Hi Dan,

Thank you again for your message. NAV CANADA is a private, not-for-profit company (a non-share capital corporation), providing air traffic control, airport advisory services, weather briefings and aeronautical information services for more than 18 million square kilometres of Canadian domestic and international airspace. For information regarding the structure of the organization, financial information, as well as our revenue model, the details can be found on our website here:

<https://www.navcanada.ca/en/corporate/about-us.aspx>

NAV CANADA does not have statistics related to the activities you describe.

You may wish to reach out to Environment Canada on weather related topics and the Department of National Defence on military activities.

Thank you/Merci!
