

ME FOLLOW-UP (same day on 2023-09-28):

Hi Maryam,

I looked at the 2002 annual report. I see that bonds have been issued but I cannot find any related notes as to the initial bond offering (i.e., where they were offered / from which financial institution, the number and total amount collected from them). Can you thus provide me with the specific information and links to where I can find information related to NAV CANADA's bond *issuance*?

Thank you.

DF
