex-wife](#) through the [Bill & Melinda Gates foundation](#) and other [partners](#) have contributed more than **[\\$2 billion](#) to this agenda**.

With unswerving billions of dollars flowing into the movement through a web of fronts, **the woke and transgenderism agenda is, unfortunately, systemic and it will take a lot of effort and time to counter its devastating and destructive consequences.**

## Climate Scam

This section would actually require an entire series to do it justice. But for the sake of brevity, I will only make select, salient remarks.

This agenda is one of the **oldest and most sophisticated** of all the agendas covered in this section.

It has been in the works for at least **five decades** now, with **its origins stemming from the [Club of Rome](#)**.

When speaking about [Agenda 21](#) and the Club of Rome, former Australian politician [Ann Bressington](#) stated the following [emphasis added]:

“Ladies and gentlemen, the origins of the environmental movement as we see it began back in 1968 when the Club of Rome was formed. The Club of Rome has been described as a crisis think tank which specialises in crisis creation. The **main purpose of this think tank was to formulate a crisis that would unite the world and condition us to the idea of global solutions to local problems.** In a document called The [First Global Revolution](#), ... it stated: ***‘In searching for a new enemy to unite us, we came up with the idea that pollution, the threat of global warming, water shortages, famine and the like would fit the bill.’*** ..., that’s the origin of global warming ladies and gentlemen.”

Ever since then, the same clique of powerful elites who walk the halls of supranational institutions such as the [United Nations](#) and the [World Economic Forum \(WEF\)](#) have staunchly pursued and devised **one of the most sophisticated cons in human history, having already swindled trillions of dollars from member nations and their citizens in the process.**

**Over the past few decades, nations have been sending these monies to these corrupt institutions which could have instead gone to helping their own citizens.** The money is lost forever at the hands of these globalist parasites who essentially do with it as they please.

For us **Canadians**, I previously reported on how our own Liberal government has put legislation in place to loot [\\$140 billion per year from citizens and businesses in carbon taxes until 2050](#). That amounts to **\$3,684 per Canadian per year**, or around **\$11,000 to \$14,700 or more per household**. Not kidding folks. I link to the official government budget documents to that effect in my report. This is not conjecture; it is verifiable fact.

Such a **pervasive scam** could not be accomplished without **an army of bought-and-paid-for NGOs and sellout politicians** to further give it “credibility.”

In Canada, look no further than [Climate Alarmist](#) (and literal [eco-terrorist](#)) [Steven Guilbeault](#), the so-called Minister of Environment and [“Climate Change.”](#)

The **entire premise of their hoax has been based on cherry-picked science that doesn’t represent the reality of the climate situation around the globe.**

Over the past several years, countless top scientists have demonstrated that the climate models of these globalist institutions are faulty, and claims of “Global Warming” are not based in fact.

Without getting into an exhaustive list of such accounts, let me just point to a few of my own articles which have provided links and evidence to this effect:

- [EXPOSÉ: Canadian Residents & Businesses are about to be Carbon-Taxed into Oblivion](#)
- [Google & Al Gore’s Climate TRACE Coalition to track global carbon emissions](#)
- [Canada joins WEF First Movers Coalition to Solidify Carbon Tax Looting Scheme](#)
- [Confessions of a Canadian Energy Expert: Interview with Allan MacRae](#)

The last article is particularly enlightening, for it reveals the truth about [Climate Change](#), as attested by world-renowned experts in climatology and related fields.

Here is but one of their professional exposés which sheds light on the matter: [Why Climate Change is NOT an Emergency](#) (by [Dr. Patrick Moore](#), [Dr. William Happer](#), and [Dr. Bruce Everett](#)).

[https://www.youtube.com/watch?v=L\\_Kc\\_r3cdHO](https://www.youtube.com/watch?v=L_Kc_r3cdHO)

The good news, however, is that **more and more people all around the world are becoming aware of this monumental hoax**, as they are being financially strangled with climate-related carbon taxes and the like.

## **The Mark of the Beast (Biometric Digital ID + CBDC)**

Once again, this section could also be worthy of its own single post or entire series. I have previously written numerous times on the subject (*from oldest to newest*):

- [UK's PM Rishi Sunak desperate for G7 countries to launch their CBDCs](#), Nov. 18, 2022
- [Everything you need to know about Canada's CBDC](#), Dec. 20, 2022
- [What's the latest on Canada's Digital ID?](#) Dec. 21, 2022
- The Covid-19 – Holocaust Comparison, Part 4 – [4.2 Dr. Michael Yeadon on planned Digital IDs & CBDCs](#), April 6, 2023
- [Meet Unicoïn \(UMU\), the Global Digital Currency the Banking Cartel is Rallying Behind](#), June 13, 2023
- [The United Nations \(UN\) seeks Digital IDs for all, among numerous other Power-Grabs](#), June 17, 2023
- The Alien Deception Distraction, Part 1 – [Cue the New Global Tyranny: Global Government & Digital Currency](#), Aug. 16, 2023
- Cyber Attack Crisis – [The Mark of the Beast](#), Aug. 31, 2023

An important point for this section is that a biometric [Digital ID](#) and a CBDC – or equivalent form (such as tokenised representations of a national currency or stablecoin) are basically tied at the hip.

Now pay close attention here. That is to say that **in order for the globalists to have a functioning CBDC or related system of total financial control, they *absolutely* need to have each and every citizen on the planet hold a biometric Digital ID so that Artificial Intelligence (AI) can monitor each and every transaction.** It cannot be achieved in any other way due to the hundreds of millions of financial transactions happening each and every day around the globe.

I [explained and expanded](#) on this in my [Cyber Attack Crisis](#) post where I put forward **that they need some kind of crisis to bring about the *justification* for a Digital ID.**

And, surprise surprise, it is the **usual suspects who are behind the Digital ID push.**

The **United Nations** is not only fervently pushing its own [SDG Goal #1 of their 2030 Agenda](#), but is also [urging governments to implement](#) them.

Over the past several years, the **World Economic Forum** has also been **hell bent on promoting both [Digital IDs](#) and [CBDCs](#) and has been quite active in mobilising their [minions](#) to help bring about these two pillars of The Beast System.**

These minions, or [partners from the private sector](#) provide governments with cleverly packaged “problems” and ready-made “solutions” to effectuate the proposed systems.

Sadly, **countless sellout politicians conspire with them to introduce bills and legislation for their implementation.** These are [often slipped into regular bills so as to obfuscate them from public scrutiny.](#)

Politicians with affiliations to the WEF – like many of our [Canadian politicians](#) – are often used as operatives for such deceitful plays. [People](#) from other sectors also like join in on the fun.

The **European Union** – which is predominantly led by [unelected members of the European Commission](#) – is also working hand-in-hand with the **World Health Organization (WHO)** to bring about about Digital IDs for the additional purpose of using them for implementing **global digital vaccine passports**.

As reported on by [Peter Halligan](#) and [LifeSite News](#), this [news](#) was [confirmed in June of 2023 by the WHO itself](#).

The LifeSite news article further confirmed the EU's, or more specifically the European Commission's role in the matter:

“The WHO has stated that they will use the “[EU Digital COVID Certificate](#)” as a model to **establish a global digital health certificate.**”

And, right on time, a few months later **member states of the G20** announced plans to impose **both Digital IDs and Digital Currencies**, as [reported by The Epoch Times](#).

Are you all starting to detect a recurring pattern here?

And what would such a beast system be without the caring, loving input of our most beloved world expert on health and all things digital, namely **Bill Gates**? Well, it would have become rather obvious to the reader by now that this filthy excuse for a human being would somehow have [already laid his unscrupulous paws all over this one too](#) (with his foundation's absurd [MOSIP system](#)).

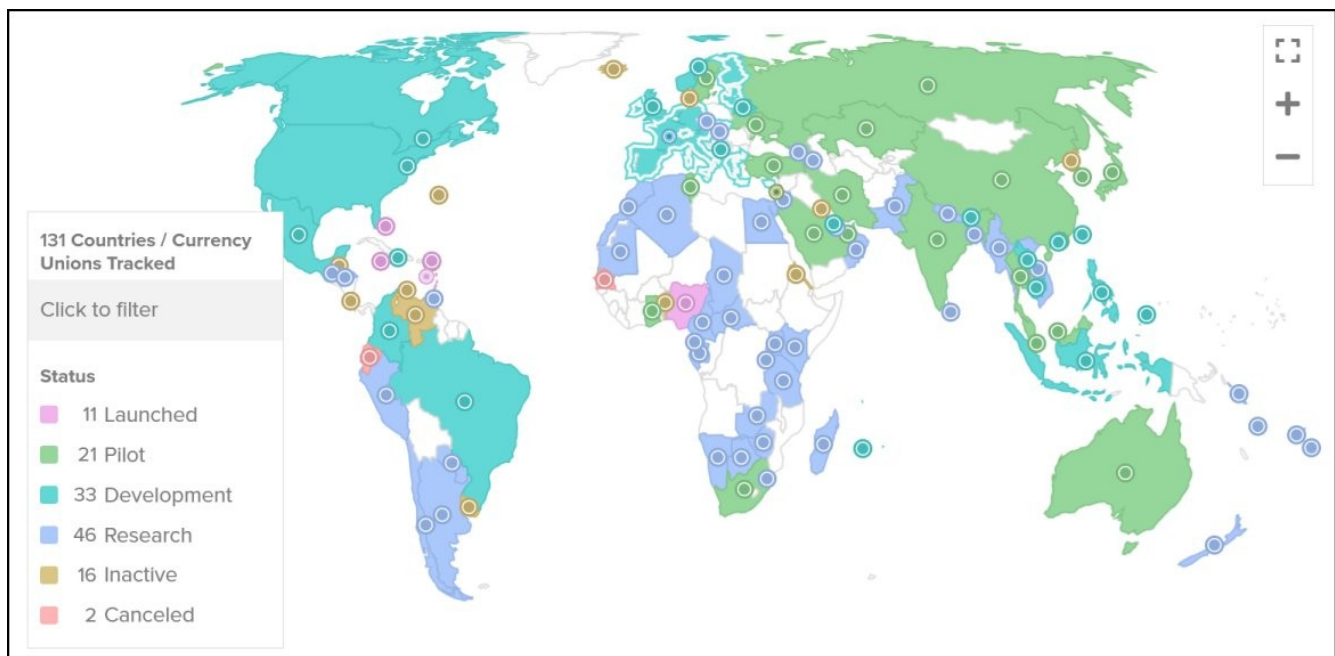

Seriously though, when is this fucker ever going to get arrested?

**All these entities each play their role and collaborate with one another in order to deceptively obfuscate their plans, increasing the likelihood of them coming to fruition with minimal resistance.**

They employ this stratagem with many of their agendas. It's almost always the same rinse-and-repeat process. So, it should come as no surprise that they would employ the same modus operandi for this particular (and quite ambitious) endeavour.

In retrospect, it becomes quite apparent that **one of the major objectives of the [Covid-19 Scandemic](#) was to bring about a *framework* underpinning this apparatus of total control.**

If you control people's **mobility rights and their right to transact freely**, then you have a ruthless mechanism by which you can prevent them from functioning normally in society, let alone cover their basic needs such as purchasing food and essentials.

***The [Atlantic Council's CBDC Tracker](#) showing 130 countries, representing 98% of global GDP, that are exploring a CBDC.***

To wrap up this section, I will leave the reader with some good resources to keep abreast of Digital ID & CBDC development in order keep ahead of the curve and thwart the globalists' efforts in this most unholy domain.

## Censorship and Digital Gulags

Before diving into this other pit of hell, it's probably worthwhile to **take a step back so as to not forget the BIGGER PICTURE.**

In June of last year, I [recommended](#) a very astute article on my Substack titled [Moving Toward A Global Empire: Humanity Sentenced To A Unipolar Prison & A Digital Gulag](#) by [David Skripac](#) who had evaded communist rule from his native Yugoslavia at the end of the Second World War (alternate links [here](#) and [here](#)).

In that article, the author included the following image which really **encapsulates the ensemble of this globalist system of tyranny and control with its various complicit actors:**

The graphic is called 'The Global Public Private Partnership' which is similar in nature to the [WEF's own model of "public-private cooperation."](#) It grants us a very special lens by which we can view the greater scheme, almost like when Dorothy pulled back the curtain in The Wizard of Oz revealing the grand deception and deceiver, Oz himself.

Only now, **it is much more sophisticated and multipronged.**

Accordingly, it is not only more difficult to notice, but even more challenging to dismantle.

So, this is what we are collectively dealing with.

And those of us who are becoming cognizant of it and exposing the stratagems are targets for their [Gulag](#).

That is why **ensorship** is so primordial for them.

If they can **suppress truthful information** – which they deceptively label as “misinformation” and “disinformation,” then it becomes easier for them to maintain their faux narratives and overcooked propaganda, as was [very apparent during the Covid-19 scamdemic](#).

Since there are too many of us awakened souls now, including you the reader, **they know they cannot cattle us into physical silos; rather, they need to find a way to do so in the digital battleground, namely online.**

Their tools of choice, apart from censorship, are **Big Data** and **Artificial Intelligence (AI)**.

That is one reason why so much attention has been paid to AI in the last several years and that they have manipulated us into thinking that it will be a panacea for most of our ills and shortcomings.

And that is also why they wish to **integrate the capabilities of AI in their beast system, read their Digital ID / CBDC duo.**

That way, they can more easily cordon us off into their **Digital Gulags**.

Another prime reason for implementation of Digital IDs, not mentioned earlier, is **to grant the oligarchy the power to censor and ban certain individuals or entities from using the internet or accessing online services** – including personal banking.

By doing so, they can exert a **chokehold over the masses**.

I personally do not see them succeeding in this endeavour, but they will nevertheless relentlessly and unswervingly continue this mad pursuit, a clear symptom of their narcissistic psychopathy.

[Reclaimthenet.com](#) posts many articles each and every day that demonstrates these insane attempts. Some succeed, but pushback by freedom-oriented individuals and institutions is showing us that many of them, delightedly, fail.

I believe that the single most important variable at play here is our **digital identity**. If they succeed in getting nations to implement Digital IDs, it will be much easier for them to keep us restrained.

Do not comply.

## Return to Freedom and Real Money

Property rights and economic freedom are essential components to peoples' livelihoods.

Without them, we are but rats in a Pfizer lab.

History has shown us that each time a country has adopted a system of sound money, peoples' lives have thrived.

Whenever a country has succumb to or been taken over by a private central bank, their citizens have experienced very significant declines in their standards of living and overall economic well-being.

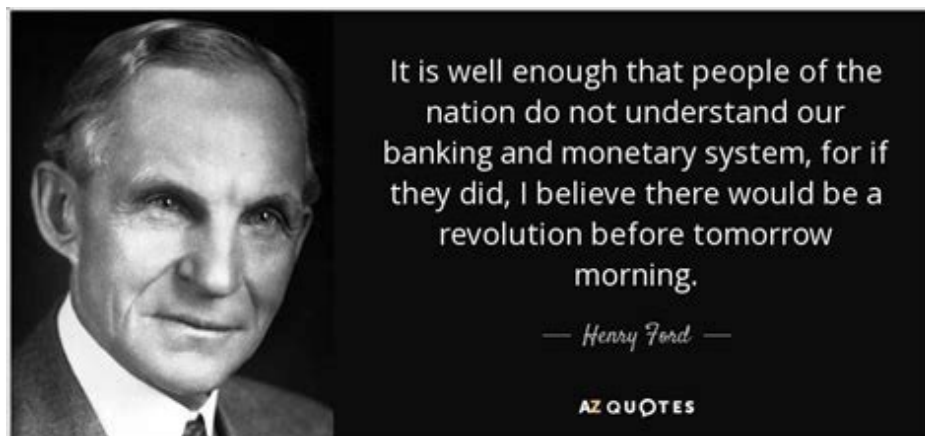

"We learn from history that we learn nothing from history," said George Bernard Shaw, the famous Irish playwright.

**So, why is it that in 2024 the majority of countries around the world are *still* enslaved to private central banks or corrupt interests?**

## The Problem

Here's where it gets challenging.

For well over a century now and up to this very day, **the majority of Canadians, Americans, and citizens from all countries on earth still have no idea how our financial and banking systems *really* work.**

They don't know that many central banks around the world are set up as **private banking corporations** that have nothing to do with the government, and lend money to them through a system of [fractional reserve banking](#).

Not all central banks are the same, of course.

The [Bank of England](#) was initially set up as a private entity, but was [nationalised in 1946](#).

The [Bank of Canada](#) is a Crown corporation (since 1938) belonging to the federal government, but which is [structured like a private entity, wholly owned by the Crown in right of Canada](#). Technically speaking, the [Minister of Finance](#) holds the [entire capital share issue](#) by the Bank, as was confirmed to this author by the bank in a previous media inquiry. Monetary policy for the Bank of Canada is the responsibility of the [Governing Council](#).

Last June the Bank of Canada had conducted a nation-wide survey about citizens' feelings towards a potential [Digital Canadian Dollar](#). The [results of the survey were published on November 29, 2023](#) along with [what comes next](#). Encouragingly, the central bank noted the following as part of citizens' feedback on the digital dollar [with **emphasis added**]:

- **Canadians place a high value on holding cash** that is backed by their central bank and **want to maintain access to bank notes**.
- Canadians **value their right to privacy** and many expressed **concerns that a digital dollar could compromise that right**.

The fact that Canadians place a significant level of importance in **maintaining physical cash** is encouraging. Moreover, citizens of the Great White North **value their right to [financial] privacy** and are **concerned that a digital dollar could compromise that right**.

This last concern is probably due to the fact **that the bank accounts of Canadians who had contributed or were connected to the [Trucker's Convoy in 2022](#) were [maliciously frozen](#)**. Such account seizures have just recently been [deemed unlawful](#), as per a [January 23, 2024 federal court ruling](#).

Even though the Bank of Canada [states](#) that "ultimately, the decision about whether or when to issue a digital dollar will be up to Canadians and their elected representatives in Parliament," they are nevertheless continuing to "engage with a wide range of stakeholders" on the matter, possibly implying their ongoing work with entities in the private sector. In other words, we are not completely out of the woods yet.

In the **United States**, though it is no secret that their central bank, the [Federal Reserve](#), is a [private corporation \(owned mostly by large banks, mammoth corporations, and rich families\)](#), most people are clueless to this fact.

Regardless of the structure and legal disposition upon which each of these central banks have been established, they essentially operate in the same manner.

For the most part, they conjure currency up out of thin air and then lend it to governments at interest (and sometimes levy funds to pay dividends to their shareholders) which impoverish nations and their citizens in the long run due to the gargantuan amounts owed which need to be repaid.

Worse, they have set up one of the most egregious systems of embezzlement even conceived.

It will *not* succeed; for, we *will never* stand for it!

## The Solution

To say that a one-size-fits-all solution is realistic would be a folly in and of itself, especially given the fact that each country and each region, for that matter, have their own socioeconomic considerations and dynamics.

Moreover, what one group of people view and consider as holding **value** may differ with that of another.

Add to the mix that we live in an increasingly **connected and digital world** where **funds need to flow freely, efficiently, and cheaply between transacting parties**.

Historically, monetary metals such as **gold** and **silver** have served well. But over time, they have often been debased (such as with coinage) and manipulated by those issuing or controlling their supply, governments, or other powerful entities. Furthermore, though they have an excellent record in preserving value over the long term, they are no longer easily used to transact and are difficult to be carried across borders.

Bitcoin, considered the grand daddy of cryptocurrencies, provides an interesting alternative to traditional money.

Though its anonymous creator who goes by the name Satoshi Nakamoto causes concerns to many – including the contention that it may have been the brainchild of intelligence agencies, Bitcoin remains a very attractive alternative since it has a fixed supply of 21 million coins which, unlike all national currencies, can never be increased.

Bitcoin runs on a **blockchain** which is an electronic ledger. Accordingly, one of its most cherished qualities is that its protocol acts as an incorruptible tamper-proof accounting system.

In addition, **Bitcoin holdings can never be seized** by abusive governments since they are entries on the blockchain; unless a party knows the seed phrase or password of a custodial account holding units of Bitcoin, it is impossible to seize it.

Many argue that Bitcoin is “backed by nothing”. Absolute nonsense. Michael Saylor, Executive Chairman of MicroStrategy and one of the largest holders of Bitcoin, has often [explained](#) that Bitcoin acts as a **monetary network** that stores the **energy** that was used to mine it, i.e., to create, units of Bitcoin.

Just as a lot of *energy* goes into the production of pure gold from a mining operation, the same goes for Bitcoin since it requires a tremendous amount of electricity used by computers that mine it.

Bitcoin has only been around for slightly more than a decade and its level of adoption around the globe is still relatively small. However, its level of adoption and value has [increased significantly since its inception](#), despite its [volatility](#).

As Bitcoin matures and becomes more accepted and adopted globally, such volatility is likely to decrease over time, making it a sounder **store of value**.

Ideally, a **cryptocurrency backed by physical gold** could serve as a very interesting and **viable solution to sound money**.

We live in a **digitally-connected world** and there is no turning back. Sure, people can have non-digital means of payment and exchange at the *local* level. But realistically-speaking, a digital solution is more practical at an *international* level. These means of payment needn't be exclusive; they can certainly co-exist.

**Imagine if Bitcoin were fully (100%) backed by gold bullion** whereby the latter is not manipulated nor undermined by private interests (such as those who currently offer derivatives of the metal like with ETFs and futures contracts). **A system by which any Bitcoin holder can redeem their units in gold bullion (in grams or ounces) or national currency/money equivalent without hindrance or discrimination** could be one that brings us back to **sound money and economic freedom**.

Importantly, a [distinction must be made between currency and money](#); the main difference being that currency does not represent a long-term store of value, as has been sadly witnessed in the historical record. I would invite the reader to revisit [Part 1](#) of this series which presents graphs that show the depreciation of currencies such as the British pound, Canadian & American dollars, and Swiss Franc since their inception. These currencies have lost more than 80% of their value due to the increase in money supply which has decreased their **purchasing power** and cause rampant **inflation**.

Regardless of which **money** gets implemented in countries or regions, the **main factors of success** include:

- the fundamental characteristics of money (*medium of exchange, a unit of account, portable, durable, divisible, fungible, and a store of value*) are preserved;
- it should be backed by something of value;
- the inability to increase the money supply;
- the inability of a single party to gain control of a majority portion of its supply;

Perhaps other factors of success could be added to the list above.

Who knows what will happen in the coming years.

All I can say is that I believe we are at a turning point in humanity.

What happens next is written in the stars.

Time will tell.

## **Dedication to my mother**

This article is dedicated to my dear **mother**.

You gave me life. Hope. Everything. I love you. I miss you. Thank you for all that you have given me.

The one thing you said that was most important in raising me, as with my brothers, was your drive to instill in me a sense of **self-confidence**. That was one of your most valuable lessons which I continue to cherish to this day.

See you in heaven in due time.

I look forward to our blessed reunion.

My mother was, among many other things, a gifted poet. Here is one of her **poems**.

## LETTING GO

Don't come to my breast,  
My children, my love.  
You suckled me dry long ago.  
Don't pull at this teat  
All withered and sore.  
The nectar you feed on won't flow.  
Go out and seek your truth  
As I go out and seek mine.  
Your mortal mother has  
Nurtured you well.  
Now seek your father divine.
